Carlisle, Pa. Thursday August 5, 1841.

New Series--Vol. 6, No. 8.

DR. S. L. STEWART.

I hereby certify, that I was afflicted for eight years with a severe nervous disease, attended with a constant pain in the breast, side and stomach,

during the time my strength rapidly increased, my countenance and palid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public at large of the great virtues of Dr. HARLICH'S MEDICINE. The properties of the properties of the great virtues of Dr. HARLICH'S MEDICINE. opinions on the subject—nay, more—in some at others may procure it, and be likewise cured, I am well known in this city; any person wishing

see me, can call at my residence.

Proposed Amendment to the Constitution:

"Resolution Relative to the Amendment of of the State Constitution.

"Resolved by the Senate and House of Representatives in General Assembly met, That the Constitution of this Commonwealth be amended in the third section of the second article, so that is shall read as follows: it shall read as follows:

"That the Governor shall hold his office du-

ing three years, from the third Tuesday of January, next ensuing his election, and shall not be capable of holding it longer than a SINGLE TREM OF TREE YEARS, in any term of nine

WM. A. CRABB. Speaker of the House of Rep. JN. H. EWING, Speaker of the Senate.

Penneylvania, 88.

Next it is said that General Harrison of the Constitution, which was agreed to at the last session of the Legislature, by a majority of the members elected to each house, the original of which remains filed in this office; and in compliance with the tenth article of the Constitution of the Commonwealth, I do hereby cause the same to be published, as directed by the said.

"Next it is said that General Harrison favors a Bank of the United States. The charge is false. His opinions, on the conficulty under the control of the Convention itself, acter of all our institutions. Never, never, the resident, their number has been reducted to each house, the original of which remains filed in this office; and in compliance with the tenth article of the Constitution of the Commonwealth, I do hereby cause the same to be published, as directed by the said.

"Next it is said that General Harrison favors a Bank of the United States. The charge is false. His opinion—and if it would have been in direct opposition to the expression of public opinion—and if it would have been in direct opposition to the constitutions. Never, never, the resident, their number has been reducted to each house, the original acter of all our institutions. Never, never, the President, their number has been reducted to the Constitutions. There is no jupower to create a Bank from that of the President, their number has been reducted to the President, their number has been reducted to the Constitutions. There is no jupower to create a Bank from the existence of all our institutions. Never, never, the President, their number has been reducted to the President, their number has been reducted to the Constitution and the President, their number has been reducted to the President, their number has been reducted to the President, their number has been reducted to the Constitution and the President, the existence of the President, the existence of the Constitution and the President, the existence of the Constitutions. The existence of the Constitutions and the Pr

Secretary of the Commonwealth. CARLISLE SPRINGS.

THE proprietor respectfully informs the pub-lic in general, that he is now ready to ac-commodute a large number of boarders and vicommodate a large number of boarders and visitors. The Springs are situated 44 milesporth of Carlisle, and 24 miles south of Sterrett's Gap, on the road leading from Carlisle to Bloomfield in Perry Co., in a fine, healthy and ramantic place. The Conodoguinct creek and North Mountain, which are each about two miles distant, will afford amusement to such visitors as are fond of angling and gunning. In addition to the most ample accommodations, there is also an extensive bathing establishment, both warm an extensive bathing establishment, both warm

A CAMP MEETING

Prethren in Christ, on the land of John-

The United By And Individual Control of Carlisle. The branches faught are, Reading, Writing, Arithmetic, Book Keeping, English, Grammar, Geography, History, and the Elements of Algebra. The year cancy will occur on or before the 1st of September 1988.

SECRETARY'S OFFICE. S
I do hereby certify that the foregoing is a true copy of a Resolution proposing an amendment

Mr. GRAHAM. At a meeting of the citi

zens at Granville. Mr. Calhoun assented to this, and said that a hundred thousand copies of the speech

D. CORNMAN.

is a matter of small importance. We then have the solemn declaration of a man of high modation of visitors.

July 1, 1841.

Brethren in Christ, on the land of Johnathan Neidig; 2 miles east of Carlisle, to commence on the 2d of September. No Hucksters
will be permitted to come within the limits prescribed by law.

JOHN FOHL, P. E.

July 15, 1841.

To the best of my knowledgestne question
was never publicly discussed any where in
my own State by the Whig party throughout the late canvass. They would have
committed political suicide had they made

They, accordingly, instructed their Senators to vote for the repeal of the Independent

opinions on the subject—nay, more—in some States of the Union they professed that hos-

Mr. Calhoun. It will show for itself.

Keeping, Eoglish Grammar, Geography, Hiller, tory, and the Elements of Algebra. The vecancy will occur on or before the 1st of September next.

The only question, then, would be it is fiscal places here and gravely contend that this pose of facilitating the commerce, encourage, in the language of the late Unity Justice of the Board. In this he service were and gravely contend that the specific of the Lord Justice of the Board of School Directors.

JUST received some very fine BRAD, HERRING and CHEESE, at the store of the Board of School Directors.

May 10, 1841.

Job work nearly executed at this office.

Job work nearly executed at this exercise for the form of the country. Was and the large and next the store of the bank and the President exercise the property of the board. In this decided by the country, the executed their serior, it is location, but the d

at your hands. Public opinion is wholly and he is asked, "do you possess the power unprepared for it. And yet, at this liot sear son of the year, when we ought to be all at home, here we are confined in the Capitol, whilst the friends of the Bank are straining whilst the friends of the Bank are straining when the question is brought home to me as a local to the part of against a local to when the question is prought to vote for or against a al grounds: and unless I am greatly mis-informed, a distinguished gentleman of North
Carolina, (Mr. Badger,) now a member of
the Cabinet, in an address before the Whig
convention of that State, indignantly pronounced the assertion that General Harrison
was in favor of such a Bank, to be a falsewas in favor of such a Bank, to be a false-hood. This speech was, I understand, printed and circulated all over North Carolina. I have not seen it myself, but I have not seen it myself, but I have not seen it myself, but I have and they will never quietly submit to these decisions, like all other human things, are modified and changed by the experience or some other clause? An ingenious man of the controversy immediately before the ty. If you can inter this power from the all men in the world, the moneyed aristoctory in the controversy immediately before the ty. If you can inter this power from the all men in the world, the moneyed aristoctory and as a general rule, they govern all simple power of taxation in the Constitution, racy are the most anxious to propitiate the future cases of the same character; but even these decisions, like all other human things, are modified and changed by the experience. There are no persons before whom are modified and changed by the experience. There are no persons before whom are modified and changed by the experience. There are no persons before whom are modified and changed by the experience. There have Ina. I have not seen it myself; but I have received my information from an undoubted source.

Mr. Graham said the speech was not made before the Whig convention, but at a public meeting in that State.

Mr. Buohanan. Then the gentleman admeeting in that State.

Mr. Buchanan. Then the gentleman adoption of this bill by Congress will be the mits that the speech was made. Where it was made is of little consequence.

Mr. Calhoun. I have the speech of Mr. Badger in my hand, and shall read the following extract from it:

"Next it is said that General Harrison favors a Bank of the United States. The

> istence, and at length fall beneath the strong | 8 arm of public opinion. Now, sir, whatever may be said in regard to the

a constant pain in the breast, side and storach, loss of appetite, no rest at night, sickness and dizerous constant pain in the storach after eather the confident hope that a minimum to be storach after eather the confident hope that a minimum to be storach after eather the confident hope that a minimum to be storach after eather the confident hope that a minimum to be storach after eather the confident hope that a minimum to be storach after eather the confident hope that a minimum to be storach after eather the confident hope that a minimum to be subject have been urged for the purpose of proving, not that this question ought to be but that this question ought to be but that this section of a National Bank of the United States, and that they are more more directors of this Bank. Congress, under the confident hope that a minimum to business. Such men will never leave their claimed for any human tribunal; an infallibility which would convert freemen into about that this question ought to be but that they are subject have been urged for the purpose of proving, not that this question ought to be but that they are subject have been urged for the purpose of proving, not that this question ought to be but that they are subject have been urged for the purpose of proving, not that this question ought to be but that they are subject have been urged for the purpose of proving, not that this question ought to be but that they are subject have been urged for the purpose of proving, not that this question ought to be but that they are subject have been urged for the purpose of proving, not that their favor. Now if the creation of a National Bank is such an infallibility which would have the creation of a National Bank is such an infallibility which would convert freemen into about their favor. Now if the creation of a National Bank is an infallibility which would have the purpose of the first part for the purpose of the first part for any human tribunal; an infallibility which would have the purpose of the first part for a Tat tengen gave up all hopes of recovery, and & through the consideration with work in Eighth street, when his bowve family, discovering my, miscrable-situation, immediately recommended Dr. HARLICH'S COM-POUND STRENGTHENING GERMAN A-PERIENT PILLS, which they procured for me, I used them, and continued for about three months and where before countering and palls contenting the many strength rapidly increased, my countenance and palls cheek returned to their given the result in the months of the proposition. Since I have fully recov-mended to the results from the passage of the bill at the present of the conjecture. Was the question of a part of the conjecture of the old charters, it may be considered to the results from the passage of the bill at the present of the conjecture of the old charters, it may be considered to the results from the passage of the bill at the present of the conjecture of the old charters, it may be considered to the recommendation of the Presidential election? Was the consequences which may flow that they procured for me, and continue and constitutions to consider mortal and the prospection of the presidential election? Was the consequences which may flow the conscience of such a measure of the present bill, is of a National Bank. Unlowed the present bill, is of a National Bank. The would be well for gentlem who are really the riceaus of such a Bank, to consider mortal the present bill, is of a National Bank. The would be well for gentlem who are really the riceaus of such a Bank. The proposition of a settled bout the present bill, is of a National Bank. The present bill is of a National Ban

states of the Union they processed that hos-tility to a Bank of the United States was one of the cardinal principles of their party. The Whig convention of Virginia, in their address to the people, expressly declare that the consequences should the bill become a Canaral Hagrison was opposed to a National to the people of the consequences should the bill become a Canaral Hagrison was opposed to a National to the people of the consequences and opposed to a national to the people of the consequences and opposed to a national to the people of the consequences and opposed to a national to the people of the consequences and opposed to a national to the people of the peop The Whig convention of Virginia, in their address to the people, expressly declare that the consequences should the bill become a law before our adjournment? Why, sir, that he was against it on constitution-from every hill and valley throughout the constitutional lawyers; but if, after all, they failed to convince me that the law was constitutional convince me that the law was convenient. stitutional, I should be guilty of perjury be-

fore high Heaven if I voted in its favor. I respect judicial decisions as much as any I respect judicial decisions as much as any break down all the barriers erected by our of their conversation, and politicians, not senter and state authori-philosophers will be their companions. Of
