SHORT FACTS TO THE AFFLICTED.
It is sometimes urged that the Rheumatism cannot be cured by external applications.— This may be true sometimes, but it is also certainly true that this distressing complaint cannot be cured by internal remedies, except by their long and constant use, by which, perhaps, at the same time the system becomes generally deranged, debilitated and destroyed. Even were not this the case how could the great success of the sufferer alluded to in the following slow and doubtful remedial, we their effect? The answer is plain, cannot and must not—use
Dr. Howe's Nerve and Bone Liniment.
It reaches and soothes the nerves, and allays pains most effectually on its first application, and by a few applications removes more effectually and speedily Rheumatic pains than any internal or external remedy was ever known to do. Try it and be convinced.

DR. SWAYNE'S Respected Friend!—From the very beneficial effects which I have received from the use of thy Compound Syrup of Wild Cherry Bark, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave me instant relief. I have used it frequently, and always with the same beneficial effect. If others would use this medicine at the commencement of their colds and coughs, they would prevent a disease which would be more alarming in its character, and much more difficult to cure.

Dyspepsia and Hypochondriacism.
Cured by Dr. Harlich's celebrated Medicine.
Mr. WM. MORRISON, of Schuylkill Sixth street, Philadelphia, afflicted for several years with the above distressing disease—Sickness at the stomach, headache, palpitation of the heart, impaired appetite, acid eructations, coldness and weakness of the extremities, general debility, disturbed rest, a pressure and weight at the stomach after eating, severe flying pains in the chest, back and sides, costiveness, a dislike for society or conversation, languor and lassitude upon the least occasion. Mr. Morrison had applied to the most eminent physicians who considered it beyond the power of human skill to restore him to health; however, as his afflictions had reduced him to a deplorable condition, having been induced by a friend of his to try Dr. Harlich's Medicine, as they being highly recommended, by which he procured two packages for trial; before using the second package, he found himself greatly relieved, and by continuing the use of them the disease entirely disappeared—he is now enjoying all the blessings of perfect health.

IMPORTANT DISCOVERY.
The public are hereby directed to the medical advertisements of Dr. HARLICH'S celebrated Compound Strengthening Tonic, and German Aperient Pills, which are a Medicine of great value to the afflicted, discovered by Dr. Harlich, a celebrated physician at Alford, Germany, which has been used with unparalleled success throughout Germany. This Medicine consists of two kinds, viz: the German Aperient and the Compound Strengthening Tonic Pills. They are each put up in small packages, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable Medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for
DYSPEPSIA OR INDIGESTION,
and all stomach complaints (pain in Side, Liver Complaint, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, Sick Headache, Female Diseases, Spasmodic Affections, Ricumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the blood. The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the stomach, as all diseases originate from impurities of the blood, and disordered stomach. This mode of treating diseases is pursued by all prudent Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood;—this they will not do; but the daily proofs asserting that these medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.
Ask for Dr. Harlich's Compound Strengthening Tonic, and German Aperient Pills.
