ONCE MORE -ANOTHER RALLY AND

ALL IS WELL!!! The recent elections in the noble "Keystone have completely discomfitted the federalists, who sought by an insidious appeal to the baser passions to seduce her unbought and unpurchasable democracy from their political faith. The Keystone is erect; and has withstood the hottest attacks of federalism-backed up by the infamous and outrageous apportionment bill, by which thousands of her cilizens are denied a roice in our representative halls. Nobly and gloriously have the freemen of this proud Commonwealth, hurled back tipon her federal traducers the insulting slander that they "desired'a change," and in the omnipotence of the ballot box, declared themselves NOW AS EVER the friends and supporters of Democracy, the sworn onponents, and uncompromising enemies of Federalisin in whatever garb presented. To our friends through out the State, we say in the fullness of our hearts, REJOICE! REJOICE! Your efforts, worthy of your hitherto exalted character, reflect undimin ished lustre upon you. Once more we say to you, GO TO THE POLLS: Give one more day to your country. LET PURSE PROUD HEART-LESS FEDERALISM TREMBLE ONCE SION AS THE LOUD PEALS OF AMERICAN JOY FALLS UPON THEIR EARS IN YOUR RE-JOICINGS AND YOUR VICTORIES FEL-LOW DEMOCRATS! IN THE NAME OF LIBERTY WE LEAVE YOU TO ENGAGE IN THE CONTEST: this is the last appeal we can make you: this is the last opportunity to co-mingle our gratulations with yours, before the final battle is fought. Shall we rejoice when it is over! Triumphant Democracy answers YES !- Keystone:

Democrats of the Borough, we once more urge you to the Polls on to morrow. Let it not be said after the election that the enemy friumphed over you as they did at the General Election. Be up and doing, then—spend this day and to-morfow in Visiting your friends and acquaintances, and bringing them to the Polls. At the last election some FORTY democratic voters were absent. This turned the scale against us. Let not one he left at hom to-morrow. Let every man be brought out .-Unce more we urge you to the rescue!

there is another thing in the estimate made by that paper which looks a little suspicious. Perhaps, however, it was an oversight: We allude to the fact that Mr. Crabb, in his estimate, entirely overlooked the Democratic vote in Perry, Monroe, Venango, Clarion, Clearfield, Jefferson, Lycoming, Potter, McKean, and several other strong Democratic counting. Had be given the majorities Democratic counties. Had he given the majorities in these counties, a quite different complexion would have been put upon his estimate. It would

Brandreth's Pills.—This medicine is acknowledged-to be one of the most valuable ever discovered, as a purifier of the blood ever discovered, as a purifier of the blood and fluids. It is superior to Sarsaparilla whether as a sudorific or alterative, and stands infinitely, before all the preparations and combinations of Mercary. Its purgative properties are alone of incalculable value; for these pills may be taken daily for any period, and, instead of weakening by the cathartic effect, they add strength by the cathartic effect, they add strength by taking hway the cause of weekness. They have none of the miserable effects of that deadly specific Mercury. The teeth are not injured-the bones and limbs are not paralysed-no; but instead of these distressing symptoms, new life and consequent animation is evident in every movement of the body:

Brandreth's Pills are indeed a universal remedy; because they cleanse and purify the blood: Five years this medicine has been before the public in the United States: wherever it has been introduced, it has superseded all other remedies;
