NEWS TO THE AFFLICTED! YEAGER & ALBRIGHT'S Celebrated Botanical Health and Life Pre-

. server. This Medicine, although known for many years as "Yenger's Medicine," has never been offered to the public for sale, until of late the proprietors have been prevailed upon to offer it for the benefit of thuse who are laboring under the

diseases here enumerated.viz: Cancer, Ulcers of the Throat and Body, Liver Complaint, Spitting of Blood, Whooping Cough, Rheumatic affections in the head and body, Colds of long standing, attended with severe pain in the breast. Consumption—in many cases when the patient has been abandoned by the physician and pronounced an incurable case, this medicine has had the most wonderful effect. The proprietors are fully aware of the numer-

ous medicines that are already offered to the public for the above diseases, many of which have not the slightest effect of performing at any time a cure—but the numerous testimonials which have of late been given to them by some of the most respectable citizens, there can no longer be any doubt as regards the medicine which they now offer and would say to those afflicted—give it but a trial—adhere to its directions—and we

will warrant a permanent cure.

Directions for using it will be found accompanying each bottle.
