McDOWELL'S REASONS.

M'DOWELL, conceiving himself proscribed for his opinions, respectfully asks an examination of them, and he asks it more especially of those who have not forgotten that they are interested in the Book of God, and the world to come. M. B. ROBERTS' VEGETABLE EMBROCATION.

The efficacy of this most valuable Embrocation is attested by thousands who have proved its healing qualities in the cure of the most troublesome diseases to which the horse is liable, such as old or fresh Wounds, Sprains, pains and weakness of the Limbs, Bruises, Swellings, stiffness of the Joints, &c. &c.

Among numerous certificates which might be produced, the following is thought sufficient; it is from I. Reesides, Esq. the great stage owner and mail contractor.

This is to certify that I have used M. B. Roberts' Embrocation for various kinds of Sores, Wounds, & Sprains on horses, and I find it to exceed any other that I have tried.

Dr. Swayne's Syrup of Wild Cherry.

CINCINNATTI, February 15, 1840.

Dr. SWAYNE—Dear Sir:—Permit me to take the liberty of writing to you at this time to express my approbation, and to recommend to the attention of heads of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choaking of Phlegm, Asthmatic attacks, &c. &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an only child, whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating mother, "my child is saved from the jaws of death! O how I feared the relentless ravager! But my child is safe! is safe!"

Beyond doubt Dr Swaynes Wild Cherry Syrup is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it an obstinate attack of Bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and always beneficial—worth double and often ten times its price. The public are assured there is no quackery about it.

OF ALL PREPARATIONS FOR THE CURE OF CORNS, it can soon be found that WHEELERS PINE EXTRACT is the best, upon trial. It relieves the pain and cures the corn in from two to four days. Mr. J. Beyon, of Frederick, Md., writes that he has been afflicted with corns for nearly seven years, and used all the preparations for his cure offered during that time without being cured. He noticed the advertisements and obtained two boxes of the Pine Extract, intent on giving it a thorough trial; he used half of one box and is entirely cured by it.

PETERS' PILLS.

THESE unrivalled pills having now acquired a celebrity and a popularity unequalled in the annals of medicine, and also having obtained the entire confidence and being used in the private practice of almost the whole body of the medical faculty in the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advertise them at length, or to say anything further of their merits, than by stating the complaints which they are most effective in the cure of, and which are as follows:—Yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart-burn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhœa, flatulence, habitual costiveness, loss of appetite blotched or sallow complexion, and in all cases of torpor of the bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.

Extract of a letter from Dr. Pye, of Quebec, L. C.

"For bilious fevers, sick headaches, torpidity of the bowels, and enlargement of the spleen, Dr. Peters' Pills are an excellent medicine."

Extract of a letter from Dr. Gurney, of New Orleans, La.

"I have received much assistance in my practice—especially in jaundice and yellow fever—from the use of Peters' Pills. I presume, that on an average, I prescribe a hundred boxes a month."

Extract of a letter foom Dr. Reynolds, of Galveston, Texas.

"They are certainly an excellent general family medicine, and there is no quackery about them."

Extract of a letter from Dr. Waines, of Philadelphia.

"Your pills are the mildest in their operations, and yet most powerful in their effects, of any that I have ever met with in a practice of eight and twenty years. Their action on the chyle and hence on the impurities of the blood, is evidently surprising."

IMPORTANT TO THE AFFLICTED.

SHERMAN'S COUGH LOZENGES are fast superseding the use of all other remedies for Coughs, Colds, Asthma, Croup, Hooping Cough and Consumption.

They are not only the best but the cheapest medicine in use. Six cents worth a day is all that is required in any case, and all ordinary cases are cured in one or two days.

Sherman's Lozenges.—We don't know any handier mode of taking medicine than in the shape of the lozenge. It is so small, so neat, so handy, and withal so pleasant, that the most fastidious taste cannot reject it. We are glad to perceive that all kinds of medicines are now prepared in this palatable way by Dr. Sherman, and may be obtained at the depot in this city.—[Philada. Times.]

We know of no better cough medicine than Dr. Sherman's Cough Lozenges; they cure so soon and are so pleasant that it is almost a pleasure to be sick; to be thus agreeably dosed.—[N. Y. Sun.]

Sheriff Perkins, Mr. Burton, of Providence, Mr. Shaler, of Boston, Mr. Rivers, Mr. Combs, Mr. Wallace, Judge Peters, Mrs. Coleman, Mrs Richardson, and hundreds of others of this city, have called to express their surprise and commendation of the speedy relief and cures effected by these truly wonderful Cough Lozenges.

Doctors Smith, Vandenburgh, Comstock, Harris, Brigham and several others of our most distinguished physicians, have used these Lozenges in their practice with invariable success. The medical faculty uniformly approve of them, as he best cough medicine in use.

SHERMAN'S WORM LOZENGES,

Are the greatest discovery ever made for dispelling the various kinds of worms, that so frequently and distressingly annoy both children and adults. They are an infallible remedy and so pleasant to the taste that children will take them as readily as a common peppermint Lozenge.

Rev. Dr. Ludlow has used them for two years, and always with entire success. Daily complaints are made by persons who have been gulled out of their dollars by humbug advertisers, but who have found a cure in Sherman's Lozenges. Remember, you are not required to buy several dollars worth of these Lozenges to test their virtues. A few shillings worth will cure you.

The Rev. Jabez Townsend's little girl, nine years old, was given up as incurable by two physicians. She was fast wasting away, and was so miserable that death was alone looked to for relief. Three doses of Sherman's Worm Lozenges entirely cured her. Dr. Stevens, one of the most distinguished physicians in this country, says, Sherman's Worm Lozenges are the safest and best article he knows of for destroying worms.

Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice.

Dr. Castle, 297 Broadway, N. Y. has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail.

Price 25 and 37½ cents per box.

E. ROBINSON & CO.,

HAVE located in Carlisle for the purpose of manufacturing and selling *Hathaway's Patent Hot Air Cooking Stoves*, and being aware that the people in this place and vicinity have been much imposed upon by the introduction of new and highly recommended articles which they have been induced to purchase, and which have been so slightly made, and of such bad material, that in a short time they have failed and become useless. We therefore do not intend offering stoves for sale until they are fairly tried in this community and pronounced more durable in their construction, and better adapted to the purposes of boiling, baking and all the varieties of cooking,—also that they are a great saving of fuel as well as labor.

We earnestly invite farmers as well as residents of this place and the neighboring villages, to call on us at S. Wunderlicit's hotel, or notify us by letter (postage unpaid) that they are willing to try our stove, and the stove shall be placed in the kitchen of every person giving us such notice, and taken away after trial, without any expense to persons making the trial.

The stoves will be kept for sale at the Tin Shop of Mr. J. Fridley, and at the Foundry of Messrs. Lay and Stouffer, in Carlisle.

Having contracted for 100 tons of castings, we will in a few days supply stove dealers with all the different sizes, on the most liberal terms.

Eleazer Robinson of Carlisle, is agent for selling the right to make and vend the Hot Air Stoves, and will dispose of counties in this and the adjoining States.

We publish the following recommendations from some of those who are using the stove, to encourage others to try it.

I do certify that I am now using one of Hathaway's Patent Hot Air Cook Stoves, No. 3, and do recommend it as superior to any stove I have seen. The great saving of fuel and the variety that can be cooking at the same time, makes it an object to those who wish to facilitate the operations of the kitchen. J. CULBERTSON.

Chambersburg, September 6, 1841.

I have in use in my kitchen one of Hathaway's Patent Hot Air Cooking Stoves, and can recommend it as a very superior article. The one I have is No. 3, it has 5 boilers and an oven sufficiently large to bake 6 loaves of bread. The baking, roasting and boiling, can be done at the same time and with much less wood than required for any stove I have ever used. This size appears to be peculiarly calculated for Farmers, and for their benefit I invite them to call and see this stove in use, as I shall take pleasure in showing the stove to those who wish to see it. S. WUNDERLICH.

Carlisle, September 12, 1841.

Messrs. E. Robinson & Co.

Gentlemen:—I have fairly tested the "Hot Air Stoves" which you put up at my house and can recommend it as possessing principles of economy and convenience far surpassing any other stoves which I have ever seen. The boilers coming in immediate contact with the fire gives it great facilities for boiling, and the oven is heated on such a principle that bread is baked in as fine a manner as in a brick oven. I find it also a great saving of fuel and labor, and would advise all to adopt it.

M. McCLELLAN.

Carlisle, September 12, 1841.

Messrs. E. Robinson & Co.

Gentlemen.—I have during the few days I have had your Hathaway Hot Air Stove in use become convinced of its great superiority over all other stoves I have used or seen—I find by the trial that boiling, roasting, baking and broiling may all be done at the same time, in a most perfect manner and with less than one fourth the fuel I have ordinarily used for the same purposes. I have heretofore been of the opinion bread could not be well baked in a Cook Stove, but I am convinced upon trial that it can be done as well in your stove as in a brick oven. I believe that the general introduction of your stoves into use will be very beneficial to the public, therefore I shall take pleasure in recommending it to my friends.

VALUABLE MEDICAL PREPARATIONS

are calculated to produce more real good than can possibly result from the use of any others, for several reasons:—They are not recommended to cure all, and every disease, as is generally boasted of other preparations, (which the most ignorant must be aware cannot be, as different diseases require different medicines,) but each of Dr. Leidy's Medicines are recommended and adapted to different classes of diseases. They do not contain Mercury, or the minerals which are combined with most, if not all, other preparations in use. They are perfectly safe and pleasant to take, containing nothing offensive or deleterious, but being composed of Vegetable Extracts—may be employed by young and old, male and female, at all times, and under all circumstances, without restraint from occupation, temperate or moderate living. They are the preparations of a Regular Druggist, (Dr. Leidy,) also Physician, attested by the most distinguished Physicians of the United States, among whom are, Dr. P. S. Physic, Dr. N. Chapman, Dr. W. Gibson, Dr. S. Jackson, Dr. W. E. Horner, Dr. W. P. Dewees, Dr. T. C. James, Dr. J. Redman Coxe, Dr. R. Hare, &c., &c.; also, by the Rev. W. H. Delancy, Robert Adrain, L. L. D., J. L. Biddle, Esq., and numerous others.—They have been employed in innumerable instances, with the most unexampled success, as thousands can testify, among whom are the principal officers in Washington City, Members of Congress, of the State Legislatures, many of the Clergy, &c. &c. (See certificates and recommendations, accompanying the directions with each Medicine.

Victory!

WHO DOES NOT KNOW OF Dr. Leidy's Blood Pills! a component part of which is Sarsaparilla.

The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment upon their virtues is almost unnecessary. Suffice it to say they possess all the Purgative and Purifying properties that can be combined in the form of Pills. Newspaper Puffing is unnecessary to their success.

Their efficacy, in one case, is a sure introduction and passport of them to a thousand. Five years employment of them throughout the United States, have made them as they deserve to be Victorious! Whilst the Proprietors and Manufacturers of others Pills, have been endeavoring to humbug the public in various ways to introduce their pills, publishing columns of matter and boilstering them up by made, false, lying certificates, and attributing to their pills the powers of effecting every thing, barely excepting the restoration of the dead to life.

Dr. Leidy has allowed his Blood Pills to become known by their effects; thus establishing for them a character that can never be taken from them, and which is proof incontrovertible of their qualities.

Most other pills have gone out of use since their introduction, many have fallen into deserved disrepute, and some are now altogether unknown; still a few hangers-on endeavor to gull the ignorant by plausible (though false) reasoning of the extraordinary powers their pills possess; but the public are fully sensible of such imposition.

Dr. N. B. Leidy is a regular Physician Druggist, attested by Doctors Physick, Chapman, Jackson, Dewees, Horner, Gibson, Coxe, Hare, &c., and well knows the nature of the ingredients contained in his Blood Pills, and knows too their adaptation in all cases where a purgative is required, or for purifying the blood.

There is no risk or danger in employing them; they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the piles—they do not produce irregularity of the bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.

Ample directions, together with recommendations from Physicians and others, accompany each box of pills.

AN infallible remedy for various affections of the Skin, removing Pimples, Pustules, and Eruptions, of the Skin, and particularly adapted to the cure of Tetter and the Itch.

Names of School Teachers, as well as Superintendants and Proprietors of Factories, could be given, confirming the above, but for the delicacy they feel in having their names published in connection with such loathsome and disagreeable affections.
