DR. SWAYNE'S Respected Friend!—From the very beneficial effects which I have received from the use of the Compound Syrup of Wild Cherry Barks, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave me almost instant relief. I have used it frequently, and always with the same beneficial effects. If others would use this medicine at the commencement of their colds and coughs, they would prevent a disease which would be more alarming in its character, and much more obdurate in the cure.

After using two bottles of Doctor Swayne's Compound Syrup of Prunus Virginiana or Wild Cherry, she found herself relieved, and by the time she had used the third bottle, she found herself entirely cured of the aforesaid disease, which she has since confirmed by various persons. IMPORTANT DISCOVERY.
THE public are hereby directed to the medicinal advertisements of Dr. H. HARLICH'S celebrated Compound Strengthening Tonic, and German Aperient Pills, which are a Medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Altdorf, Germany, which has been used with unquestioned success throughout Germany. This Medicine consists of two kinds, viz: the German Aperient, and the Compound Strengthening Tonic Pills. They are each put up in small packets, and should both be used to effect a permanent cure. These pills are not only a relief in all the symptoms of the above diseases, as they never produce sickness or nausea while using. A safe and effectual remedy for
DYSPEPSIA OR INDIGESTION,
and all Stomach Complaints, pain in Side, Liver Complaints, Loss of Appetite, Flatulency, Spitting of Blood, General Debility, Nervous Irritability, Sick Headache, Female Diseases, Spasmodic Affections, Rheumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the Blood. The Tonic or Strengthening Pills are to strengthen and invigorate the debilitated and give tone to the Stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of these diseases, in which they know them to be efficacious. This is the case in all the cases in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs assuring that they are a safe and effectual remedy for the above diseases which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.
Ask for Dr. Harlich's Compound Strengthening Tonic, and German Aperient Pills.

RHEUMATISM OF THE HEAD.
Numerous cures in all the above mentioned cases may be observed of the proprietors. The following statement of a remarkable cure of partial paralysis of a limb is from William L. Norton, Esq. a well known and respectable magistrate of Southwark.
"Messrs. Vaughan & Peterson—During several weeks I suffered a partial paralysis of the right arm and of the third and fourth fingers of the right hand, which sensibly affected the whole power of the latter writing became to me a difficult task which I could not execute but with great diminished legibility. The use of half a bottle of your Liniment gave entire relief, and I cheerfully bear this testimony to its efficacy.

SHORT FACTS.
TO THE AFFLICTED.
It is sometimes urged that the Rheumatism cannot be cured by external applications. This may be true sometimes; but it is also certainly true that this distressing complaint cannot be cured by internal remedies, except by their long and constant use, by which perhaps, at the same time the system becomes generally deranged, debilitated and destroyed. In the case of the sufferer be alleviated while such slow and doubtful remedies, & use their effect! The answer is plain, candid, and true—use
DR. HOWE'S Nerve and Bone Liniment.
No name could be more appropriate. It reaches and soothes the nerves; and always most effectually on its first application, and by a few applications removes more effectually and speedily Rheumatic pains than any internal or external remedy was ever known to do. Try it and be convinced.
