Mr. WM. MORRISON, of Schuylkill Sixth street, Philadelphia, afflicted for several years with the above distressing disease. My attack was that of a common cold, while began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave not always with the same beneficial effects. If others would use this medicine at the commence mert of their colds and contact, they would pretits character, and much more obstinate in the cure.
