**KENDALL'S** 

SPAVIN CURE

that he is not lame, neither can the bunch be found Respectfully Yours, P. N. GRANGER. PERSEVERANCE WILL TELL. STOUGHTON, MASS., March 16th, 1880.-B. J. Kendall & Co., Gents:-In justice to you and my-self, I think I ought to let you know that I have removed two bone spavins with "Kendall's Spavin Cure," one very large one, don't know how long the spavin had been there. I have owned the horse

the spavin had been there. I have owned the norse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and no bunch to be seen or felt. This is a wonderful medicine. It is a new thing here, but if it does for all what it has done for me its sale will be very great Respectfully Yours, CHAS. E. PARKER.

KENDALL'S SPAVIN CURE is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach every deep-sea-ted pain or to remove any bony growth or other enlargement, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlarge-ments of the joints or limbs, or rheumatism in man, and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yct certain in its effects. Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such un-qualified success to our knowledge, for beast as well as man. KENDALL'S SPAVIN CURE is sure in its effects

rell as man. Price \$1 per bottle, or six bottles for \$5. ALL
