

PETERS' PILLS

THESE unrivalled pills having now acquired a celebrity and a popularity unequalled in the annals of medicine, and also having obtained the entire confidence and being used in the private practice of almost the whole body of the medical faculty in the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advertise them at length, or to say anything further of their merits, than by stating the complaints to which they are most effective in the cure of, and which are as follows:—Yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart-burn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhoea, flatulence, habitual costiveness, loss of appetite, bloated or sallow complexion, and in all cases of torpor of the bowels, where a cathartic or an aperient is needed. They are exceedingly useful in their operation, producing neither nausea, griping nor debility.

Extract of a letter from Dr. P. of Quebec, L. C.

"For bilious fevers, sick headaches, torpidity of the bowels, and enlargement of the spleen, Dr. Peters' Pills are an excellent medicine."

Extract of a letter from Dr. Gurney, of New Orleans, La.

"I have received much assistance in my practice—especially in jaundice and yellow fever—from the use of Peters' Pills. I presume, that on an average, I prescribe a hundred boxes a month."

Extract of a letter from Dr. Reynolds, of Galveston, Texas.

"They are certainly an excellent general family medicine, and there is no quackery about them."

Extract of a letter from Dr. Wainor, of Philadelphia.

"Your pills are the mildest in their operations, and yet most powerful in their effects, of any that I have ever met with in a practice of eight and twenty years. Their action on the chylo and hence on the impurities of the blood, is evidently surprising."

VALUABLE MEDICAL PREPARATIONS

are calculated to produce more real good than can possibly result from any other medicine, and are recommended to cure all, and every disease, as is generally boasted of other preparations, (which the ignorant must be aware cannot be, as different diseases require different medicines,) but each preparation of a kind, is adapted to the nature of the disease, and adapted to different classes of diseases. They do not contain Mercury, or the minerals which are combined with most, if not all, other preparations in use. See recommendations, with directions. Price \$1 00 a bottle.

Dr. Leidy's Blood Pills,

A Component part of which is Sarsaparilla.—A comment upon the virtues of this Pills is unnecessary. NEW DAVID'S

Or Hebrew Plaster.

Read this before you stop, then do not stop there, but send and get a box of the NEW DAVID'S or HEBREW PLASTER, if you want to keep pain and sickness from your person who has used it and he will tell you that he has been cured of the rheumatism and several other direful diseases that had drawn him all up in a heap, and had drawn his joints all out of place, and he was compelled to confine himself to his house, and he will tell you that it cured him, and that he is now well, will cure all chronic diseases, or where stated pain or weakness exists we will warrant a cure. It will restore the habit and vigor of the system, and give new strength to the system. The wonderful cures effected by the application of this plaster are the encouraging subjects of the day, go where you will and you will hear of the same. It is a discovery, or Mr. Stevenson was restored to the health of his limbs by the application of this plaster—or that they are glad that Mr. Stevenson has got about again—really say this plaster must be a good plaster—or it would not have cured so bad a case as that—or you will hear some more of the above business in some time explain when he returns at finding a person on his feet who he never expected to see again, why, how is this, I see he is about—I thought his case incurable—well every body thought so too, but he has used the Jew David's Hebrew Plaster, and got well—and so it is performing cures all over the whole country where it is used.
