Duil on my chest which seemed to be obstructed so that I could not breathe with ease. I got no rest at night, and my constant 'irritation produced a high fever at times. In this alarming state I looked for help, and recollecting your advertise-ment, I sent to your agent for two bottles of Wild Cherry Syrup, and before using the sec-ond bottle, I found my cough had disappeared, and with it all those distressing symptoms. You are at liberty to jublish this, and I most earn-estly recommend your Syrup of Wild Cherry Bark to sufferers with diseases of the lungs, as an effectual remedy.
