Dyspepsia, or Indigestion, Effectually
Cured

Mr. Wm. Tucker; having lately, been restored to a sound state of health, through the efficacy of DR. Hunr's Botanic Pills, thinks, it an indispensible duty to state certain facts relative to the disease under which he had solong suffered. The symptoms were a painful obstruction, with a constant rejection of food, head-ache palpitation of the heart, lowness of spirils, a troublesome dry.cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. Those afflictions, together with an unusual degree of flatusence, brought on suffin state of extreme weakness, and his health appeared lost beyond recovery. His friends and relatives became assumed at the the landiolog prospect, and strongly recommended Hunt's Botanic Pills—they were administered, and in a few days produced astonishing relief and finally dealized a prefect restored.
