BOTANIC PILLS,

INTERESTING & APPLICABLE TO THE AFFLICTED WITH

Diseases of the Stomach, or Nerves;

Such a Dyspepsia, either Chronic or Casual, under the worst symptoms of restlessness; Lowness of Spirits, and General Emaciation; Constipation, whether of the Lungs or Livers; Liver Affections; Jaundice, both Biliary & Spasmodic; Costiveness; Worms of every variety; Rheumatism; whether Acute or Chronic; Colic; Gout, Sciatica, Pains in the Head, Back, Limbs, and Side; Typhus Fever, Scarlatina, Petrid Sore Throat, Fever & Ague, Spasmodic Palpitation of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysterics, Tic Douloureux, Cramps, Female Obstructions, Headaches, Hoarseness, Cough, the Common or Humid, and the Dry or the Whooping; Asthma, Gravel, and Dropsy.

The Blood has hitherto been considered by Empirics and others, as the great cause of the human system, and such is the devoted of the adherents to that erroneous doctrine, that they content themselves with the simple possession of this fallacious opinion, without enquiring into the primary sources from whence Life, Health, and Vigor emanate, and vice versa, pain, sickness, disease and death. Not so with Dr. HUNT, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most useful members. He contents himself with a reflection will convince any reasoning mind of the correctness of his views—that the stomach, liver, and the associated organs are the primary and great regulators of health, and that the blood in very many instances is independent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial remedies usually prescribed, serve but as foils to cover the ravages of deep-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not pretend to ascribe to

HUNT'S BOTANIC PILLS

a supernatural agency, although from positive proofs within the knowledge of hundreds he is prepared to show, that when every other earthly remedy has failed, his will succeed.

HUNT'S BOTANIC PILLS

have never been known to fail in effecting two very gratifying results, that of raising from the bed of sickness and disease those who have tested their efficacy, and thus amply rewarding Dr. Hunt for his long and anxious study to attain this perfection in the Healing Art.

The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as it is clearly evinced in the following

CERTIFICATES.

FEVER AND AGUE CURED.

To Dr. Hunt. Believing it a duty I owe you as a successful practitioner, as well as those who may be similarly afflicted, I take pleasure in acknowledging the benefit I have derived from the use of your valuable medicine.

HUNT'S BOTANIC PILLS.

After much suffering from Fever and Ague, during the spring and fall, for the last four years, and the pecuniary injuries attendant on the disposition of one on whose exertions a large family was dependent for support, and having without success tested the skill of many medical advisers at an expense I could not well afford, in the fall of 1838, finding the premonitory symptoms of the disease approaching, I was induced by a friend who had tried your medicine, to purchase a package of your Botanic Pills, and now have the happiness to inform you, that although you, those who may be similarly afflicted, that you contended the disease, nor have I been troubled with it since—and my confidence continues to uphold me in the belief that your Botanic Pills are the most efficacious, the cheapest, most efficacious, and radical cure of the disease Fever and Ague. All I can for the present offer you for the blessing you have been instrumental in conferring on me, is my assurance of unceasing gratitude and esteem.

NEWARK, N. J., July 31, 1839.

WILLIAM TUCKER.

Dyspepsia, or Indigestion, Effectually Cured.

Mr. Wm. Tucker, having lately been restored to a sound state of health, through the efficacy of Dr. Hunt's Botanic Pills, thinks it an indisputable duty to state certain facts relative to the disease under which he had so long suffered. The symptoms were a painful obstruction, with a constant rejection of food, head-ache, palpitation of the heart, nervous irritability, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These affections, together with an unusual degree of flatulence, brought on such a state of extreme nervousness, as to prevent him from attending to his business, and his health appeared lost beyond recovery. His friends and relatives became alarmed at the melancholy prospect, and strongly recommended Hunt's Botanic Pills, which were administered, and in a few days produced a refreshing relief, and finally resulted in a perfect restoration to sound health.

DR. GOODE'S CELEBRATED FEMALE PILLS.

These Pills are strongly recommended to the notice of the ladies as a safe and efficient remedy in removing those complaints peculiar to their sex, from want of exercise, or general Debility of the system, Obstructions, Suppressions, and Irregularity of the Menstrue, at the same time strengthening, cleansing, and giving tone to the Stomach and Bowels, and producing a new and healthy action throughout the system generally. They create Appetite, correct Indigestion, remove Sickness, and Nervous Headache, and are eminently useful in those flatulent complaints which distress Females so much at the "TURN OF LIFE." They obviate costiveness, and counteract all Hysterical and Nervous Affections, likewise afford soothing and permanent relief in Fluor Albuis, or Whites, and in the most obstinate cases of Chlorosis, or Green Sickness, they invariably restore the pallid and delicate female to health and vigor.

These Pills have gained the sanction and approval of eminent Physicians in the United States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of conjugal happiness have been disappointed, these Pills may be truly esteemed a blessing from heaven. They remove all sources of debility, and if taken (according to directions,) obviate all morbid action. They dispel that fulsome and disagreeable sensation common to the female each month return, likewise the attendant pains in the back, side, or loins; they generally counteract the nausea, vomiting, and other nervous affections in chlorosis; or green sickness, in a few days, (and if continued according to directions,) soon effect a perfect cure. Nothing is so signally efficacious in recruiting the pallid and sickly female (who has been doing her life irregular and sensitive) as the FEMALE PILLS.

Beware of Counterfeits.

DR. WM. EVANS' SOOTHING SYRUP.

FOR CHILDREN TEETHING.

To Mothers and Nurses.

The passage of the teeth through the gums produces troublesome and dangerous symptoms. Known by mothers that there is great irritation and rums during this process, the process is increased, the child is seized with frequent and sudden fits of crying, watching, starting in its sleep, and spasms of peculiar parts; the child shrieks with extreme violence, and thrusts its fingers into its mouth. If these premonitory symptoms are not speedily alleviated, spasmodic convulsions universally supervene, and soon cause the dissolution of the infant. If mothers who have their little babes afflicted with these distressing symptoms would apply the celebrated American Soothing Syrup, which has preserved hundreds of infants when thought past recovery, from being suddenly attacked with that fatal malady convulsions.

This valuable remedy has preserved hundreds of young children from the fatal consequences of teething. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to take it, and its gums will be rubbed with it. When infants are at the age of four months, though there is no appearance of teeth, one lot of the Syrup should be used on the gums to open the pores. Parents should never be without the Syrup in the nursery where there are young children, for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores and healing the gums; thereby preventing Convulsions, Fevers, &c.

Beware of Counterfeits.

DR. WM. EVANS' CAMOMILE & Aperiens Pills.

Another very severe case of Inflammatory Rheumatism cured by Dr. Evans' Camomile Pills. Mr. John A. Carroll, of the county of Westchester, New York, had been severely afflicted with inflammatory rheumatism for fourteen months with violent pains in his limbs, great heat, excessive thirst, dryness of skin, limbs much swollen, was not able without violent purgatives to get on his feet. Was advised by a friend of his to procure some of Dr. W. Evans' Camomile Pills, and after taking the first dose, he found great relief, and in continuing its use, according to the directions, he was perfectly cured. Allows me to refer any person to him for the truth of the above statement.
