This sometimes urged that the Rheumatism cannot be cured by external applications.—
This may be true sometimes, but it is also certainly true that this dirtressing complaint cannot be cured by internal remedies, except by their long and constantuse, by which perhaps, at the same time the system becomes generally deranged, debilitated and destroyed. Even were not this the case how shall the great distress of the sufferer be alleviated while such slow and doubtful remedies have their effect. The answer is plain, candid and most true—use Dr. Hewe's Nerve and Bone Liniment. No name could be more appropriate. It reaches and soothes the nerves; and allays pains most effectually on its first application, and by a few applications removes more effectually and speedily.
