CHARLES BARNITZ, JOHN A. PEFFER, August 12, 1841.

At a Stated Orphan's Court,
Held at Carlisle on Tuesday the 11th of May 1841, in and for Cumberland county, the following proceedings were had to wit:

Upon the petition of George Harlan, administrator of Stephen Harlan, dec'd., representing that John McCollum late of Southampton township, in said county dec'd., seized in fee simple of a tract of land situate in said township, leaving issue nine children, after whose death, William and Archibald McCollum, two of his sons, conveyed their interest in said land, (it being two undivided ninths,) to Barnabas Thrush after wards, to wit: on the 9th May 1830, and that Thrush mortgaged the land to Robert McBride and the said McCollum's, and that George Harlan, Hugh Greenfield, administrators of Jno. McCollum dec'd., to secure the payment of \$200 to be paid in three equal annual payments, commencing on the 11th April 1830, which mortgage was assigned by the said mortgagee to the said resid Stephen Harlan, dec'd., the 9th May 1836.

The real estate of the aforesaid John McCollum, dec'd., after said mortgage was given, was sold and appraised on a writ of partition and solution issued out of the Orphan's Court of Cumberland county, and on the 11th of September 1839, confirmed to George Hoch, alienee of some of the heirs aforesaid John McCollum, dec'd., and the Court directed the said George Hoch to enter into recognizance for the payment of the shares of the aforesaid William & Archibald McCollum, upon which the aforesaid mortgage was a lien, into the Orphan's Court of said county, agreeably to the provisions of the act of Assembly. And the said George Hoch, in compliance with the said recognizance, did pay and discharge of his said recognizance, did pay to the Orphan's Court on the 14th April 1840, \$425 & 62, and on the 13th July 1841 the further sum of \$205 92, making in all \$631 54, which sum, said petitioner alleges he is entitled to receive in payment and discharge of the aforesaid mortgage so as aforesaid assigned to Stephen Harlan, and prayed the court to order and decree the payment of the same to the said petitioner as administrator of the said Stephen Harlan, dec'd.

Thereupon the Court, on the 11th May 1841, did grant a rule on the parties interested to appear at an Orphan's Court to be held at Carlisle, on Tuesday the 31st day of August next to show cause why the sum of \$631 54 deposited in the Carlisle Bank to the credit of the Orphan's Court of Cumberland county, should not be paid to George Harlan, administrator of Stephen Harlan, dec'd.

It is therefore hereby given by me, in pursuance of the aforesaid Rule of Court, to all persons interested to appear at the time & place above mentioned and show cause, if any they have, why the aforesaid sum of \$631 54 should not be paid to the aforesaid George Harlan, administrator of Stephen Harlan, dec'd., agreeably to the prayer of the aforesaid petitioner.

PAUL MARTIN, Sheriff.

PETERS' PILLS.
THESE unrivalled pills having now acquired a celebrity and a popularity unequalled in the annals of medicine, and also having obtained the entire confidence and being used in the private practice of almost all the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advert to their merits, but by stating the complaints which they are most effective in the cure of, and which are as follows:—Yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart-burn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhoea, flatulence, habitual costiveness, loss of appetite bloated or sallow complexion, and in all cases of torpor of the bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.

Extract of a letter from Dr. Pyle, of Quebec, L. C.
"For bilious fevers, sick headaches, torpidity of the bowels, and enlargement of the spleen, Dr. Peters' Pills are an excellent medicine."

Extract of a letter from Dr. Garney, of New Orleans, La.
"I have received much assistance in my practice—especially in jaundice and yellow fever—from the use of Peters' Pills. I presume, that on an average, I prescribe a hundred boxes a month."

Extract of a letter from Dr. Reynolds, of Galveston, Texas.
"They are certainly an excellent general family medicine, and there is no quackery about them."

Extract of a letter from Dr. Waines, of Philadelphia.
"Your pills are the mildest in their operations, and yet most powerful in their effects, of any that I have ever met with in a practice of eight and twenty years. Their action on the chyle and hence on the impurities of the blood, is evidently surprising."

IMPORTANT TO THE AFFLICTED.
SHERMAN'S COUGH LOZENGES are fast superseding the use of all other remedies for Coughs, Colds, Asthma, Croup, Hooping Cough and Consumption.

They are not only the best but the cheapest that is required in any case, and all ordinary cases are cured in a few days.

Sherman's Lozenges. We do not know any handier mode of taking medicine than in the shape of the lozenge. It is so small, so neat, so pleasant, and so pleasant, that the most fastidious taste cannot reject it. We are glad to perceive that all kinds of medicines are now prepared in this palatable way by Dr. Sherman, and may be obtained at the depot in this city—[Philadelphia, Times.]

Dr. Sherman's Cough Lozenges; they cure so soon and are so pleasant that it is almost a pleasure to be sick, to be thus agreeably dosed. [N. Y. Sun.]

Shir J. Perkins, Mr. Burton, of Providence, Mr. Shaler, of Boston, Mr. Rivers, Mr. Combs, Mr. Wallace, Judge Peters, Mrs. Coleman, Mrs. Richardson, and hundreds of others of this city, have called to express their surprise and commendation of the speedy relief and cure effected by these truly wonderful Cough Lozenges.

Doctors Smith, Vandenberg, Conestock, Harris, Brigham and several others of our most distinguished physicians, have used these Lozenges in their practice with invariable success. The medical faculty uniformly approve of them, as the best cough medicine in use.

SHERMAN'S WORM LOZENGES. Are the greatest discovery ever made for dispelling the various kinds of worms, that so frequently and distressingly annoy both children and adults. They are an infallible remedy and so pleasant to the taste that children will take them as readily as a common peppermint Lozenge.

Rev. Dr. Ludlow has used them for two years, and always with entire success. Daily complaints are made by persons who have been galled out of their dollars by humbug advertisements, but who have found a cure in Sherman's Lozenges. Remember, you are not required to buy several dollars worth of these Lozenges to test their virtues. A few shillings worth will cure you.

The Rev. Jabez Townsend's little girl, nine years old, was given up as incurable by two physicians. She was fast wasting away, and was so miserable that death was almost looked for to relieve. Three doses of Sherman's Worm Lozenges entirely cured her. Dr. Stevens, one of the most distinguished physicians in this country, says, Sherman's Worm Lozenges are the safest and best article he knows of for destroying worms.

Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice. Dr. Castle, 237 Broadway, N. Y. has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail. Price 25 and 37 1/2 cents per box.

NEWS TO THE AFFLICTED!
YEAGER & ALBRIGHT'S
Celebrated Botanical Health and Life Preservative.

This Medicine, although known for many years as 'Yeager's Medicine,' has never been offered to the public for sale, until late the proprietors have been prevailed upon to offer it for the benefit of those who are laboring under the diseases here enumerated.

Cancer, Ulcers of the Throat and Body, Liver Complaint, Spitting of Blood, Whooping Cough, Rheumatic affections in the head and body, Colic of long standing, attended with severe pain in the breast, Consumption—in many cases where the patient has been abandoned by the physician and pronounced an incurable case, this medicine has had the most wonderful effect.

The proprietors are fully aware of the numerous medicines that are already offered to the public for the above diseases, many of which have not the slightest effect of performing at any time a cure—but the numerous testimonials which have of late been given to them by some of the most respectable citizens, there can no longer be any doubt as regards the medicine which they now offer and would say to those afflicted—give it but a trial—adhere to its directions—and we will warrant a permanent cure.

Directions for using it will be found accompanying each bottle.
Purchase them at the Drug Store of Myers & Haverstick. Price \$1 per bottle.

VALUABLE MEDICAL PREPARATIONS
are calculated to produce more real good than can possibly result from the use of any others, for several reasons—they are not recommended for every disease, as generally is the case with other preparations, (which the most ignorant must be aware cannot be, as different diseases require different medicines,) but each adapted to different classes of diseases. They do not contain Mercury, or the minerals which are combined with most, if not all, other preparations in use. They are perfectly safe and pleasant to take, containing nothing offensive or deleterious, but being composed of vegetable Extracts—may be employed by young and old, in all cases, without restraint from occupation, temperate or moderate living. They are the preparations of a Regular Dispensary, in the City of Philadelphia, attended by the most distinguished Physicians of the United States, among whom are, Dr. P. S. Physic, Dr. N. Chapman, Dr. W. Gibson, Dr. S. Jackson, Dr. W. E. Horner, Dr. W. P. Dewees, Dr. T. C. James, Dr. J. Reimann, Dr. H. H. Deane, Dr. J. C. Deane, Dr. J. L. Bidde, Esq., and numerous others.

They have been employed in innumerable instances, with the most unexampled success, as thousands can testify, among whom are the principal members of the State Legislature, many of the Clergy, &c. &c. (See certificates and recommendations, accompanying the directions with each Medicine.)

Dr. Leidy's Medicated Extract of Sarsaparilla.
The strongest preparation of Sarsaparilla in existence. One Hundred Dollars will be forfeited for a preparation equal to it. One Bottle (half a pint) is equal to six pints of the strongest Sarsaparilla in use. It is the only true and genuine Syrup of Sarsaparilla in the market, and is unexampled in its efficacy. It is only necessary for persons using it to be sure of getting a good preparation of it. See recommendations, with directions. Price \$1 00 a bottle.

Dr. Leidy's Blood Pills,
A Comment part of which is Sarsaparilla—A Comment upon the virtues of these Pills is unnecessary. The purgative should be careful to procure the Genuine, and in purchasing Blood Pills, to be particular and ask for Dr. Leidy's Blood Pills, as imitations manufacture Pills in their own names, calling them Blood Pills, also thinking by such tricking to sell their pills, on the reputation of the Original only true and genuine Blood Pills of Dr. Leidy—upwards of one hundred gross of which have been sold during the past month.

Dr. Leidy's Blood Pills may be used as a gentle, or active purgative, possessing properties not contained in other pills—that of Purifying the Blood and Animal Fluids at the same time removing from the Stomach and Bowels, all noxious, or injurious substances, which produce disease, and without debilitating, or counteracting the system, as do other medicines of the kind. Price 25 cents a box.

Dr. Deichter's Pulmonary Preservative,
For Coughs, Colds, Asthma, Catarrhs, Influenza, Diseases of the Throat, Spitting of Blood, and every disease of approaching CONSUMPTION.

Throughout Germany this preparation is used more than any other for Coughs, Colds, &c. &c. and is there so well known, that they call it the 'Life Preserver.' See directions.

Thousands in this city, and throughout the United States, owe their present existence to the good effects of this medicine. Numerous certificates have been published from time to time—further comment is unnecessary. See directions. Price 50 cents a bottle.

Dr. Leidy's Tetter & Itch Ointment,
AN infallible remedy for various affections of the Skin, removing Pimples, Pustules, and Eruptions of the Skin, and particularly adapted to the cure of Tetter and the Itch.

This ointment has been used in numerous schools throughout the city and county, as well as other Affections of the Skin, prevailed, with the most unexampled success. Names of School Teachers, as well as Superintendants and Proprietors of Factories, could be given, commencing their names published in connection with such laudable and disagreeable affections. Price 25 cents a box.

Dr. Leidy's Rheumatic Liniment,
A truly efficacious application for Rheumatism, Bruises, Sprains, Stiffness and Weakness of the Joints, Numbness of the Muscles, and Limbs; Pains along the Back, Spine, Sides, and across the Loins.

Many highly commendatory certificates from physicians and others, have been frequently published of its efficacy. See directions. Price 37 1/2 cents a bottle, or three bottles for one dollar.
