

DR. SWAYNE: Respected Friends—From the very beneficial effects which I have received from the use of the Compound Syrup of Wild Cherry Bark, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say, almost instant relief. I have used it frequently, and always with the same beneficial effects. If others would use this medicine at the commencement of their colds and coughs, they would prevent a disease which would be more alarming in its character, and much more obstinate in the cure.

Dyspepsia and Hypocondriacism.
Cured by Dr. Harlich's celebrated medicine.
Mr. W. M. MORRISON, of Schuylkill Sixth street, Philadelphia, afflicted for several years with the above distressing diseases. Sick at the stomach, headache, palpitation of the heart, impaired appetite, acrid eructations, coldness and weakness of the extremities, emaciation & general debility, disturbed rest, a pressure and weight at the stomach after eating, severe flying pains in the chest and back sides, costiveness, a dislike for society or conversation, languor and lassitude upon the least occasion. Mr. Morrison had applied to the most eminent physicians, who considered it beyond the power of human skill to restore him to health; however, as his afflictions had reduced him to a deplorable condition, having been induced by a friend of his to try Dr. Harlich's Medicines, as they being highly recommended, by which he procured two packages for trial, before using the second package, he found himself greatly relieved, and by continuing the use of them the disease entirely disappeared—he is now enjoying all the blessings of perfect health.

DYSPEPSIA OR INDIGESTION,
and all Stomach Complaints; pain in Side, Liver Complaints, Loss of Appetite, Flatulency, palpitation of the Heart, General Debility, Nervous Irritability, Sick Headache, Female Diseases, Spasmodic Affections, Rheumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the Blood. The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the Stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. Corns.
The American Corn Plaster stands unrivalled in the long list of remedies for the cure of corns. All that is required is a partial paralysis of the right arm and of the third and fourth fingers of the right hand, which sensibly affected the whole power of the latter; writing became to me a difficult task which I could not execute but with great difficulty and legibility. The use of half a bottle of your Liniment gave entire relief, and I cheerfully bear this testimony to its efficacy. For sale by STEVENSON & DINKLE.

SHORT FACTS. TO THE AFFLICTED.
It is sometimes urged that the Rheumatism cannot be cured by external applications.—This may be true sometimes, but it is also certainly true that this distressing complaint can be cured by internal remedies, except by their long and constant use, by which perhaps, at the same time the system becomes generally deranged, debilitated and destroyed. Even were not this the case how shall the great distress of the sufferer be alleviated while such slow and doubtful remedies leave their effect? The answer is plain, candid, and most true—use Dr. Howe's Nerve and Bone Liniment. Its reach is soothed the nerves; and allays pains most effectually on its first application, and by a few applications removes more effectually and speedily Rheumatic pains than any internal or external remedy was ever known to do. Try it and be convinced. For sale by STEVENSON & DINKLE.
