IMPORTANT DISCOVERY.

THE public are hereby directed to the medicinal preparations of Dr. HARTLICH'S celebrated Compound Strengthening Tonic, which are a Medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Altdorf, Germany, which has been used with unparalleled success throughout Germany. This Medicine consists of two kinds, viz: The German Aperient, and the Compound Strengthening Tonic Pills. They are each put up in small packets, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable Medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for:

DYSPEPSIA OR INDIGESTION, and all Stomach Complaints, pain in Side, Liver Complaints, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, Sick Headache, Female Diseases, Spasmodic Affections, Rheumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the Blood. The Tonic or Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the Stomach, and cleanse the system from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these Medicines will cure all diseases merely by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that those Medicines, taken as recommended by the directions accompanying them will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

Ask for Dr. Harlich's Compound Strengthening Tonic, at German Aperient Pills. Principal Office for the sale of this medicine is at No. 19 North Eighth street, Philadelphia. Also—For sale at the drug store of J. J. MYERS & CO., Carlisle, who are Agents for Cumberland county. Nov. 21, 1839.

SHORT FACTS. TO THE AFFLICTED. IT is sometimes urged that the Rheumatism cannot be cured by external applications. This may be true sometimes, but it is also certain that the disease, if neglected, cannot be cured by internal remedies, except by long and constant use, by which perhaps the system is deranged, debilitated and destroyed. Even when not this the case, the Rheumatism, if the progress of the sufferer be alleviated while such slow and doubtful remedies are tried, the answer is plain, cannot it be true—use Dr. Howe's Nerve and Bone Liment. No name could be more appropriate. It reaches and soothes the nerves; and allays pains most effectually on its first application, and by a few applications cures more effectually and speedily Rheumatic pains than any internal or external remedy was ever known to do. Try it and be convinced. For sale by STEVENSON & DINKLE, Carlisle, Jan. 16, 1840.

ATTEND TO YOUR COUGH. REV. DR. BARTHOLOMEW'S Pink Expectoant Syrup. An agreeable cough and effective remedy for coughs, colds, hoarseness, pains in the breast, influenza, hard breathing, and difficult expectoration. However incredible it may appear, Doctor Bartholomew's Pink Expectoant Syrup has never been known to fail in affording relief in the above cases. Many certificates have been received attesting its virtues. The public are respectfully invited to make a trial of the article when its value will be fully attested. For sale by STEVENSON & DINKLE, January 16, 1840.

D. R. SWAYNE, Respected Friend:—From the very beneficial effects which I have received from the use of thy Compound Syrup of Wild Cherry Bark, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave me almost instant relief. I have used it frequently, and always with the same beneficial effects. If others would use this medicine at the commencement of their colds and coughs, they would prevent a disease which would be more alarming in its character, and much more obstinate in the cure. Elwood L. Pusey, N. W. corner of Arch & Fifth sts, Philadelphia, month, 23, 1839. The above medicine is for sale by J. J. Myers Co., Carlisle.

Dyspepsia and Hypochondriacism. Cured by Dr. Harlich's celebrated Medicines. Mr. W. MORRISON, of Schuylkill Sixth street, Philadelphia, afflicted for several years with the above distressing disease—Sickness at the stomach, headache, palpitation of the heart, impaired appetite, acid eructations, coldness and weakness of the extremities, emaciation, & general debility, disturbed rest, a pressure and weight at the stomach, severe and distressing pains in the chest, back and sides, costiveness, a dislike for society or conversation, languor and lassitude upon the least occasion. Mr. Morrison had applied to the most eminent physicians, and considered it beyond the power of human skill to restore him to health; however, as his afflictions had reduced him to a deplorable condition, having been induced by a friend of his to try Dr. Harlich's Medicines, as they being highly recommended, by which he procured a permanent cure. He found himself greatly relieved, and by continuing the use of them the disease entirely disappeared—he is now enjoying all the blessings of perfect health. For sale by J. J. MYERS & CO.
