#### CARLISLE:

THURSDAY, FEBRUARY 4, 1841.

FOR GOVERNOR IN 1841,

DAVID R. PORTER.

Subject to the decision of a State Convention

THE COUNTY CONVENTION.

This body assembled in the Court House or Tuesday last, and contained a full representation from nearly every borough and township in the county. It was composed of "good men and true," who were doubtless selected on account of their experience and standing in the Democratic party, and whose acts will be warmly approved of by the people generally. The Delegates selected to the State Convention are among the best men in the county: they are staunch and unflinching republicans, in whose hands the interests of the Democracy will be safe. The Convention unanimously recommended Gov. PORTER for re-nomination, and instructed the delegates accordingly. The proer coluinn, to which we invite public attention.

Mr. B. is emphatically the poor man's friend, and he will be sustained by that class of the community, notwithstanding the vile abuse and infamous misrepresentitions of John Davis and his federal associates during the late Presidential campaign.
