and all Stomach Complaints, pain in Side, Liver Complaints, Loss of Appetite; Flattlency. Palpitation of the Heart, General Debility, Neivous Irritability, Sick Headsche, Female Diseases, Spasmodic Affections, Rheumstism, Asthmas, Consumption, &c. The German Aperience Pille are to cleanse the stomach and purify the Blood. The Tonic or Strengthening Pille are to strengthen and invigarate the nerves and digestive organs and give tone to the Stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only regledy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them, to be efficacious.—

This is the case in all large cities in which they have an extensive sile. It is not to be understood that these medicines will cure all diseases merely by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that those medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.
