The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and disgestive organs and give tone to the Stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended, and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be effectious.— This is the case in all large cities in which they show them to be understood that these medicines will cure all diseases merely by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that these medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

magistrate of Southwark:

Messrs. Vaughan & Peterson—During several weeks I suffered a partial paralysis of the right arm and of the third and fourth fingers of the right hand, which sensibly affected the whole power of the latter; writing became to me a difficult task which I could not execute but with greatly diminished legibility. The use of half a bottle of your Liniment gave entire relief, and I cheerfully bear this testimony to its efficacy.

SHORT FACTS.

TO THE AFFLICTED. I is sometimes urged that the Rheumatism I is sometimes urged that the Rhaumatism cannot be cured by external applications.—
In may be true sometimes; but it is also certainly true that this dirtressing complaint cannot be cured by internal remedies, except by their long and constant use, by which perhaps, at the same time the system becomes gererally deranged, debilitated and destroyed. Even were not this the case how shall the great distress of the sufferer be alleviated while such slow and deubtful remedies have their effect? The answer is plain, candid and most true—use Dr. Hewe's Nerve and Bone Liniment. No name could be more appropriate. It reacles and soothes the nerves; and allays pains most effectually on its first application, and by a few applications removes more effectually and speed-ily Rheumatic pains than any internal or exter-nal remedy was ever known to do. Try it and be convinced. For sale by STEVENSON & DINKLE,

R. SWAYNE: Respected Friend:—From the very beneficial effects which I have received from the use of thy Compound Strup of Wild Cherry Bark, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave me all rost instant relief. I have used it frequently, at dalways with the same beneficial effects. If others would use this needicine at the commence others would use this medicine at the commence arert of their colds and coughs, they would pre-vent a disease which would be more alarming t its character, and much more obtainste in the ELWOOD L.
