Goelcke's Matchless Sannative.

The article published below concerning the new and popular doctrine of Germany, cannot fail of exciting a deep and thrilling interest throughout the country.

[Translated from the German.]
LOUIS OFFON GOELCKE,
OF GERMANY.
THE GREATEST OF HUMAN BENEFACTORS.

Citizens of North and South America,

To LOUIS OFFON GOELCKE, M. D. of Germany, Europe, belongs the imperishable honor of adding a new and precious gift to the Science of Medicine—the new doctrine which, though vehemently opposed by many of the faculty, (of which he is a valuable member) he proves to be as well founded in truth as any doctrine of Holy Writ—a doctrine, upon the very opinion of the *Compendium of Physicians*—and of our race, and which he boldly challenges his opposers to refute. viz: Consumption is a disease always occasioned by a disordered state of *Vita*, (or Life Principle) of the human body, often secretly lurking in the system for years before it breaks out into the open. It is a disease which may be as certainly, though not so quickly cured, as a common cold, or simple headache.—An invaluable precious doctrine, which it is an important lesson to the *apparently healthy* of both sexes, teaching them that this insidious foe may be an inveterate inmate their "clayey houses," even while they imagine themselves secure from its attacks, teaching them that THE GREAT SECRET IN THE ART OF PRESERVING HEALTH IS TO PLUCK OUT THE DISEASE WHILE IT IS IN THE FULL GROWN EAR.

This illustrious benefactor of man is also entitled to your unfeigned gratitude, and the gratitude of a world, for the invention of his *Matchless Sannative*—a healing medicine, which may justly claim for it such a title, since it has so signally triumphed over our great common enemy, consumption, both in the first and last stages,—a medicine which has thoroughly filled the vacuum in the Materia Medica, and thereby proved itself the *Compendium of Physicians*—a medicine for which all mankind will have abundant cause to bless the beneficent hand of a kind Providence—a medicine whose wondrous virtues have been so gloriously portrayed by some of our clergy, in the past, and which the sick and afflicted, which means they often become the happy instruments of changing dependency into hope, sickness into health, and sadness of friends into joyfulness.

Goelcke's Matchless Sannative,
a medicine of more value to man than the vast mines of Austria, or even the united treasures of the globe—its efficacy is obtained equally from the vegetable, mineral and animal kingdoms, and thus possesses a three-fold power,—a medicine, which, though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human body, which has begun to be testified by Physicians, who are daily witnessing its astonishing cures of many who had resigned to the grasp of the Inevitable Grave.

Dose of the Sannative, for adults, one drop; for children, a half drop; and for infants, a quarter drop; the directions explaining the manner of taking a half or quarter drop.

Patent—Three and one-third six dollars* (\$2.50) per half ounce.

*A German coin, value 75 cents.

IMPORTANT DISCOVERY.

THE public are hereby directed to the medicinal advertisements of Dr. HARLICH'S celebrated *Compound Strengthening Tonic*, and *German Aperient Pills*, which are a Medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Altdorf, Germany, which has been attended with unparalleled success throughout Germany. This Medicine consists of two kinds, viz: the *German Aperient*, and the *Compound Strengthening Tonic Pills*. They are each put up in small packets, and should both be used to effect a permanent cure. Those who are afflicted with the above named ailments, should be made aware that they will make a trial of this invaluable Medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for

DYSPEPSIA OR INDIGESTION,

and all Stomach Complaints; pain in Side, Liver-Complaints—Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nausea, Irritability, Sick Headache, Female Disorders, Spasmodic Affections, Rheumatism, Asthma, Consumption, &c. The *German Aperient Pills* are to cleanse the stomach and purify the Blood. The *Tonic or Strengthening Pills* are to strengthen and invigorate the nerves and digestive organs and give tone to the stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a permanent cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves when they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities, in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood—their effect is not only that, but they certainly will, and sufficient authority of daily proofs asserting that those medicines, taken as recommended by the Physicians which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

Ask for Dr. Harlich's Compound Strengthening Tonic, and German Aperient Pills, at the Principal Office for the sale of this medicine is at No. 19 North Eighth street, Philadelphia.

LIVER COMPLAINT.

This disease is discovered by a fixed obtuse pain and weight in the right side under the short ribs, attended with heat, uneasiness about the pit of the stomach,—there is in the right side, also a distension—the patient loses his appetite and becomes sick and troubled with vomiting. The tongue becomes rough and black, countenance changes to a pale or citron color or yellow, like those afflicted with jaundice—difficulty of breathing, disturbed rest, attended with a dry cough, distension of the left side—the body becomes weak, and finally the disease terminates into another of a more serious nature, which in all probability is far beyond the power of human skill. Dr. Harlich's Compound Tonic Strengthening and German Aperient Pills, if taken at the commencement of this disease, will check it, and by continuing the use of this medicine a few weeks, a perfect cure will be performed. Thousands can testify to this fact. Certificates of many persons may daily be seen of the efficacy of this invaluable medicine, by applying at the Medical Office, No. 19 North Eighth street, Philadelphia. Also, for sale by
