

# To the Polls! To the Polls!!

**DEMOCRATS** of Cumberland county, are you prepared for the battle on Tuesday next? Bear in mind that next Tuesday, the 13th of October, is the day of the General Election. Let nothing, save sickness or death, keep you away from the Polls. Your Federal Blue-Light Abolition opponents will be out to a man. You must do the same. Let it not be said after the election, that our majority might have been much larger, had all our friends turned out. Go and hunt up our democratic friends. Visit them in their houses and work-shops, and urge them by all that is dear and sacred to Freemen to turn out to the Polls. The crisis demands your active exertions. Nothing short of an overwhelming majority against them, will satisfy our opponents that the Freemen of old mother Cumberland are too intelligent to be humbugged by Log Cabins, Hard Cider, Coon-Skins and Shin-Bones. To ensure a triumphant majority, let every Democrat vote on Tuesday—and let him, before he deposits his vote in the ballot box,

## EXAMINE HIS TICKET.

The enemy will no doubt, as is their usual custom, have hundreds and thousands of spurious tickets afloat—and some of them may be headed "Democratic Ticket," and have the names of some of the Democratic candidates upon them, in order to deceive the unwary. Be not deceived thereby. Examine your ticket carefully, and see that it has the names of all the Democratic candidates upon it, and that those names are properly spelled. Remember that the genuine Democratic Republican ticket, is—For

Congress,

**WILLIAM S. RAMSEY.**

Assembly,

**JOHN ZIMMERMAN,  
A. SMITH M'KINNEY.**

Sheriff,

**JAMES REED.**

Commissioner,

**MICHAEL MISHLER,**

Auditor,

**SAMUEL WILLIAMS.**

Director of the Poor,

**BENJAMIN PEPPER.**

Coroner,

**CHARLES BELL.**

Such is your ticket, Democrats! and to the hoarty and vigilant support of which you are called by all that is sacred to Freemen—let all personal prejudices be scattered to the winds of Heaven—and let "the ticket—the whole ticket—and nothing but the ticket" be the watchword from New Cumberland to Shippensburg, & from the North to the South Mountain. Remember, fellow Democrats, that on the result of the General Election, your success at the great contest on the 30th of October very much depends. Once more, then, we urge you to the Polls on Tuesday next.

## Meeting at Parks!

Agreeably to public notice a large and respectable meeting of the Democrats of Newton, Dickinson, and Southampton townships, convened at the public house of W. Parks in Newton township, on Thursday evening the 1st of October, and organized the meeting by appointing the following officers:

**JAMES KELSO, President.**  
**VICE PRESIDENTS,**  
**ANDREW HALTER, ADAM REESE,  
 GEORGE MILLER, JAMES MALONE,  
 JOHN BARNHART.**

**Secretaries:**  
**Christopher Stough, Alexander Johnston.**  
 After the meeting was organized, the following gentlemen were appointed a committee to draft resolutions, viz: William M. Mater, John Moore, Capt. Henry Kyle, Maj. John K. Kelso, Abraham Scavers, John Lynch, Huston Fulton.

The meeting was then ably and eloquently addressed by Col. Jas. Chesnut, and Mr. John Moore, of Dickinson.

The following resolutions were then reported by the committee, and unanimously adopted by the meeting:

Resolved, That we approve of the course pursued by the Hon. JAMES BUCHANAN in the United States Senate, while we express our undiminished confidence in his firmness and integrity as a statesman, and hail him as one of Pennsylvania's favorite sons.

Resolved, That it is with pleasure that we call to mind the merits and services of our excellent Chief-Magistrate, DAVID R. PORTER. Most deservedly he has gained the approbation and applause of his native state for the noble and patriotic manner in which he has guided the helm of Pennsylvania; and which has given us good assurance that he will again be sustained in 1841 by the democracy of Pennsylvania.

Resolved, That we approve of the tickets selected by our county convention, having full confidence in the democratic principles and honesty of the persons nominated thereon, and that we will use all honorable exertions to elect the **WHOLE TICKET** by an overwhelming majority.

Resolved, That we approve of the nomination of the Hon. WILLIAM S. RAMSEY to Congress, believing him to be eminently qualified to fill that station with honor to himself and his constituents, and that we will use all honorable means to secure his election.

Resolved, That we approve of the course pursued by our County Convention in putting in nomination a candidate for the office of Sheriff, and that we will use all honorable means to secure the election of the nominated candidate, JAMES REED, believing him to be competent to fulfill the duties of said office.

Resolved, That the proceedings of this meeting be signed by the officers of the meeting, and published in the American Volunteer.

RICHARD M. JOHNSON, the distinguished veteran and true hero of the Thames, who has so long and faithfully sustained democratic principles and the constitutional doctrine of equality of political rights and privilege, justly entitle him to the continued confidence and support of the American people, for reelection to the Vice Presidency. The deep scars he bears upon his wounded body, inflicted in battle by the savage enemies of his country, fully attest his courage and gallantry, and are the best certificates to establish a character for bravery and patriotism.

Resolved, That we heartily approve of the course pursued by the Hon. JAMES BUCHANAN in the United States Senate, while we express our undiminished confidence in his firmness and integrity as a statesman, and hail him as one of Pennsylvania's favorite sons.

Resolved, That it is with pleasure that we call to mind the merits and services of our excellent Chief-Magistrate, DAVID R. PORTER. Most deservedly he has gained the approbation and applause of his native state for the noble and patriotic manner in which he has guided the helm of Pennsylvania; and which has given us good assurance that he will again be sustained in 1841 by the democracy of Pennsylvania.

Resolved, That we approve of the tickets selected by our county convention, having full confidence in the democratic principles and honesty of the persons nominated thereon, and that we will use all honorable exertions to elect the **WHOLE TICKET** by an overwhelming majority.

Resolved, That we approve of the nomination of the Hon. WILLIAM S. RAMSEY to Congress, believing him to be eminently qualified to fill that station with honor to himself and his constituents, and that we will use all honorable means to secure his election.

Resolved, That we approve of the course pursued by our County Convention in putting in nomination a candidate for the office of Sheriff, and that we will use all honorable means to secure the election of the nominated candidate, JAMES REED, believing him to be competent to fulfill the duties of said office.

Resolved, That the proceedings of this meeting be signed by the officers of the meeting, and published in the American Volunteer.

(Signed by the officers.)

## North Middleton in Motion!

A very large and highly respectable meeting of the Democratic citizens of that sterling Democratic township was held at Mr. CORNMAN'S, on Friday evening last. The meeting was organized by the appointment of the following officers, viz:

**DAVID WILLIAMS, President.**  
**VICE PRESIDENTS,**  
**DAVID SPAHR, SAMUEL FISHER,  
 J. C. CULVER, DR. R. HAINES,  
 BENJAMIN KUTZ,  
 Secretaries.**

**Samuel Williams, David Wolf.**  
 On motion the following gentlemen were appointed a committee to prepare resolutions, viz:

David Cornman, Esq., Samuel S. Fulton, George Brindle, Robert C. Harris, Amos Wedley.

The committee having retired, the meeting was addressed by Mr. Geo. Sanderson, and others.

The following resolutions were then reported by the committee, read, and unanimously adopted:

Resolved, That we have unlimited confidence in Martin Van Buren and Richard M. Johnson, and that we will cheerfully lend our aid in re-electing them to the stations they now fill with such distinguished ability.

Resolved, That our Senators in Congress, JAMES BUCHANAN and DANIEL STURGEON, and our immediate Representative, WILLIAM S. RAMSEY, deserve the thanks of every Democrat in Pennsylvania, for the faithful and able manner in which they have discharged the high trusts committed to their care.

Resolved, That as democrats who are actuated by principle, it shall never be said that old North Middleton will desert the glorious cause of the people, because her claims upon the party were not sufficiently respected in the last County Convention.

"Principles not men" is our watchword, and in accordance therewith we hereby pledge ourselves to yield a hearty support to the whole ticket at the election on Tuesday week.

Resolved, That we hereby pledge our old republican township for 150 majority at the ensuing elections; and if this is any consolation to the Hard-Cider Coon-Skin Shin-Bone Federal Abolition party, they are welcome to it.

Resolved, That the following persons be a committee of vigilance:  
 David Williams, John Culver, J. Feranbaugh, George Stephens, jr., John Brannon, George Brindle, David Cornman, Esq., Dr. R. Haines, R. C. Harris, Samuel Fisher, Capt. A. Lambertson, Jas. Elliott, Abraham Waggoner, Esq., David Wolf, John Myers, Pares-Howard, John Wetsell, Christian Keinar, Moses Wetsell, Isaac Smith, Geo. Wise, Esq., Dr. Asa Smith.

Resolved, That these proceedings be published in the American Volunteer.

## Democratic Borough Meeting.

Pursuant to previous notice, a meeting of the Democratic Republicans was held at the public house of Capt. W. Cornman, on Saturday evening the 3d inst. On motion GEO. MATHEWS, was appointed President, ISAAC TIDD, Esq., and GEO. BENTLEY, Vice Presidents, and Ephraim Corman & John Main, Secretaries. On motion Messrs. John Thompson, John W. Hendel, George Heckman, Samuel Egolf, and Henry A. Doty, were appointed a committee to draft resolutions expressive of the sense of the meeting. After a short absence, during which the meeting was addressed by one or two present, the committee reported the following which were unanimously adopted, viz:

Resolved, That we look upon the present contest as fraught with the most important bearing for good or for evil, of any contest that ever has taken place in this country—and that we consider it our bounden duty to exert all our powers to ensure the success of democratic principles at the coming elections.

Resolved, That Coon-Skins and Shin Bones and Hard Cider, may be all well enough in their proper places—but they are not such arguments as should be offered to a free and intelligent people to induce them to vote for a candidate for the Presidency whose principles, if he has any, are shrouded in mystery.

Resolved, That in Martin Van Buren and Richard M. Johnson, we recognize old and well tried Democrats, who are not ashamed to avow their principles before the world—and therefore, because their principles accord with our own, we shall yield them a hearty and zealous support for the two highest offices in the gift of a free people.

Resolved, That the ticket formed by the Democratic County Convention shall receive our willing support, from the highest to the lowest office thereon—believing that the nominees thereon are genuine democrats who will faithfully carry out the wishes of the people who elect them.

Resolved, That we hereby pledge ourselves to give "a long pull, a strong pull, and a pull altogether"—for "**THE TICKET—THE WHOLE TICKET—AND NOTHING BUT THE TICKET**".

Resolved, That we will hold an adjourned meeting at CORNMAN'S on Tuesday evening next, and that the following persons be appointed a committee to report the names of twenty-five persons from each ward, as a Committee of Vigilance, at said meeting, viz:

**North West Ward.** North East, John W. Hendel, John Keeny, John R. Kernan, Jacob Wolf, Maj. R. Lambertson, Lemuel Todd.

**South West.** South East, Samuel Crall, Maj. J. Rehlar, Wm. Atkinson, John Underwood, Jason W. Eby, Capt. W. Moutly.

Resolved, That these proceedings be published in the American Volunteer.  
**GEO. MATHEWS, Pres.**  
**ISAAC TIDD, V. Pres.**  
**GEORGE BENTLEY, Secy.**

**Florida.**  
 The Governor of Florida has issued a proclamation, in which it is stated that circumstances attending the recent disaster at Indian Key, induces a belief that white persons and negroes were leagued with the Indians in their detestable warfare against the people of Florida; and a reward therefore of \$200 is offered for the apprehension and de-

## The Right of Suffrage!

The great feature in Martin Van Buren's career is his devoted friendship for the right of universal suffrage! First among the Republicans, elected to the New York Convention to amend the Constitution of that State, was Mr. Van Buren. By the first Constitution of New York no person could vote for Governor, Lieutenant Governor, or Senators, except the owner of an unincumbered freehold in two hundred and fifty dollars, and no person could vote for Representatives except the owner of an unincumbered freehold in fifty dollars. By Mr. Van Buren's efforts in the New York Convention to amend the Constitution, in 1821, these odious enactments were abolished; and every citizen who had paid taxes or had done labor on the highway was entitled to a vote! The barrier which had been erected by British Whiggery against the poor man, which shut him out from the enjoyments of his rights as a freeman, was shattered to pieces, and trampled under foot, by Mr. Van Buren!

**IN FORCIBLE CONTRAST WITH THIS IS THE FRIENDSHIP OF WM. HENRY HARRISON FOR THE ALIEN LAW**—by which no foreigner could vote until he had resided fourteen years in the country! But go further, and you are still more impressed with the radical difference between the party in favor of Van Buren and the party in favor of Harrison. In 1829 there assembled in Virginia, a Convention for the purpose of amending the Constitution of the State. First and most conspicuous among the British Whigs were Benjamin Watkins Leigh and John Tyler, the present candidate for Vice President on the Harrison ticket. Mr. Leigh was the leader of the Convention which nominated Harrison, and which met at Harrisburg last December. In the Virginia Convention to which we have just alluded, a resolution was offered by a Democrat, extending the right of suffrage to every citizen qualified by residence, age, and taxation—for, in Virginia, (as in New York, before 1821,) there existed then (as there still exists) a law providing that none but freeholders should vote. The resolution offered, contemplated the removal of this enactment. It was bitterly opposed by B. W. Leigh and John Tyler, the candidate for Vice President on the Harrison ticket. During the debate Leigh said: "Slaves in Virginia fill the place of the day laborers of the North." "Those who depend on their daily labor for subsistence never can enter into political affairs." And when the question came up on the resolution, giving the right of suffrage to the poor man, the yeas were 47, (among them James Madison, the venerated Democrat and former President, now deceased,) and the nays 47, JOHN TYLER, the British Whig candidate for the Vice Presidency, IN THE NEGATIVE! So that, but for the vote of John Tyler, the poor men of Virginia might, at this day, enjoy the right of suffrage, which they do not now! Ponder on this fact, voters; for it is a part of our history.

But, again, recently in the American Senate, a motion was made by a democratic member to abolish the property qualification existing in the district of Columbia, and to give every qualified citizen, (as in Pennsylvania) a right to vote. On this question the Democratic members all voted in the affirmative, and the British Whig Harrison members in the negative! It is not necessary to go any further to prove who is the friend of the poor man.

Among those who voted against this inherent right was John Davis, the vile calumniator of Mr. Buchanan, who tried to create the impression that Mr. B. was the enemy of the poor man. Among those who voted in favor of it, and advocated it, was James Buchanan! Facts speak louder than words.

### SCARCITY OF MONEY.

What is meant by scarcity of money, only that the Banks do not discount. If the phrase any other meaning, or has it that effect. For scarcity of money, is there any other cause? Money is scarce for the simple and palpable reason that the banks will not make it, or will not let the people have it when it is made. Can there be any mystery about this? Why then do dishonest cheats try to make the people believe that Mr. Van Buren, or the Sub Treasury Bill, or some thing pertaining to the administration, has made money scarce? If the nine hundred banks in the country were under the control of the President,—if they were obliged to contract or expand their issues at his bidding, then might the blame be attached to him. But since neither the President nor the Government have any control over these money makers and money lenders, and since they have contracted their issues about thirty millions of dollars within the last year, can there still be any doubt where lies the cause, and where the blame of hard times? We commend the following extracts from Gov. John Davis' message to the Legislature of Massachusetts, in 1834, to the careful reading of the public:

"Fluctuations visit all who have property; and all who work to acquire it, with injury, and compels them to submit to severe sacrifices. What is called a scarcity of money, only means that the banks do not discount. Under a pressure thus occasioned, we have seen (before 1835) good estates dwindle, until their possessors were left bankrupt. We have seen LABORERS THROWN OUT OF EMPLOY, OR THEIR WAGES GREATLY REDUCED; and business either suspended or dragged those engaged in it, toward ruin. We have seen, also, great anxiety and dismay pervade the whole public."

Again:  
 "Believing that under our present system we may be again witness of these scenes of suffering, I cannot relinquish the hope, that your wisdom [a Whig Legislature] will devise some way of giving greater stability to the local currency."

And again:  
 "Experience has long since proved that a METALLIC CURRENCY is least liable to fluctuations; and it is to be hoped the earliest opportunity will be seized to return to it as far as at least as to rectify the present credit

### system of paper currency; and prevent the pernicious fluctuations."

It will be recollected that this same John Davis is now one of the leading whigs of the day—a Senator from Massachusetts. The reader will discover by comparing these extracts, with the present along whanging of the whigs, how easy federalism can change principles or positions, or oppose itself even where it happened to be right, for the sake of deception and party purposes.
