Alloway, May 5, 1838. This may certify, that I have been engaged in putting in S. B. Howd's cast iron direct ac-tion Water Wheel, both in the State of New. York and in Michigan, and can give it as my-decided opinion that with 8 feet head or under, rightly put in, it will do more business with the same water than any other water wheel which I have yet had any experience in, and in refer-rice to back water, is second best to none that I have yet tried. In reference to guarding a-rainst feet there can be no better operation, and I still reside in Germantown, though I fre-mently visit the city, and will willingly give any further information that may be desired.

Ever gratefully yours, Dyspepsia, Dyspepsia.
