**Goelicke's Matchless Sanative.** The article published below concerning the new and popular doctrine advanced by the illustrious Goelicke of Germany, cannot fail of exciting a deep and thrilling interest throughout the country.

[Translated from the German.] **LOUIS OFFON-GOELICKE**, of Germany, THE GREATEST OF HUMAN BENEFITORS.

"Citizens of North and South America, - TO LOUIS OFFON GOELICKE, M. D. of Germany, Europe, belongs the imperishable honor of adding a new and precious doctrine to the Science of Medicine - a new doctrine which, though veiled in mystery, is a divine revelation, the proof of which he is a valuable member; he proves to be as well founded in truth as any doctrine of Holy Writ - a doctrine, upon the verity of which are suspended the lives of millions of our race, and which he boldly challenges his opposers to refute, or to consent to a disputation, - an invaluable precious doctrine this, as it imparts an important lesson to the apparently healthy of both sexes, teaching them that this insidious foe may be an unobserved inmate of their "clayey houses" while they imagine themselves secure from its attacks, teaching them that THE GREAT SECRET IN THE ART OF PRESERVING HEALTH IS TO PLUCK OUT THE DISEASE WHILE IN THE BLADE, AND NOT WAIT TILL THE FULL GROWN PLANT BEAR FRUIT."

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his *Matchless Sanative*, - whose healing fiat may justly claim for it such a title, since it has so signally triumphed over our great common enemy *Consumption*, both in its first and last stages, - a medicine which has thoroughly filled the vacuum in the Materia Medica, and thereby proved itself the *Conqueror of Physicians* - a medicine, for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence - a medicine whose wondrous virtues have been so glowingly portrayed even by some of our clergy, in their pastoral visits to the sick chamber; by which means their often become the happy instruments of changing despondency into hope, sickness into health, and sadness of friends into joyfulness.

**Goelicke's Matchless Sanative**, a medicine of more value to man than the vast mines of Austria, or even the united treasures of our globe - a medicine, which is obtained equally from the vegetable, mineral and animal kingdoms, and thus possesses a three-fold power, - medicine, which, though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human system, - a medicine, which begins to be valued by Physicians, who are daily witnessing its astonishing cures of many whom they had resigned to the grasp of the insatiable Grave.

Dose of the Sanative, for adults, one drop; for children, a half drop; and for infants, a quarter drop; the directions explaining the manner of taking a half or quarter drop.

Price - Three and one-third six dollars, (\$2.50) per half ounce. A German coin, value 75 cents. For sale at the Post Office, Mechanicsburg, Cumberland county, Pa., by **GEO. F. CAIN**, sole agent for Mechanicsburg.

**To Millers & Manufacturers. HOW'S IMPROVED DIRECT ACTION WATER WHEEL.**

THE public are informed that the subscriber has bought the right of the above water wheel, for the State of Pennsylvania. It is considered by those having them in use, as one of the most important improvements that has ever been introduced. Persons desirous of seeing the wheel, can do so, by calling at the foundry of **DAVID COCKLEY**, Lancaster. The annexed-certificates have been given as a slight testimony of the value of the wheel for themselves. All communications addressed to the subscriber in Lancaster, Pa., will be promptly attended to. **MICHAEL M'MATH**, April 11, 1839.

[COPY.] This is to certify, that I have put in one of Howd's Patent Cast Iron Direct Action Water Wheels, in the place of a Reaction Wheel; that the Direct Wheel does not flood the tail race as much as three inches as the reaction did, and that I can grind seven bushels with the direct action wheel an hour, and drive two run of stones, where I could not grind four bushels in the same time with the reaction and drive one run of stones. **PETER FARNSTOCK**, Ephrata tp. Lan. co. Oct. 1838.

This may certify, that I have been engaged in putting in S. B. Howd's Patent Cast Iron Direct Action Water Wheel, both in the State of New York and in Michigan, and can give it as my decided opinion that with 8 feet head or under, rightly put in, it will do more business with the same water than any other water wheel which I have ever used or seen. It does not require a large jet; in reference to guarding against ice; there can be no better operation, and it is very easy to be kept in repair. **STEPHEN ALLES, Millwright**, Alloway, September 5, 1838.

This may certify that I have had in my mill one of Mr. Howd's direct water wheels for the space of one year. It is a five feet wheel, and I have had a reaction in the same place - I have also had Wheeler's Union Wheel, yet I think Mr. Howd's will do more business with less water than any other I have tried. It does well in back water. I have had from 5 to 6 feet head. I think we could do as much work with half the water as we could do with the reaction wheel, which has also been in operation in my mill. **LAWRENCE RILEY**, Lyons, September 5, 1838.

This may certify, that I have used one of Howd's Patent Cast Iron Direct Action Water Wheel, by the side of a reaction-wheel, and we think that Howd's will do double the business, with the same water that the reaction wheel will do very near. We never have but three feet head, and can grind with that height bushels per hour. We are subject to back-water, and the wheel will do as good business under back water as the reaction, and we recommend it to the attention and patronage of the public. **SEMON BURTON**, **MILES S. LEACH**, Alloway, September 5, 1838.

Intends, residing in Carlisle, Pa., and would respectfully offer his professional services to the citizens of the place and vicinity. He has taken rooms at Col. Ferree's Hotel, where he may be found at all hours. Persons requesting it will be waited upon at their residences. **DR. J. C. LOOMIS, DENTIST**, Carlisle, Dec. 6, 1838.

Any quantity of Hides can be procured in the neighborhood, as there is no other tannery within several miles of the place - and there is also every facility for getting hides from the cities, and sending them to market when tanned, either by rail road or canal. **DYSPEPSIA! DYSPEPSIA!** MORE testimonials of the efficacy of Dr. Wm. Evans' Camomile Pills. **PHILADELPHIA, Dec. 19, 1838.** Sir - Being on a visit to Philadelphia, from my native village of Germantown, I joyfully avail myself of the opportunity of adding a few words of recommendation to your celebrated Pills, to the abundant testimony already given in their favor. About four years ago, I was attacked with Dyspepsia, and for several years suffered from that complaint in its worst stages. Notwithstanding I tried every thing that came before the public, I obtained no relief, till I accidentally saw your advertisement. From the numerous and respectable testimonials which accompanied it, I had some faint hopes that your medicine might not prove altogether useless in my own case. I tried it, and it is scarcely necessary to add was shortly cured. Indeed the success was greater than I could possibly have anticipated from even the warmest recommendation. As a small return for the benefit you have bestowed, I send you this acknowledgment of my thanks and the deep sense of obligation under which I feel myself toward you. Having implicit confidence in the efficacy of your Camomile Pills, and feeling it due to my fellow sufferers, I would venture to recommend them as a remedy for their existing and future suffering, and to the influence of that scourge of the human family, Dyspepsia, to lay aside their early prejudices against such remedies, and apply to you, that they may receive a speedy and permanent restoration. I still reside in Germantown, though I frequently visit the city, and will willingly give any further information that may be desired. Ever gratefully yours, **T. B. WILLIAMS**.

**Dyspepsia, Dyspepsia.** Is there no cure for that distressing disease? Is the echo from thousands. Read the many certificates of cures performed by Dr. Wm. Evans' Camomile Pills, and you will be convinced every person of the great efficacy of this invaluable medicine. **DR. WM. EVANS** - Dear Sir - I can never be grateful enough for the cure I have received by your Camomile Pills, and for the relief (CAMOMILE PILLS) - I was for five years very seriously troubled with Dyspepsia, which caused a nervous sensation throughout my system - so much that sometimes shook as if I had been afflicted with palsy; during all this time I took many different kinds of medical care. At last, my physician gave me up; but fortunately one day as I was speaking to a friend on the subject he told me that Dr. Wm. Evans' Camomile Pills were the only medicine that would cure me, and which I purchased, and the result has been a most surprising perfect cure. Any one wishing to see me can call at my house, 365 North Front street, Philadelphia. **HENRY L. CAMPBELL**. The above medicine is for sale by **J. J. MYERS & Co.**

**Interesting Cure** PERFORMED by Dr. W. Swaney's Compound Syrup of Prunus Virginiana, or Wild Cherry. - Having made use of this invaluable Syrup in my family, which entirely cured my child. The symptoms were Wheezing and Choking of Phlegm, difficulty of breathing, attended with constant cough, spasms, convulsions, &c. of which I had given up all hopes of its recovery, until I was advised to make a trial of this invaluable medicine. After seeing the wonderful effects it had upon my child; I concluded to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any person wishing to see me can call at my house in Beach street above the Market, Kensington. **JOHN WILLCOX**, Philadelphia, Dec. 7, 1838. The above medicine is for sale by **J. J. **PETERS BILLS.** THE TRUE RICHES OF LIFE IS HEALTH. We know that health, and the ability to labor for the wealth of the great mass of the people, in this our most fertile country. To preserve, therefore, that health by NATURAL means, is a grand moral and political scheme to fulfill which requires our utmost attention.

The unparalleled reputation which Peters' Pills have acquired in the Medical Restorative, is the most unquestionable proof that can be given of their immense importance to the afflicted, in almost every class of diseases. The number of letters received from patients recovering their health, and their grateful acknowledgments, are so numerous, that it is almost as varied as they are numerous. But still there are some in which they are more especially beneficial than in others; and among those may be named the too often fatal complaints of the stomach and bowels, such as Cholera, Flatulence, Indigestion, for which they are not only a certain but an immediate cure.

It is well known that from the disarrangement of the stomach and bowels, arise nine tenths of all the maladies of adult and declining life; that this is the foundation of Phlegm, Spasmodic Pains, Indigestion, Loss of Appetite, &c., and that those in their turn give birth to Dropsy, Liver Complaint, Consumption, and habitual looseness of spirits; therefore Peters' Pills being the very best medicine which has ever been discovered for the incipient stages of the intestines, are necessarily the surest preventives of those dreadful, and also general disorders, which embitter the life, and drag so many millions to untimely graves.

In speaking thus, Dr. Peters arrogates nothing to himself, but has been conceded by the public. He is no needy quack or unknown speculator, who comes before the world as his own herald and witness, but is placed in a responsible situation by the patronage, which he has enjoyed for years, and which is increasing, as he extends his operations in the annuals of medicine, that makes him careful to arrest nothing which is not borne out by the most inflexible proof, and hence he does not fear to be put to the test in any thing which he has promised respecting his Pills. Dr. Peters is most happy to be able to state, on the authority of a great number of regular physicians, that wherever his Vegetable Pills have been introduced, they have almost superceded the adoption of mercurial experiments, for their peculiar facility in sweetening the blood, and stimulating it to exert all its powers, and in giving strength and tone to the nerves, prevents disease from acquiring that strength which must be got under, if at all, by dangerous remedies.

Prepared by **JOS. PRIESTLY PETERS**, M. D. 129 Liberty street, New York. Each box contains 40 pills, price 50 cents.

These celebrated Pills are sold by all the principal Druggists in Baltimore, Philadelphia, Washington city, and throughout the United States, the Canadas, Texas, Mexico, and the West Indies, and by **JOHN J. MYERS**, Carlisle, **SAMUEL ELLIOTT**, Do. **S. WILSON & Co.**, Shippensburg, **GEO. GARLIN**, Chambersburg, **LEWIS DENIG**, Do. **ALEX. SHREVE**, Mercersburg, **P. W. LITTLE**, Do. December 6, 1838.

**QUACKS & THEIR DESTRUCTIVE NONSTRUMS.** - The united testimony of physicians throughout the United States, fully proved the fact that Peters' Vegetable Pills are the only true Vegetable Pills which will stand the test of analysis; hence the proprietor would most earnestly urge them to the notice of those who have been in the habit of using, as cathartics or aperients, the destructive and irritating quack pills so generally advertised, and which are at best but slow consumers of the vital functions, and murderous agents, even to the most hale. It is true, most of them produce a purgative effect; and sometimes transient relief; but in most cases they injure the digestive organs, and an habitual looseness to them must terminate in confirmed dyspepsia.

It is true that cathartic and aperient medicines are often required, but the nicest discrimination should always be observed in the selection; and, if this be done, nothing injurious can result from their use. To produce this much desired result, Dr. Peters has made it his study for several years, and feels proud to say he has succeeded at length for beyond his expectations. The object of his pills is to supercede the necessity of a frequent recourse to injurious purgatives, and to offer a medicine safe, certain, and pleasant in its operation. Prepared by **Jos. Priestly Peters**, M. D. No. 129 Liberty street, New York. Each box contains 40 pills. Price 50 cents. For sale by **J. J. Myers**, and **S. E. Hart**, Carlisle, and **Samuel Wilson & Co.**, Shippensburg. Dec. 6.

**Peters' Vegetable Pills.** MORE than three millions of boxes of these celebrated pills have been sold in the U. States since January, 1835. Hundreds and thousands bless the day they became acquainted with *Peters' Vegetable Pills*, which in consequence of their extraordinary goodness, have attained a popularity unprecedented in the history of medicine.

When taken according to the directions accompanying them, they are highly beneficial in the prevention and cure of Bilious Fever, Fever and Ague, Dyspepsia, Liver Complaints, Sick Headach, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles, Cholera, Female Obstructions, Heart Burn, Nausea, Furred Tongue, Distension of the Stomach and Bowels, Incontinent Diarrhoea, Flatulencies, Habitual Costiveness, Loss of Appetite, Bloated or Sallow Complexion, and in all cases of Torpor of the Bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.

The efficacy of these Pills is so well known, and their use so general, that further comment is considered unnecessary. Dec. 6.

**Headache, Sick and Nervous.** THOSE who have suffered, and are weary of suffering from these distressing complaints, will find in *Peters' Vegetable Pills*, a remedy at once certain, and immediate in its effects. In *Dyspepsia* they stand unrivalled; many have been cured in a few weeks after having suffered under this dreadful complaint for years. In habitual Costiveness they are decidedly superior to any Vegetable Pills ever yet discovered, and besides this they are recommended by all the eminent and leading members of the medical Faculty. For sale as above. Dec. 6.

**A CATALOGUE OF REASONS**

For using Dr. Peters' Celebrated Vegetable PILLS.

1. Because they are exceedingly popular, which proves them to be exceedingly good.

2. Because they are composed of simple ingredients, which have the power to do good in an immense number of cases, without possessing the means to do injury in any.

3. Because they are not a quack medicine, but the scientific compound of a regular physician, who has made his profession the study of his life.

4. Because they are not unpleasant to take nor distressing to retain, while they are most effective to operate.

5. Because they are recommended as standard medicine by the regular faculty.

6. Because by keeping the system in a natural state of action, they cure almost every disease which is incidental to the human frame.

7. Because they are cheap and portable, and will retain all their virtues in full vigor, in any climate; and for any length of time.

8. Because, notwithstanding their simplicity and mildness, they are one of the speediest purgative medicines which has yet been discovered.

9. Because they are an unfailing remedy for procuring a good appetite.

10. Because in cases of spleen or despondency, by their healthy influence on the excited state of the body, they have a most happy effect, in calming, and invigorating the mind.

11. Because they effect their cures without the usual attendants of other pills, sickness and gripings.

12. Because as well as being an unrivalled purifier of the general system, they are a sovereign remedy for sick head-ache.

13. Because they differ from the majority of medicines, in the fact that the more they are known the more they are approved.

14. Because as their application creates no debility in the system, they may be taken without producing any hindrance to business or the usual pursuits of every day.
