The ladies are slipping their flower slips in-The May just past, 'tis said was the dryest one for thirty years.

A letter mail is carried on the Niagara & Chicago Express train. The home politician is anxiously awaiting the news from Chicago.

Forty Hours Devotion was observed in the Catholic church last week.

A drunken sot ornamented the pier of canal bridge, Saturday evening. The census enumerators have begun their

rounds of asking questions. Some of our farmers are already bringing in their early "garden sass."

Painters painted the wood work of the Journal building on Monday. Lock your back doors when you go to the front one to see the circus pass. The Juniata river and the canal is of the

color of clay since the late rains. Cur business places were closed during the The rain Saturday night and Sunday raised

the water in the river a notch higher. A musical genius with a "what is it" delighted the little folks on Saturday.

Welsh & Sand's advertising car passed eastward to Lewistown, Tuesday evening. If you want to see the best show in America, come to town on Thursday, June 10th.

But two persons took advantage of the cheap excursion to Gettysburg, on Saturday. A Mifflintown man has started in the manufacturing of mineral water and sarsaparilla.

Bass and pike fishing commenced Tuesday. Now look out for the whopping fish stories. Sunday's rain completely soaked the ground, and vegetation has now taken another start

The foundation walls of S. B. Chaney's resinence, on Mifflin street, are almost completed. The first cherries were brought to town Tuesday, and the price was 8 cents per quart. And our boys go in bathing, in droves, at the aqueduct, after the shades of evening set

Some of our public school pupils have made rapid advances in their studies this school Sunday was a good day for dry weather

christians. Too much rain kept them within Isage Wolverton, of this county, has leased

the Hawn mill, in Milford township, Juniata Green apples and the little boy are already keeping company. The physician will soon

Two counties-Franklin and Snyder-have nominated Congressman Fisher for re-election to Congress.

Rev. W. H. Dill, of the West Huntingdo M. E. Chapel, is on a visit to Baltimore and The Altoona Tribune says Miss Long took arsenic. It knows all about it, for it got it from good authority.

Hen. Thad. Banks, of Hellidaysburg, has recovered his heaith to such an extent as to be able to be around. According to law the Boards of School Di-

rectors will organize on Monday next, or within ten days thereafter. Our friend, Thomas Carmon, who hurt him-

self by falling from a ladder, in April, is able to be around on crutches. The Welsh & Sand's mammoth circus and menagerie will show in John McCahan's field

beyond the old fair grounds. Messrs. Herman Bro's., who occupy Fisher's corner as a dry goods stand, we understand, will leave about the 1st of July.

A large assortment of elegant pocket-books and coin purses, for ladies and gentlemen just received at the Journal Store.

The new Democratic paper in Bedford county, is a fixed fact: at least we were so informed by one who ought to know. The small urchin knows the contents of the

circus bill boards, and he will hold Messrs. Welsh & Sands to a strict account. A portion of the large bulletin board on Washington street was blown over Sunday. It was replaced in its position Monday.

The brick layers, under the management o Isaac Lamp, are pushing forward the work on John Leister's building, on Penn street.

The three or four Greenbackers in this place are making arrangements to attend the meet-D. J. Rynder, the champion toe and heel

estrian of Altoona, walked fifty miles in ten hours and nine minutes on Saturday. The infant department of the M. E. Sunday school was not in session Sunday, owing to

the torn up condition of the lecture room. That \$60,000 appropriation for the post office building in Altoona, hasn't come yet and the average Altoenian is getting riled. Rev. Jesse Akers, of our town, will edit the

al, during the continuance of the Juniata Valley Camp meeting next August. The neatest job work done in town is exe cuted at the Journal Job Rooms Give us a call, and be convinced that our prices are low.

The young lady that talks of visiting the Bedford Springs for a week, this season, might make a nurse for a good sized "sucking bot-" and potential that there will be no openings, is as safe from moths as if it were buried six feet deep in camphor, tar-paper, and petroleum.

The Niagara & Chicago Express makes the nce between Philadelphia and Chicago miles-in twenty-four hours. Including I stops, the average time made is 43 miles

left to make an appearance, will strike this place Saturday. Our advice to our rural friends is to stay at home and save their money for the mammoth one that arrives on the 10th leucorrhoa, that about the first of April last

dealers in patent medicine should be especially taxed therefor, has been decided by Auditor General Schell as follows: "The patent medicine license is and must be collaboration of the mercantile license and must be collaboration."

Smith that, during her father's absence in going for a physician, she acknowledged to him that she had taken poison for the purpose of ending her life, the jury could only find that she had knowingly taken that which ected in addition to it."

There is some talk of changing the place of olding the printers' picnic from Dell Delight o either Loshes' Run, Perry county, or to coaring Springs, Blair county. The Execu-

Our friend, D. S. Africa, tarried hereaways, between trains, on Thursday evening. Mr. A. is now a resident of Wooster, Ohio, where he proposes to engage in mercantile pursuits. He was on his way to New York to purchase a stock of goods. He looks well, enjoys good health, and is loud in his praises of the business prospects of his new home. May success be his.

A lew hours before her death she was in perfect health, to all appearances, bueyant in spirits and bidding fair for length of days, but alas, she was subject to the frailties common to all, and against which poor humanity, unassisted by Divine grace, is unable to contend. Disappointed hopes and blighted affection had wrought upon her weak and impulsive nature to such an extent as to impel her to the commission of the rash act, which from

The Altoona Sun of Saturday says that "a Huntingdon young man who works in the railroad shops here was arrested by Officer Allen yesterday and taken before the recorder on the charge of trifling with the affections of a confiding young Huntingdon girl. The recorder bound bim over to appear for a hearing next week." Who was he? Name the

ecipe for protecting clothing from moths:— The favorite plans always involve the theory smell, and persons who have tender nose sometimes prefer the chances that the moths will do no harm, to the certainty that their houses will be filled with an unpleasant odor. There is a simple, cheap, and easy plan of defeating the moths that is effective and inoffensive.-The moth-fly was never born who could pene trate a common newspaper. A woolen gar-ment wrapped carefully in a newspaper, so

Chief Burgess Lewis warns the boys, big and little, to keep off of other people's premises. The Chief of Police is anthorized to gobble them in.

The Sacrament of the Lord's Supper will be administered in the Lutheran church on Sabbath morning next. Preparatory services on Saturday evening.

Mr. Aaron Stewart, in the 80th year of his age, died at his residence in this place on Saturday morning. His remains were interred on Tuesday morning.

Mr. Benjamin, superintendent of the Holly Manufacturing Company, of New York, is in town, and expects to appear before Councils this evening to explain the Holly System of Water Works.

We excerpt the following from the Franklin Repository, and think it would be well for the reader for the Journal to would be well for the reader for the position of engineer. Repository, and think it would be well for the readers of the Journal to would be well for the readers of the Journal to won the look out for the scoundrels. Here is what it says: A few days ago a stranger called on Mr. James Brumbach, a farmer residing near St. Thomas, to get him to act as agent for a certain kind of guano. The agent said he would ship him ten tous, half of the proceeds of which Mr. B. was to keep, and the remaining half he was to remit to the firm if the fertilizer was sold.—Last week another man representing himself to be one of the firm called on Mr. B. and succeeded in getting him to sign an agreement. On Saturday the man came to town and tried to sell a promissory note signed by Mr. Brumbach, a farmer residing near St. Thomas, to get him to act as agent for a certain kind of guano. The agent said he would ship him ten tous, half of the proceeds of which Mr. B. was to keep, and the remaining himself to be one of the firm called on Mr. B. and succeeded in getting him to sign an agreement. On June 21, 1865, he was mustered out of service at Harrisburg, and immediately recenter to the firm called on Mr. B. and succeeded in getting him to sign an agreement.

On Saturday worning. His remains were intered We excerpt the following from the Franklin fireman. In December of the same year he throughout. The stranger gave his name as Day Express, for interment.

Johnson, and after returning the note, and paying all costs he was allowed to go free.

all stops, the average time made is 43 miles per hour.

We hope no readers of the Journal will allow themselves to get mixed concerning the date of the show. The best and biggest show on the road will exhibit here on Thursday, June 10th.

Flaunels that had been laid away for the summer were hunted up and doneed on Sunday morning, and they felt confortable during the west and "fallish!" weather which prevailed on that day.

The way the postal clerks handle the main dropped in the letter box at the depot, shows that they understand their business, and are deepts at the reading of the chirography of our people.

Some human brute, who was too drunk togethome, quartered in front of Port's meat market on Saturday night. Mr. Port will pay \$20 to find out who he was.

Prof. G. F. Lane, teacher of music at the Birmingham Seminary, contemplates a visit to Europe next summers, to make farther at the discretion of the Ningara and Chicago and all right and maltriphen of the content of the show and the state of the show. The best and biggest show on the road will exhibit here on Thursday, two obstituted of the show. and patter in his efforts to bring life back to him. That "son of Italy" ought to be left to drow at he next time.

On Thursday an umbrella mender struck town, and found business so good that he was enabled to surround a large supply of Huntington's ardent, when he became rantuake processes, and ionual dosigness within the four gloomy walls of the town calaboose.

John Wado, who was injured on the railroad near the Car Works, a few weeks ago, died at the Alms heuse on Thursday a week ago. Before his death he told Jackson Harman, the steward, that he hand't drawn as sober breath for the last year.

The committee who have the proposed 5th of July Firmen's Parade at Altonoa, in hand, are making extensive arrangements for its success. The affair promises to be grand, as a number of foreign fire companies have signified their intention to be present.

They say that a cross-reads frand—New York circus by name—if there is enough of it left to make an appearance, will strike this place Saturday. Our advice to our rural friends is to stay at home and asve their money for the mammoth one that arrives on the 10th inst.

leucorrhoa, that about the first of April last she had returned to his office and procured According to the Hollidaysburg correspondent of the Altoona Tribune that town must contain some very mean people. He says that after the decoration ceremony, on Saturday, several persons went through the cemetery and carried off the choicest flowers and wreaths.

A land turtle was picked up on the farm of Mr. J. B. Peterson, near Burnt Cabins, in this county, on Friday of last week, by a son of Mr. Peterson, which had this inscription cut in its shell: "H. Hill, 1792." The old residenter, after having been carefully inspected, was again turned loose.

The question whether druggists or other dealers in patent medicines should be established. Smith that, during her father's absence in

would destroy her life, and therefore could come to no other conclusion than that em-bodied in their verdict, which was that deceased came to her death by poison adminis-tered by her own hand. No blame was attach-Roaring Springs, Blair county. The Executive committee will have a meeting Saturday in Tyrone, and decide the matter, We don't care a continental were it is held.

Our friend, D. S. Africa, tarried hereaways, A few hours before her death she was in per-

course of sorrowing friends and sympathizing neighbors. To her parents who are well known extend our most heartfelt sympathy in their bereaved loueliness, while we would earnestly seek to draw the mantle of Christian charity over the pale ashes of the dead.

friends, whilst each soldier's grave was marked with a tiny flag, so as not to be over-DEATE OF PHIL. LOWE, THE OLDEST PASSENGER ENGINEER ON THE P. R. - James looked by the decorating committee.

The observance of this decorating the graves Bright's disease of the kidneys. Being in poo

of the contraction of the contra

a government like this has been demonstrated to be so great that the time will never come when there will be those fanatical enough to make a second experiment. Then our heritage to-day is one purified by blood and strengthened and established by the patriotism and sacrifice of those whose memory we cherish, and we shall not forget, I trust, that a legacy transferred to us at so great a cost, is one of value, beyond our comprehension, as tailly layered our description, and it heavened. I trust, that a legacy transferred to us at so great a cost, is one of value, beyond our comprehension, ce. tainly beyond our deserving, and it becomes us always to bear in mind the responsibility which rests upon us, as the custodians of a heritage so dearly bought, and so priceless. We must under stand that the principles which have been maintained by the sword, and which are handed to us all the purer and stronger because of the trials through which they have passed,—I say that we should remember that these principles are not a possession of ours but rather a trust, and while they are loaned to us by those who have passed before us, they are to be used for our happiness and to be preserved by our integrity, and passed down to our children and our children's children; and I take it that standing here to-day, by the graves of our fallen patriots, it becomes us to look graves of our fallen patriots, it becomes us to look well to this fact, that while our privileges and opportunities as a nation and people are superior, our responsibilities are commensurate therewith, and that the duty of the hour is to guard with sacred fidelity the liberties with which we are entrusted and to hand down to coming generations, untarnished, the great advantages which we enjoy as a nation. It will not do to be forgetful of this duty, and in proportion as we remember the responsibilities thus transferred and meet these obligations, in that measure will the value of these blessings be enhanced and the stability of our in-

blessings be enhanced and the stability of our in-And now, fellow citizens, and members of the Grand Army, as we gather in this place to-day, and remember the hundreds and thousands of

At the conclusion of Rev. Hinkle's discourse, and a selection by the band, the ceremony of decorating the graves of the heroes with a boquet of flowers and a wreath of evergreens was performed by their living correction. was performed by their living comrades—the members of the Post—who decorated one bundred and four of them. A number of graves, besides those wherein the soldiers are at rest, were tastefully or-namented with wreaths and flowers by loving

of the departed soldiers, has been observed in Bright's disease of the kidneys. Being in poor this place, year after year, for fifteen years, and the occasion on Saturday last was witnessed by a larger concourse of people—both nessed by a larger concourse of people—both town and country—than ever before. On Sunday evening, in the Presbyterian church, Rev. A. Nelson Hollifield preached a sermon to the members of the Post, from Eph. vi, 14. His theme was the decorating of graves with flowers in centuries past, and was listened to with very marked attention.

> THE INSTITUTE SESSION OR "TEACHERS' TERM" of the Brethren's Normal College, at this place, for 1880, will open Monday, July 19th next, and continue six weeks. An ampl faculty of thoroughly qualified instructors with increased facilities, will make the Institute Term of 1880 an improvement on all former sessions. Expenses moderate. Apply at once. Address J. H. BRUMBAUGH, Box 290, Huntingdon, Pa. Principal.

"KENDALL'S Spavin Cure" is highly recommended by Prof. Williams the wonder-ful Horse trainer. Read advertisement.

HUNTINGDON'S MEMORIAL DAY .- Its | A FORMER HUNTINGDON COUNTY MAN Observance.—Saturday was observed in this clace as the day to pay respects to the memory of those who died that the nation might live.

Gives up the Ghost in a Leadville Mine.—Ou the 10th of May, Mr. David L. Wallace, a native of Shade Valley, this county, was killed

Of Welsh & Sands' show, which will be in Huntingdon, Thursday June 10th, the Leaven worth, Kansas Times, of April 14th, has this

grander display on our streets this morning than ever occurred on a similar occasion. Thousands of people lined the streets and ssession of ours but rather a trust, and while in harness, mirth provoking mardi gras char-ley are loaned to us by those who have passed acters, and certainly the largest and smallest elephants ever seen here; enormous crowds attended the afternoon and evening show. The entire exhibition was the most satisfactory that has ever visited Leaven worth, the manage ment fulfilled all the promises made by them through their advertisements."

FROM THE HUB .-- There is perhaps no tenic offered to the people that possesses as much real intrinsic value as the Hop Bitters. Just at this season of the year, when the stomach needs an appetizer, or the blood needs purifying, the cheapest and best remedy is Hop Bitters. An ounce of prevention worth a pound of cure, don't wait until you are prostrated by a disease that may take months for you to recover in .- Boston Globe.

MR. PHILIP REMLINGER, an old subscriber to our paper, and well known in the whole sur rounding country, informed us the other day that his wife, who for two weary years had suffered with Rheumatism in the shoulder, during which time she had been treated by several physicians without success, had been completely cured by a bottle of St. Jacobs OIL. Bucurus, Ohio, Courier, Feb. 13, 1879.

What is it?

What sort of creature is it? I met one when on a visit, It was dressed very exquisite In a long straight jacket, if you pl Jast a little above the knees, Just as tight as it could squeeze.
Could it walk?
Yes, and could be taught to talk.
Was it a monkey? No.
But it looked much so,
It walked apright, though.
Was it an ape?

No, but not quite the shape,
It was bound with red tape.
Then was it a baboon?
Go on, you will guess it soon;
It's hat like the bowl of a spoon. Could it run?
Oh, no, that is the pun,
Beund too tight to run,
It had long, flowing earls,
Set round with yellow pearls

Well, reader, it was one of our little girls Fine Black Cashmere, Alpaeas, De
