**Dr. Swayne's Syrup of Wild Cherry.**  
CINCINNATI, February 15, 1840.  
Dr. SWAYNE—Dear Sir—Permit me to take the liberty of writing to you at this time to express my approbation, and to recommend to the attention of heads of families the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choking of Phlegm, Asthmatic attacks, &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating mother, "my child has raved from the jaws of death! O how I feared the relentless ravager! But my child is safe!"  
Beyond doubt Dr. Swayne's Wild Cherry Syrup is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it as an obstinate attack of Croup in a young child, and expect in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and always beneficial—worth double and often ten times its price. The public are assured there is no quackery about it.

**PETERS' PILLS**  
THESE unrivalled pills having now acquired a celebrity, and a popularity unequalled in the annals of medicine, and also having obtained the entire confidence and being used in the private practice of almost the whole body of the medical faculty in the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advertise them at length, or to say anything further of their merits, than by stating the complaints which they are most effective in the cure of, and which are as follows—Yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart-burn, furred tongue, nausea, distensions of the stomach and bowels, indigestion, flatulence, habitual costiveness, loss of appetite, bloated or sallow complexion, and in all cases of torpor of the bowels, where a cathartic or an aperient is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.  
Extract of a letter from Dr. Pye, of Quebec, L. C.  
"For bilious fevers, sick headaches, torpidity of the bowels, and enlargement of the spleen, Dr. Peters' Pills are an excellent medicine."  
Extract of a letter from Dr. Garney, of New Orleans, La.  
"I have received much assistance in my practice—especially in jaundice and yellow fever—from the use of Peters' Pills. I presume, that on an average, I prescribe a hundred boxes a month."  
Extract of a letter from Dr. Reynolds, of Galveston, Texas.  
"They are certainly an excellent general family medicine, and there is no quackery about them."  
Extract of a letter from Dr. Wainwright, of Philadelphia.  
"Your pills are the mildest in their operation, and yet most powerful in their effects, of any that I have ever met with in a practice of eight and twenty years. Their action on the child, and hence on the impurities of the blood, is particularly surprising."

**IMPORTANT TO THE AFFLICTED.**  
**SHERMAN'S COUGH LOZENGES** are fast superseding the use of all other Remedies for Coughs, Colds, Asthma, Croup, Hoarseness, Sore Throat, &c.  
They are not only the best, but also the most efficacious medicine in use. Six cents worth a day is all that is required in any case, and all ordinary cases are cured in one or two days.  
SHERMAN'S COUGH LOZENGES—We do not know any other mode of taking medicine than in the shape of the Lozenge, it is so small, so neat, so handy, and without so unpleasant, that the most fastidious taste cannot reject it. We are glad to perceive that all kinds of medicines are now prepared in this palatable way by Dr. Sherman, and that they are so generally used at the depot in this city—[Philadelphia, Times].  
We know of no better cough medicine than Dr. Sherman's Cough Lozenges; they cure so soon and are so pleasant that it is almost a pleasure to see a sick, to be thus agreeably doctored.  
[N. Y. Sun].  
Sheriff Putkins, Mr. Burton, of Providence, Mr. Singer, of Boston, Mr. Rivers, Mr. Combs, Mr. Wallace, Judge Peters, Mrs. Coleman, Mrs. Richardson, and hundreds of others of this city, have all testified their surprise and commendation of the specific relief and cures effected by these truly wonderful Cough Lozenges.  
Doctors Smith, Vandewater, Constock, Harris, Brigham and several others of our most distinguished physicians, have used these Lozenges in all cases of the species of colds and coughs, and the medical faculty universally approve of them, as the best cough medicine in use.  
**SHERMAN'S WORM LOZENGES,**  
Are the greatest discovery ever made for dispelling the various kinds of worms, that so frequently and distressingly annoy both children and adults. They are an infallible remedy and so pleasant to the taste that children will take them as readily as a common peppermint Lozenge.  
Rev. Dr. Ludlow has used them for two years, and always with entire success. Daily complaints are made by persons who have been galled out of their dollars by humbug advertisements. Remember, you are not required to buy several dollars worth of these Lozenges to test their virtues. A few shillings worth will cure you.  
The Rev. Jabez Townsend's little girl, nine years old, was given up incurable by two physicians. She was fast wasting away, and was so miserable that death was almost looked for to relieve. Three doses of Sherman's Worm Lozenge entirely cured her. Dr. Stevens, one of the most distinguished physicians in this country, says, Sherman's Worm Lozenges are the safest and best article he knows of for destroying worms.  
Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice.  
Dr. Castle, 297 Broadway, N. Y. has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail.  
Price 25 and 37 1/2 cents per box.  
Wholesale & Retail Lozenge Warehouse, No. 90 North Sixth street. Also, for sale by Samuel Wilson & Co. Shippensburg; William Barry, Newville, and S. ELLIOTT, Carlisle.

**VALUABLE MEDICAL PREPARATIONS**  
are calculated to produce more real good than can possibly result from the use of any others, for several reasons:—They are not recommended to cure all; and every disease, as is generally boasted of other preparations, (which the most important must be aware cannot be, as different diseases require different medicines,) but each of Dr. Leidy's Medicines are recommended and adapted to different classes of diseases. They do not contain Mercury, or the minerals which are combined with most, if not all, other preparations in use. They are perfectly safe and pleasant to take, containing nothing offensive or deleterious, but being composed of Vegetable Extracts—may be employed by young and old, male and female, at all times, and under all circumstances, without restraint from occupation, temperate or moderate living. (They are the preparations of a Regular Druggist, (Dr. Leidy,) also Physician, attested by the most distinguished Physicians of the United States, among whom are, Dr. P. S. Physick, Dr. N. Chapman, Dr. W. Gibson, Dr. S. Jackson, Dr. W. E. Horner, Dr. W. P. Dewees, Dr. T. C. James, Dr. J. Redman Coxe, Dr. R. Hare, &c., &c., also, by the Rev. W. H. Delancy, Robert Adrain, L. L. D., J. L. Biddle, Esq., and numerous others.—They have been employed in innumerable instances, with the most unexampled success, as thousands can testify, among whom are the principal officers in Washington City, Members of Congress, of the State Legislatures, many of our Clergy, &c., &c. (See certificates and recommendations, accompanying the directions with each Medicine.)  
Dr. Leidy's Medicated Extract of Sarsaparilla in existence, and equal Dollars will be forfeited for every preparation of Sarsaparilla (half a pint) is equal to six pints of the strongest Syrup of Sarsaparilla that can be made. Comment upon the virtues of Sarsaparilla is unnecessary—the world knows it—it is only necessary for persons using it to be sure of getting a good preparation of it. See recommendations, with directions.  
Price \$1 60 a bottle.

**Victory!**  
Blood Pills a component part of which is Sarsaparilla.  
The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment upon their virtues is almost unnecessary. Suffice it to say they possess all the Purgative and Purifying properties that can be combined in the form of Pills. Newspaper Puffing is unnecessary to their success.  
Their efficacy, in one case, is a sure introduction and passport of them to a thousand. Five years employment of them throughout the United States, have made them as they deserve to be Victorious! Whilst the Proprietors and Manufacturers of other Pills, have been endeavoring to humbug the public in various ways, by introducing the pills, publishing columns of matter and balladizing them up by made, false, lying certificates, and attributing to their pills the powers of effecting every thing, barely excepting the restoration of the dead to life.  
Dr. Leidy has allowed his Blood Pills to become known by their effect, thus establishing for them a character that can never be taken from them, and which is proof incontrovertible of their qualities.  
Most other pills have gone out of use since their introduction, many have fallen into deserved disrepute, and some are now altogether unknown; still a few ingenuos endeavor to gull the ignorant by plausible (though false) testimonials, and extraordinary powers their pills possess; but the public are fully sensible of such imposition.  
Dr. N. B. Leidy is a regular Physician Druggist, attested by Doctors Physick, Chapman, Jackson, Dewees, Horner, Gibson, Coxe, Hare, &c., and well knows the nature of the ingredients contained in his Blood Pills, and knows the nature of their adaptation in all cases where a purgative is required, or for purifying the blood.  
There is no risk or danger in employing them; they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the piles—they do not produce irregularity of the bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative is necessary, and for purifying the Blood and Animal Fluids.  
Ample directions, together with recommendations by Physicians and others, accompany each box of pills.  
Price 25 cents a box.
