THURSDAY, AUGUST 27, 1849.

FOR PRESIDENT, MARTIN VAN BUREN. FOR VICE PRESIDENT.

RICHARD M. JOHNSON.

Messie. William M. MATEER, LEWI HVER, ABRAHAM LAMBERTON and GEO. MATHEWS have authorised us to announce that they decline heing any longer considered candidates for the Sheriff's office-and also, that they will yield their hearty and zealous support to Mr. REED, the regularly nominated candidate of the Democratic party.

The Democrate of South Middleton intend raising a Liberty Pole, at Brechbill's tavern, on Sa-"turday next, at 3 o'clock, P. M. They invite their friends in Carlisle and the neighboring townships, to lead them a helping hand.

The County Convention which assembled or Tuesday last was full and entire-every borough and township being represented by stern and unflinching republicans. The ticket was formed after the most mature deliberation, and in a spirit of compromise, and is such a one generally as must -recommend itself to every democrat in the county -being composed of honest and intelligent demo

verats, who, it is to be, presumed will faithfully perform the duties of the several offices to which they are nominated. With regard to the nomination for Sheriff, the

only difficulty the Convention labored under was. how to make a choice out of so many worthy and respectable candidates. Either of the gentlemen vhose names were before the Convention for that high office, would have been acceptable to the people-but still a selection was necessary. The Convention have named the individual, and it now behooves every good democrat to lend his aid in securing his election.

We shall speak of the different candidates on the ticket more in detail in our next."
