Dyspepsia and Hypochondriacism.

Cured by Dr. Harlich's celebrated Medicines. Mr. WM. MORRISON, of Schuylkill Sixth street, Philadelphia, afflicted for several years with the above distressing disease—Sickness at the stomach, headache, palpitation of the heart, impaired appetite, acid eructations, coldness and weakness of the extremities, emaciation and general debility, disturbed rest, a pressure and weight at the stomach after eating, severe flying pains in the chest, back and sides, costiveness, a dislike for society or conversation, languor and lassitude upon the least occasion.

Mr. Morrison considered it beyond the power of human skill to restore him to health; however, as his afflictions had reduced him to a deplorable condition, having been induced by a friend of his to try Dr. Harlich's Medicines, as they being highly recommended, by which he procured two packages for trial, before using the second package, he found himself greatly relieved, and by continuing the use of them the disease entirely disappeared—he is now enjoying all the blessings of perfect health.

Goelcke's Matchless Sanative.

THE article published last concerning the new and popular doctrine advanced by the illustrious Goelcke of Germany, cannot fail of exciting a deep and thrilling interest throughout the country.

THE GREATEST OF HUMAN BENEFITORS.

Citizens of North and South America. TO LOUIS OFFON GOELCKE, M. D. of Germany, Europe, belongs the imperishable honor of adding a NEW and PRECIOUS DOCTRINE to the Science of Medicine—a new doctrine which, though vehemently opposed by the Legislature, (of which he is a valuable member) he proves to be as well founded in truth as any doctrine of Holy Writ—a doctrine, upon the verity of which are suspended the lives of millions of our race, and which he has discovered in his own "Catheter House," even while they imagine themselves secure from its attacks, teaching them that THE GREAT SECRET IN THE ART OF PRESERVING HEALTH IS TO PLUCK OUT THE DISEASE WHILE IT IS THE PULL GROWN EAR.

Goelcke's Matchless Sanative, a medicine of more value to man than the vast mines of Austria, or even the united treasures of our globe—a medicine, which is obtained expertly from the vegetable, mineral and animal kingdoms, and thus possesses a three-fold power—a medicine, which, though designed as a remedy for consumption solely, is possessed of a mysterious influence over many diseases of the human system—a medicine, which begins to act upon the system, while the daily breathing its astonishing cures of many who they had resigned to the grasp of the Insatiable Grave.

IMPORTANT DISCOVERY. THE public are hereby directed to the medicinal discoveries of Dr. HARLICH'S Compound Compound Strengthening Tonic, and German Aperient Pills, which are a Medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Altdorf, Germany, which has been used with unparalleled success throughout Germany. This medicine consists of two kinds, viz: the German Aperient, and the Compound Strengthening Tonic Pills. They are each put up in small packets, and should both be used to effect a permanent cure. Those who are afflicted would do well to make trial of this invaluable medicine, as the never produced sickness or nausea while using. A safe and effectual remedy for

DYSPEPSIA OR INDIGESTION, and all Stomach Complaints, pain in Side, Liver Complaints, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, Sick Headache, Female Disorders, Spasmodic Affections, Rheumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the Blood. The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the Stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is to be understood that these medicines will cure all diseases merely by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that those medicines, taken as recommended by the directions which accompany them, will cure the great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

Ask for Dr. Harlich's Compound Strengthening Tonic, and German Aperient Pills. The Principal Office for the sale of this medicine is at No. 19 North Eighth street, Philadelphia. Also—For sale at the drug store of J. J. MYERS & CO., Carlisle, who are Agents for Cumberland county. Nov. 21, 1839.

LIVER COMPLAINT. This disease is discovered by a fixed obtuse pain and weight in the right side under the short ribs, attended with heat, uneasiness about the pit of the stomach, there is in the right side also a distension—the patient loses his appetite and becomes sick and troubled with vomiting. The tongue becomes rough and black, countenance changes to a pale or citron color, yellow like those afflicted with jaundice—difficulty of breathing, disturbed rest, attended with a dry cough, difficulty of laying on the left side—the body becomes weak, and finally the disease terminates in another of a more serious nature, which in all probability is far beyond the power of human skill. Dr. Harlich's Compound Tonic Strengthening and German Aperient Pills, if taken at the commencement of this disease, will check it, and by continuing the use of the medicine a few weeks a permanent cure will be performed. Thousands can testify to this fact. Certificates of many persons may daily be sent of the efficacy of this invaluable medicine, by applying at the Medical Office, No. 19 North Eighth street, Philadelphia, J. J. MYERS & CO.

WHEAT WANTED. The highest cash price will be paid for Wheat at the Cumberland Mills, at all times, and for flour made at said mill. GEORGE CRIST. August 22, 1839.

IMPORTANT. To Millers & Manufacturers. HOWD'S IMPROVED DIRECT ACTION WATER WHEEL. The public are informed that the subscriber has bought the right of the above water wheel, for the State of Pennsylvania. It is considered by the most experienced millwrights as one of the most important improvements that has ever been introduced. Persons desirous of seeing the wheel, can do so, by calling at the foundry of DAVID COCKLEY, Lancaster. The undersigned certificates have been given as a slight testimonial of its value. They will speak for themselves. All communications addressed to the subscriber in Lancaster, Pa., will be promptly attended to. MICHAEL M'MATH. April 11, 1839.

[Cont.] This is to certify, that I have put in one of Howd's Patent Cast Iron Direct Action Water Wheels, in the place of a Reaction Wheel; that the Direct Wheel will draw the tail race as much by three inches as the reaction wheel, and that I can grind seven bushels with the Direct action wheel an hour, and drive two run of stones, where I could not grind four bushels in the same time with the reaction and drive one run of stones. PETER FAHNESTOCK. Ephrata p. Lan. Co. Oct. 1838.

Alloway, May 5, 1838. This may certify, that I have been engaged in putting in S. B. Howd's cast iron Direct Action Water Wheel, both in the State of New York and in Michigan, and can give as my decided opinion that with 8 feet head or under, rightly put in, it will do more business with the same water than any other water wheel which I have yet had any experience in, and in reference to back water, is second best to anything I have yet tried. In reference to guarding against ice, there can be no better operation, and it is very easy to be kept in repair. STEPHEN ALLES, Millwright.

Alloway, September 3, 1838. This may certify, that we have used one of S. Howd's Patent Water Wheels since December last, by the side of a reaction wheel, and we think that Howd's will do double the business, with the same water, that the reaction wheel will do; we never have had but three feet head, and can grind with that eight bushels per hour, while we are subject to back water. This wheel will do as good business under back water as the reaction, and we recommend it to the attention and patronage of the public. SIMON BURTT. MILES S. LEACH.

LIVER COMPLAINT. Ten years standing, cured by the use of Dr. HARLICH'S Compound Strengthening and German Aperient Pills. Mrs. Boyer was attended by several of the first Physicians, but received but little relief from their medicine—at last, a friend of hers procured a package of Dr. Harlich's Strengthening and German Aperient Pills, which she used, and was induced her to continue with the medicine, which resulted in effecting a permanent cure, beyond the expectations of her friends. For sale by J. J. MYERS & CO., Carlisle.
