CAMOMILE PILITS. *A severe case of Piles cured at 100 Chat-ham street.* - Mr. Dan'l Spinning of Shrewsbury, Eden Town, New Jersey, was severely afflicted with Piles for more than 20 years. Had had re-course to medicines of almost every description, also the advice of several emminent Physicians, but never found the slightest relief from any source whatsoever, until he called on Dr. Evans, of 100 Chatham street, N. Y., and procured some medicine from him, from which he found immediate relief, and subsequently a perfect cure.

Myspensia, or Inargestion, Effectually Mr. Wn. Tucker, having lately been restor-ed to a sound state of health, through thelefficacy of Dr. HUNT'S BOTANIC PILLS, thinks it an in-dispensible duty to state certain facts relative to the disease under which he had so long suffered. The symptoms were a painful obstruction, with a constant rejection of food, head-ache paipita-tion of the heart, lowness of spirits, a trouble some dry could, dizziness, tightness at the chest 2 a constant rejection of lood, head ache paipita-tion of the licert, lowness of spirits, a trouble-some dry cough, dizziness, tightness at the chest I and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflic-tions, together, with an unusual degree of flatu-lence, brought on such a state of extreme weak-ness, as to prevent him from attending to lis bu-siness, and his health appeared lost beyond re-covery. His friends and relatives became a-lsymed at the melancholy prospect, and strongly recommended Hunt's Botanic Pills-they were administered, and in a few days produced aston-ishing relief, and finally realized a perfect resto-ration to sound health. *Beware of Counterfeits*. 17 Caution, -Be particular in purchasing to see that the label of this medicing contains a no-tice of its entry according to act of Congress.
