Goeliche's Matchless Sanative.
The article published below concerning the new and popular doctrine advanced by the illustrious Goeliche of Germany, cannot fail of exciting a deep and thrilling interest throughout the country.

[Translated from the German.]
LOUIS OFFON GOELICHE, OF GERMANY.
THE GREATEST OF HUMAN BENEFACTORS.

Citizens of North and South America.
TO LOUIS OFFON GOELICHE, M. D. of Germany, Europe, belongs the imprishable honor of adding a new and great remedy to the science of medicine—a new doctrine which, though vehemently opposed by many of the faculty, (of which he is a valuable member) he proves to be as well founded in truth as any doctrine of Italy. Wit—a doctrine, upon the lives of our race, and which he boldly challenges, his opposers to refute, viz: Consumption is a disease always occasioned by a disordered state of the Viscera, or Life Principle, of the human body; often secretly lurking in the system for years before it becomes manifest, and which may be cured, as a common cold, or simple headache.

An invaluable precious doctrine this, as it imparts an important lesson to the afflicted, health, in the case of Goeliche, teaches that the "clayey humors" even while they imagine themselves secure from its attacks, teaching them that THE GREAT SECRET IN THE ART OF PRESERVING HEALTH IS TO THE FULL GROWN EAR.

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his Visceral Medicine, which he has justly claimed for it such a title, since it has so signally triumphed over our great common enemy consumption, both in the first and last stages—a medicine which has thoroughly filled the vacuum in the Materia Medica, and thereby proved itself the Conqueror of Physicians—a medicine, for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence—a medicine whose wondrous virtues have been clearly proved by the general visits to the sick chamber, by which means they often become the happy instruments of changing despondency into hope, sickness into health, and sadness of friends into joyfulness.

Goeliche's Matchless Sanative,
a medicine of more value to man than the vast mines of Austria or even the treasures of Peru. This medicine, which is obtained equally from the vegetable, mineral and animal kingdoms, and thus possesses a three-fold power, a medicine, which, though designed as a remedy for consumption solely, is possessed of the power to cure all diseases of the human system—a medicine, which begins to be valued by Physicians, who are daily witnessing its astonishing cures of many whom they had resigned to the grasp of the Insatiable Grave.

Doses: For the adult, one drop; for children a half drop; and for infants, a quarter drop; the directions explaining the manner of taking a half or quarter drop.

Price—Three and one-third, six dollars & (\$2.50) per half ounce.

A German bottle, value 75 cents.

IMPORTANT DISCOVERY.
The public are hereby directed to the medical advertisements of Dr. HARLICH'S celebrated Compound Strengthening and German Aperiens Pills, which are a Medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Altdorf, Germany, which has been used with unparalleled success throughout Germany.

This medicine consists of two kinds, the German Aperiens, and the Compound Strengthening Pills. They are each put up in small packets, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this medicine, as it has been given to many who have been afflicted with various diseases, such as indigestion, nervousness, and general debility, and it has been found to be a safe and effectual remedy for

DYSPEPSIA OR INDIGESTION, and all Stomach Complaints; pain in Side, Liver Complaints; Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, Sick Headache, Female Dropsy, Spasmodic Affections, Rheumatism, Consumption, &c. The German Aperiens Pills are to cleanse the stomach and purify the Blood. The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the Stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of these diseases, in which they know them to be efficacious.

This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood—they will not do but they certainly will, and sufficient authority of daily proofs asserting that these medicines, taken as recommended by the experienced Physicians in their daily practice, as a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

Ask for Dr. Harlich's Compound Strengthening Tonic, and German Aperiens Pills. The Principal Office for this medicine is at No. 19 North Eighth street, Philadelphia.
