DISPEPSIA AND HYPOCONDRIASIS.
Cured by Dr. Harlich's celebrated Medicines.
Mr. W. MORRISON, of Schuylkill sixth street, Philadelphia, afflicted for several years with the above distressing disease—Sickness at the stomach, headache, palpitation of the heart, impaired appetite, acrid eructations, coldness and weakness of the extremities, emaciation & general debility; disturbed rest, a pressure and weight at the stomach after eating, severe flying pains in the chest, bad and oppressive costiveness, a dislike for society or conversation, languor and lassitude upon the least occasion. Mr. Morrison had applied to the most eminent physicians, who considered it beyond the power of human skill to restore him to health; however, as his afflictions had reduced him to a deplorable condition, having been induced by a friend of his to try Dr. Harlich's Medicines, as they being highly recommended, by which he procured two packages for trial, before using the second package, he found himself greatly relieved, and by continuing the use of the same, the disease entirely disappeared—he is now enjoying all the blessings of perfect health.

DR. SWAYNE'S Respected Friend—From the very beneficial effects which I have received from the use of thy Compound Syrup of Wild Cherry Bark, I am fully willing to testify to the astonishing effect. My attack was that of a common cold, which began to threaten something of a more serious nature. Being recommended to use the above Syrup, I finally gave it a trial, and am happy to say it gave me almost instant relief. I have used it frequently, and always with the same beneficial effects. If others would use this medicine, they would prevent a disease which would be more alarming to its character, and much more obstinate in the cure.

IMPORTANT DISCOVERY.
The public are hereby directed to the medicinal advertisements of Dr. HARLICH'S celebrated Compound Strengthening Tonic, and German Aperient Pills, which are a Medicine of great value to the afflicted, discovered by O. P. Harlich, a celebrated physician at Alton, Germany, which has been successful in curing all diseases such as Dyspepsia, Indigestion, Liver Complaints, Loss of Appetite, Flatulency, Palpitation of the Heart, General Debility, Nervous Irritability, Sick Headache, Female Diseases, Spasmodic Affections, Rheumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the Blood. The Compound Strengthening Pills are to strengthen and invigorate the nerves and digestive organs and give tone to the stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, whose experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in their daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know their own strength. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood—this they will do; but they certainly will, and sufficient authority of daily proof, asserting that these medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.
Ask for Dr. Harlich's Compound Strengthening Tonic, and German Aperient Pills.
Principal Office for the sale of this medicine is at No. 19 North Eighth street, Philadelphia.

NEWS TO THE AFFLICTED!
YEAGER & ALBRIGHT'S
Celebrated Botanical Health and Life Preserver.

This Medicine, although known for many years as 'Yeager's Medicine,' has never been offered to the public for sale, until of late the proprietors have been prevailed upon to offer it to the benefit of those who are laboring under the diseases here enumerated, viz:
Cancer, Ulcers of the Throat and Body, Liver Complaint, Spitting of Blood, Whooping Cough, Rheumatic affections in the head and body, Colic of long standing, attended with severe pain in the breast, Consumption—in many cases when the patient has been abandoned by the physician and pronounced incurable case, this medicine has had the most wonderful effect.

The proprietors are fully aware of the numerous medicines that are already offered to the public for the above diseases, many of which have not the slightest effect of performing at any time a cure—but the numerous testimonials which have of late been given to them by some of the most respectable citizens, there can no longer be any doubt as regards the medicine which they now offer and would say to those afflicted—give it but a trial—adhere to its directions—and we will warrant a permanent cure.
Directions for using it will be found accompanying each bottle.

Resurrection or Persian Pills.
Judge not lest ye be judged—keep on hand something for a wet day—be prepared for sickness in case it should come—be ready to stop it before it gets too deep a hold—use the Persian Pills in season, and thousands, yet tens of thousands might be saved from long and lingering fits of sickness by using the Vegetable Persian Pills freely. No injury can ensue from using the Persian Pills to youth or old age. Take them according to the directions, and you will be warranted to see the cure. Try them before you judge—don't stand still and say there is no cure for me, but be up and doing while the day lasts. They will cure all curable diseases if taken according to directions. Physicians can no longer hold back—those that are honest, and have seen their effects, now recommend them and use them in their practice. We feel thankful that an all-wise Providence has seen fit to bring to light an all-prevailing remedy that will cure almost every disease in our country. Do not condemn them until you have used them and give them a fair trial, and we are certain you will not only use them yourself, but recommend them to your friends and the public generally.

JEW DAVIDS
Or Hebrew Plaster.
Read this before you stop, then do not stop there, but send and get a box of the JEW DAVIDS' OR HEBREW PLASTER, if you want to keep pain and weakness far from you—ask the person who has used it and he will tell you that he has been cured of the rheumatism and several other direful diseases that had drawn him all up in a heap, and had drawn his joints all out of place, and was compelled to confine himself to his house, and he will tell you that it cured him, and that he is now free from all chronic diseases, or when aching pain or weakness exists, we will warrant a cure. It will restore the health and strength to the parts affected. The wonderful cures effected by the application of this plaster are too numerous to detail, where you will find you will hear nothing but that Mr. Such-and-one, or Mr. So-and-so was restored to the healthy use of their limbs by the application of this plaster—or that they are glad that Mr. Such-and-one has not about again, really say they, this plaster must be a good plaster or it would not have cured so bad a case as that—or you will hear some person that has been gone from home some time exclaim when he returns at finding a person on his feet who he never expected to see again. How is this, I see, if about— I thought his case incurable—well every body thought so too, but he has used the Jew David's or Hebrew Plaster, and got well—and so it is performing cures all over the whole country where it is used.
