Republican State Ticket.

FOR JUDGE OF THE SUPREME COURT: HON. HENRY GREEN, OF EASTON.

FOR AUDITOR-GENERAL: HON. JOHN A. LEMON, OF BLAIR.

We have waited two days, thinking that we could give the National ticket in this week's JOURNAL, but are compelled to go to press on Saturday morning without being able to do so.

The Democrat and Register rushes to the defense of Mr. Africa and attempts to smooth over his partisan appointment of enumerators in Juniata county.

"A CITIZEN" in Dublin township is worthy at Supervisor Africa for having appointed a lady enumerator for that district, and threatens vengeance against the Democratic party when its candidates ask the suffrages of that people.

Since Denis Kearney's release from prison he has again assumed the leadership of the Greenback party of California, and will go as a delegate to the National Convention of that party, which fact is sufficient to damn it in the estimation of all respectable and law abiding people.

A CORRESPONDENT in last week's Milltown Register, in a long-winded article, urges the nomination of our townsman, Hon. R. Milton Spear, for Congress.

The recently appointed Receivers for the Reading Railroad Company have obtained permission from the Court to borrow \$1,000,000 for the purpose of paying the wages of employes and of meeting the accruing interest on mortgages.

At the Republican primary elections recently held in Lancaster county, the names of Hon. Galusha A. Grow, and Col. M. S. Quay were presented to the voters as candidates for United States Senator, and the returns showed that the former gentleman was the choice of the Republicans of that county by a large majority.

The New York Herald's table of Democratic delegates to the Cincinnati Convention counts 434 now elected, and 304 yet to be. A full Convention consists of 738 delegates—none being given to the Territories or the District of Columbia—and a two-thirds vote being required, 492 are necessary to a choice.

An old gentleman named Chisholm, out in Cleveland, the other day, gave a dinner to his five children on the occasion of the recurrence of his birthday, and after they had gorged themselves to repletion with the fat things spread before them, he made their hearts glad and their purses plethoric by presenting each and every one of them with forty thousand dollars.

Richard B. Connelly, one of the Tweed ring, and a fugitive from justice, died at Marseilles, France, on Sunday.

State News. There are sixty three cheese factories in Crawford county.

Some of the letter carriers of Erie ride in carriages in the service of their route. Foxes are very destructive to young lambs in parts of Beaver and Washington counties.

The blowing in of a blast furnace at Kittanning, on Friday, was a holiday occasion at that place.

In many parts of the State the Y. M. C. A. expel members who sign petitions for Kerfoot.

Seven hundred and fifty trout, weighing over eighty pounds, were caught in Forest county by three boys in one day.

THE CHICAGO CONVENTION.

After several days of turmoil and confusion the convention was called to order at 1:05 p. m., on Wednesday, by Senator Cameron, Chairman of the Republican National Committee, and was opened by prayer by the Rev. A. E. Kitteridge, of the Third Presbyterian church of Chicago.

The Hon. Geo. F. Hoar, of Mass., having been designated as Temporary Chairman by the National Committee, was then conducted to the chair and took charge of the convention as its presiding officer, and in doing so he returned thanks for the honor conferred. In a speech of considerable length he reviewed the history of the country and of the Republican party.

The appointment of the necessary committees was next in order, which was done by the different State delegations naming the members of these committees. The committee on Permanent Organization, by a vote of 31 to 9, named Hon. Geo. F. Hoar for Permanent Chairman.

Friday's sessions of the convention were occupied in contesting the ground by the opposing factions, which resulted in a victory for the anti-Grant element. The unit rule has been abrogated, and this (Saturday) morning, the indications are that either Blaine or Edmunds will be nominated.

The Southern people have made up their minds to two things: First, that the National Government must not in any way interfere with them; and second, that the National Treasury must supply the means to improve their avenues of local commerce, to create revenues of which they can live and build up a good business out of the disbursements of that money in their midst, and while this is being done the effort will continue in the South to defraud the Government out of every dollar of internal revenue due it.

The Supreme Court of California, before which tribunal Mayor Kallech appealed his case on a demurrer, sustained the general demurrer against the impeachment proceedings by the Board of Supervisors and dismissed the cases. The same tribunal rendered a decision in the Kearney case, releasing him from prison. The hearing was on the writ of habeas corpus appealed from the Supreme Court of San Francisco, where the decision of the Police Court, putting Kearney in the House of Correction for abusive language, was sustained.

Speers, of Huntingdon, and Stenger, of Franklin, both expect to run for Congress. So do the Democrats say. They also say that E. D. Parker, of this place, will be a candidate. With Parker as a candidate, and the Crawford County System before the party, the Democracy in Juniata will shake itself at the primary election almost to a man.

The Tyrone Semi-Weekly Times is the name of a new paper just started at Tyrone by Holmes & Woodin. It is quite a readable little sheet, and if 300 subscribers can be obtained it will be published regularly, and if not its publication will be discontinued.

Woman's Wisdom—She insists that it is more important, than that her family should be kept in full health, than that she should have all the fashionable dresses and styles of the times. She therefore sees to it, that each member of her family is supplied with enough Hop Bitters, at the first appearance of any symptoms of ill health, to prevent a fit of sickness with its attendant expense, care and anxiety.
