COUNTY MEETING.

The Democratic Republicans of Cumberland county are requested to meet at the Court House in the Borough of Carlisle, on Monday evening, the 10th of August next.

An Apprentice.

Wanted at this office immediately. A boy about 13 or 17 years of age, with a tolerable English education, would be preferred.

TO OUR PATRONS.

With this number of the "Volunteer," Mr. Cornman's connection with the establishment ceases, the subscriber having made a purchase of his share—henceforward, the entire control and responsibility in conducting the paper rest with himself exclusively.

June 11, 1840.

We invite attention to the remarks of the Senator from this district, Gen. MILLER, on the bill to incorporate the Lancaster Loan Company.

LIBERTY POLES.—Our democratic friends in Silver Spring erected a very handsome pole, at Hogestown, on Saturday last.

The Democrats of Dickinson also erected a splendid one on the same day at Gardner's Inn, five miles west of this place, which we learn is about 90 feet long.

We invite attention to the remarks of the Hon. James Buchanan, published on the first page, in relation to the Expenditures of the General Government.

The extravagance of the present Administration has been a fruitful theme for federal declamation, and the charge of corruption has been rung in the public ear, both in and out of Congress.

When the Report was received, a motion was made to print for distribution among the people an extra number of copies.

We have been speaking in the above remarks to the peaceable and well-disposed who have heretofore ranked in opposition to the Democratic party.

We say nothing to their leaders. Our appeal is to the "sober second thought" of the honest farmers and mechanics who have heretofore acted in opposition to the republican party from conscientious motives.

It is said that a certain cock-a-doodle-oo Major was the principal backguard concerned in cutting down the Mechanicsburg pole.

It is wondered whether the West Pennsylvania delegation to the Log Cabin procession in April last, have yet paid for painting their cider barrel banners?

Gov. FORT, of Tennessee, has recently written a letter to the Hon. Felix Grundy, in which he expresses a wish to decline being a candidate for the Vice Presidency.

The Independent Treasury Bill is still under discussion in the House of Representatives at Washington. On Saturday last, the Hon. William S. Ramsey spoke at length in favor of the bill.

We learn with great pleasure that our esteemed friend, the Bi-Colored, made a speech at the Hard Cider meeting in South Middleton, on Saturday evening last.

Webster's Sunday Speech Again.—The Trenton "True American" editor had no doubt seen Major Egge's certificate, or he would not have propounded the following queries to the Baltimore Republican:

"Will the Baltimore Republican give the truth about the Federal movements in that city on Sunday? Was there a speech delivered at Barnum's or not, by Daniel Webster?"

"The Republican promptly answers the interrogatories by saying: 'We have already so charged it—we now distinctly repeat it—and with all their disregard of truth, no Whig who was at Barnum's on the Sabbath referred to [the Major we suppose was at church] DARR DENY IT.'

A retrospective glance at the past is generally profitable, and if we were more frequently to meditate upon what has been, it might be useful to us in several respects—in none, however, more than in politics.

One of the Hard Cider blackguards in Hoppelville, we understand, attempted to cut down the Liberty Pole at Newburg a few days ago, but before he succeeded in his nefarious design he was caught by a sturdy democrat and received a drubbing by his pains.

The "MAGICIAN" is the title of a paper which is to be published at Harrisburg by Messrs. Hutter and Cantine, until the Presidential election—the first number to be issued on the 4th of July.

Gen. Harrison's Office.—The Zanesville (Ohio) Aurora has the following: "There is a wooden nutmeg story going the rounds of the feds that Gen. Harrison has resigned the office of Clerk of Hamilton county Court."

"IN THE REAR." "We are where we always have been and always will be."—Federal motto at Baltimore.

After all it is no wonder, says the Old Dominion, that Gen. Harrison never sustained a defeat, as all his history proves that he never fought a battle during his whole career.

Improvement Bill.—The following is the Improvement Bill, as it passed the House of Representatives: To avoid inclined plain at Columbia, \$68,000

To avoid inclined plain at Columbia, \$68,000. North tract Columbia R. R. 100,000. Debts on Steamboating, 24,000.

U. S. Bank to advance \$1,000,000, at 4 per cent. in cash or silver, in accordance with its charter, or else to be declared by the Governor null and void.

The news about the Boundary question, by the latest arrivals, was its discussion in the House of Commons, on the 1st of May.

Gov. FORT, of Tennessee, has recently written a letter to the Hon. Felix Grundy, in which he expresses a wish to decline being a candidate for the Vice Presidency.

The proceedings of political meetings, which we could not avoid publishing, have crowded out several items of interesting news which we had designed for this paper.

LIBERTY POLES appear to be a great eyecore to many of the federalists of the present day. 'This is not to be wondered at.

We are led to make these remarks in consequence of the low, grovelling, and contemptible conduct of some of these men, in cutting down the poles erected by their fellow citizens.

We do hope and trust that our friends will succeed in ferreting out the base cowardly miscreants who have been guilty of these outrages—so that a whip may be put in every honest man's hand.

Such blackguards deserve to be held up in all their malignant and hateful deformity of soul, to the gaze of the world, and if our friends do their part we promise them our aid in exposing the vile wretches.

Another MASSACRE IN FLORIDA.—The Jacksonville (Florida) Advocate, of May 26th, has the following melancholy intelligence:

"The KILLED AND WOUNDED AT NATCHES.—The Natches Courier gives the following report of the recent tomado: 'Killed in Natches, 48; killed on the river, 269—117. Wounded in the city, 74; wounded on boats, 35—109.'

Bishop SOULE has been appointed delegate to the Conference of the English Wesleyan Connection, to be held in 1843, by the General Conference of the Methodist Episcopal Church recently in session at Baltimore.

The bill for incorporating the Lancaster Loan Company, has passed both branches of the Legislature, in Baltimore, \$4 50 from wagons.

We are indebted to A. S. McKinney, Esq. for the following letter, dated HARRISBURG, June 8, 1840.

Messrs. Sanderson & Cornman: GENTLEMEN.—Contrary to my wishes and expectations, we are still in session, and from the necessity of some delay for several days to come.

"IN THE REAR." "We are where we always have been and always will be."—Federal motto at Baltimore.

After all it is no wonder, says the Old Dominion, that Gen. Harrison never sustained a defeat, as all his history proves that he never fought a battle during his whole career.

time previous, as it was generally thought intoxicated. Our informant states, that it was heart rendering to witness the tears and distress of the mother and four children.
