en, at last, the only unerfing physician, was pleased to check its baneful influence." Belkinap, in his history of New Hamp-shire, states that in that province not less than one thousand persons died of the dis-

Commercial of Wednesday says :--- "Cannon on the latter. Fire arms were used on both sides, and have been placed on the fort at Governor's soveral persons (white and black) were killed and Island, and the other fortifications of our harbor have either been placed in a condi-tion of efficiency; or operations to that end Several of the offenders are now in prison, and others are in progress. All this is well: Though are bound over to await their trial. Great excitement we are no believers in war or invasion; it is prevails in the city. well enough, if we have fortifications, to keep them armeil at least, if not manned."

of the 13th of August. In consequence of a quarrel that had taken place the evening previous between several white citizens and some of the blacks, the former assembled in great numbers, and made an attack wounded. The disturbance was at length quelled by

MARING PREFARATIONS .- The Journal of Commerce keep them armeil at least, if not manned." PENNSYLVANTA STATE DEBT.—The funds are already prepared at the State Treasury in Harrisburg to pay the interest on the State debt, due in February next. This is important for the relation of the last legislature extensive works a better state of defence. At Canso, at the entrance of the gut of Canso, preparations are making for the repair of the forts. At Louisburg the old French forts are to be, repaired, and also a new one is to be built, and at Halifax five hundred persons are employed to put all the forts in a suitable state for defence. The state of the gut of the forts. At Louisburg the old French forts are to be, repaired, and also a new one is to be built, and at Halifax five hundred persons are employed to put all the forts in a suitable state for defence. The state of feeling in the province, with regard to the def-tention of MeLcod in this country, is very, great and very loyal. If he is contement, the government may see fit to adopt. On the other hand if he is re-teased they are ready to insist on an indemnity for his important tribes on the other side of the Mis-inges of different tribes on the other side of the Mislearns by a gentleman from Halifax, N: S., that under
