

AMERICAN VOLUNTEER.

BY GEO. SANDERSON.

THURSDAY, FEBRUARY 27, 1842.

NOTICE.

THE 56th Anniversary of the Belles Lettres Society, will be celebrated in the Methodist Episcopal Church of this Borough, on Tuesday evening the 22d instant.

Rev. Mr. SPROLE'S lecture, in the Saloon of Education Hall, on Tuesday evening, was an admirable production. The subject—"True Philosophy"—was treated in a masterly manner, and was alike creditable to the head and heart of the talented lecturer.

GENERAL JACKSON.—On the opposite page our readers will find a synopsis of an interesting debate recently held in the New York Legislature, on the subject of requesting Congress to pass an act regarding to Gen. Jackson's fine imposed upon him by Judge Hall in 1815.

The President has appointed WASHINGTON IRVING, of New York, Minister to Spain; and General WADSWORTH, of South Carolina, Minister to Mexico.

Messrs. GILMER, JOHNSON, RUFF, PROFFER and HUNTER, have resigned their situations, as colleagues of Mr. Adams on the Committee of Foreign Affairs.

THE RESUMPTION BILL.—The Bank of Resumption Bill of the Senate, which is published in another column, does not appear to meet with much favor from any party in this community.

Both branches of the Legislature have adopted a resolution, for the appointment of a select committee to investigate the corruption practised by the Banks and to procure legislation for their benefit.

A bill has been reported in the Senate, providing for the sale of the Delaware Division of the Pennsylvania Canal for the sum of \$2,000,000.

A draft for \$12,000, says the Harrisburg Reporter, drawn by Mr. Everett, our new Minister to England, has been protested at Washington; this Government not having funds wherewith to pay it!

Look Ours!—The Stock notes of the Towanda Bank, signed by "T. Dyer, clerk," as well as those signed "J. G. Boyd, clerk," are refused at the counter of the Bank, on the ground that they were issued in Philadelphia without the authority of the Board of Directors.

RETRENCHMENT!—The estimates for the expenditures of the Navy last year, were \$4,229,860. For this year they are \$8,803,287. Increase, \$3,573,427, or almost DOUBLE! This shows the Whites are reducing the public expenditures!

THE CHAMBERSBURG BANK.—Governor Porter sent in a message on Saturday to the Senate, informing that body that the Bank of Chambersburg had refused to pay her portion of the loan required on the 4th inst., and recommending the charter to be declared forfeited.

The New York Evening Post, in alluding to the recent remark of Senator Tallmadge, in reply to Mr. Benton, that the Democratic policy was the occasion of all the bankruptcies in the nation, retorts as follows:—

That is—Mr. Tallmadge and his friends speculate in Poughkeepsis lands, until the credit system having reached its maturity and perfection, they find themselves in the possession of more real estate than money, more paper than notes, more debts than dividends, and they charge their folly upon the democratic party.

FLOUR, in Baltimore, \$5.50. "Carlsruhe," \$5.50.

LADIES' COMPANION.—The February number of this truly popular periodical, contains contributions by N. P. Wallis, P. S. Poye, Mrs. Sigourney, Mrs. Emory, Professor Ingraham and other celebrated writers.

THE QUARTO "BROTHER JONATHAN" continues to maintain its high character. It is the very best weekly we receive from any quarter, and the cheapest too.

THOMAS BRADFORD, Esq., has been appointed by the President, Judge of the District Court of the United States, in the place of Judge Hopkinson, dec'd.

Rhode Island Senator.—The Legislature of Rhode Island has made choice of the Hon. WILLIAM SPRAGUE as Senator in Congress in place of Mr. Dixon, dec'd.

JUDAS URSUR.—Our readers will remember, that during the discussion of Mr. Adams' case in the house of representatives, Mr. Botts, of Virginia, stated that Judge Uphur, secretary of the navy, had advocated a dissolution of the Union.

The National Intelligencer of Tuesday, Mr. Botts brings forward his testimony, which, unless it can be invalidated, will place Judge Uphur in a disagreeable light before the country.

The great length of Mr. Botts' publication precludes it from our columns.—BALT. CLIPPER.

The Clandesine Marriage.—Great excitement has been produced in New York by the runaway match of a British officer with a young boarding school girl.—The Herald says:—

The young lady referred to is Miss Emily Croghan, the daughter of a Mr. Croghan, of one of the western States, who has been an Indian agent in the service of the government.

The name of the officer is Shilley, whose age is variously represented—the lowest at 49, and the highest 70 years, whilst that of the girl is below 14.

The President has appointed WASHINGTON IRVING, of New York, Minister to Spain; and General WADSWORTH, of South Carolina, Minister to Mexico.

Messrs. GILMER, JOHNSON, RUFF, PROFFER and HUNTER, have resigned their situations, as colleagues of Mr. Adams on the Committee of Foreign Affairs.

In pursuance of public notice a large number of citizens of Cumberland county, assembled at the Court House in the borough of Carlisle, on Saturday the 16th inst., for the purpose of considering the present language and condition of the manufacturing interest of the State of Pennsylvania, and the practicability of obtaining any relief from the evils under which they labor.

held to great improvements, which will be a source to it of convenience and wealth. These improvements have helped to embarrass us, and will continue to do so for a long time. If we leave a tax on posterity we have taxed ourselves too, and posterity will enjoy more of the benefits than we. The greatest regret is that money borrowed has not been more economically expended.

The resolutions in Congress, censuring John Quincy Adams for presenting a petition to dissolve the Union, have been laid upon the table. This ends the chapter. No Democrat took any part in the discussion.

Consumption and Death

Will most assuredly be the early fate of those who neglect themselves when afflicted with the prominent symptoms of consumption, such as a Cold, Cough, Bronchitis, or Soreness of the Throat, Hoarseness, Difficult Expectoration, Asthma, Spitting of Blood, &c. Dr. Duncan's Expectorant Remedy is expressly prepared for the removal and cure of those dangerous and troublesome diseases. Therefore, you who are laboring under the influence of these complaints, procure immediately this medicine before it is too late.—One bottle may be the means of prolonging your life. Always ask for Dr. Duncan's Expectorant Remedy, and see that you get it, and not be persuaded by some who sell different medicines to take some of their medicine in preference. These persons obtain some cheap thing, and palm it on the public at full price.—It is therefore important for the purchasers to be on their guard.

Dr. Duncan's Expectorant Remedy is put up in large size bottles, and enveloped in blue paper. The outer form contains a fine steel plate engraving representing "Hope in a Storm."

Office for the sale of this Medicine, No. 19 NORTH EIGHTH STREET, Philadelphia, also at the store of DR. JOHN J. MYERS, Carlisle, & WILLIAM PEAL, Shippensburg.

LIVER COMPLAINT.—In Liver complaint, when the bile (Nature's Purge) is not secreted of a proper quality, it becomes acrid, and the humor which it should pass off in this way, is retained in the body, taken up by the circulation, and adds to the impurity of the blood. Brandreth's Vegetable Universal Pills not only cleanse the stomach and bowels, but stimulate the liver to secrete bile, and by depositing its impurities into the bowels, and by repeated doses of these Pills, disease is literally drained from the body.

The genuine Pills, with no Druggist are found. Although many Counterfeits with them abound. Purchase in Carlisle, of Geo. W. Hittner, and only in Cumberland county Agents published in another part of this paper.
