VALUABLE MEDICAL PREPARATIONS

are calculated to produce more rapid good than can possibly result from the use of any other for several reasons.—They are not recommended to cure all, and every disease, as is generally boasted of other preparations (which the most ignorant must be aware cannot be, as different diseases require different medicines), but each of Dr. Leidy's Medicines are recommended and adapted to different classes of diseases. They do not contain Mercury, or the minerals which are combined with most, if not all, other preparations in use. They are perfectly safe and pleasant to take, containing nothing offensive or deleterious—being composed of Vegetable Extracts—may be employed by young and old, male and female, at all times, and under all circumstances, without restraint from occupation, temperate or moderate living. They are the preparations of a Regular Doctor, (Dr. Leidy), also Physician, attested by the most distinguished Physicians of the United States, among whom are, Dr. P. S. Physic, Dr. N. Chapman, Dr. Gibson, Dr. S. Jackson, Dr. W. E. Horner, Dr. W. P. Dewees, Dr. T. James, Dr. A. Redman, Dr. C. Dr. H. H. Cox, &c. &c. also, by the Rev. W. H. Delancy, Robert Adrain, L. L. D., J. L. Biddle, Esq., and numerous others.—They have been employed in innumerable instances, with the most unexampled success, as shown in various ways, by the testimonies of the principal officers in Washington City, Members of Congress, of the State Legislatures, many of the Clergy, &c. &c. (See certificates and recommendations, accompanying the directions with each Medicine.)

Dr. Leidy's Medicated Extract of Sarsaparilla.—The strongest preparation of Sarsaparilla in existence. One Hundred Dollars will be forfeited for a preparation equal to it. One Bottle will cure six times the quantity of the strongest Syrup of Sarsaparilla that can be made. Comment upon the virtues of Sarsaparilla is unnecessary—the world knows it—is only necessary for persons using it to be sure of getting a good preparation of it. See recommendations, with directions.
Price \$1.00 a bottle

Who Does Not Know of Dr. Leidy's Blood Pills? A component part of which is Sarsaparilla. The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so generally known, that it is almost unnecessary to say they possess all the Purgative and Purifying properties that can be combined in the form of Pills. Newspaper Puffing is unnecessary to their success. Their efficacy, in one case, is a sure introduction and passport of them to a thousand. Five years employment of them throughout the United States, have made them as they deserve to be Victorious. The Proprietors and Manufacturers of other Pills, have been endeavoring to humbug the public in various ways to introduce their pills, publishing columns of matter and bolstering them up by made, false, lying certificates, and attributing to their pills the powers of effecting every thing, barely excepting the restoration of the dead to life.
Dr. Leidy has allowed his Blood Pills to become known by the name of, thus establishing for them a character that can never be taken from them, and which is proof incontrovertible of their qualities.
Most other pills have gone out of use since their introduction, many have fallen into deserved disrepute, and some are now altogether unknown; still a few hang on, and try to introduce their pills by plausible (though false) testimonies, of the extraordinary powers their pills possess, but the public are fully sensible of such imposture, and are not to be deceived.

Dr. N. B. Leidy is a regular Physician Druggist, attested by Doctors Physick, Chapman, Jackson, Dewees, Horner, Gibson, Cox, Hare, &c., and well knows the nature of the ingredients contained in his Blood Pills, and knows too their adaptation in cases where a purgative is required, or for purifying the blood.
There is no risk or danger in employing them; they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the piles—they do not produce irregularity of the bowels, or constiveness, as do other pills on the market, and will be found to obtain all the foregoing besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.
Ample directions, together with recommendations from Physicians and others, accompany each box of pills.
Price 25 cents a box.

Dr. Leidy's Tetter & Itch Ointment,
An infallible remedy for various affections of the Skin, removing Pimples, Pastules, and Eruptions of the Skin, and particularly adapted to the cure of Tetter and the Itch.
This ointment has been used in numerous schools throughout the city and county, as well as in Factories, employing numerous girls and boys, and amongst whom Tetter and Itch, as well as other Affections of the Skin, are prevalent, with the most unexampled success. Names of School Teachers, as well as Superintendants and Proprietors of Factories, could be given, confirming the above; but for the delicacy they feel in having their names published in connection with such testimonies, they are concealed.
Price 25 cents a box.

Dr. Leidy's Rheumatic Liniment,
A truly efficacious application for Rheumatism, Bruises, Sprains, Stiffness and Weakness of the Joints, Numbness of the Muscles and Limbs, Pains along the Back, Spine, Sides, and across the Loins.
Many highly commended honorary certificates from Physicians and others, have been frequently published of its efficacy. See directions.
Price 37 cents a bottle, or three bottles for one dollar.

in the counties of Cumberland and Dauphin; and being entirely convinced of the great superiority of this over all other kinds of Cooking Stoves now in use, they will continue to set them up as hereinafter practiced by Messrs. E. Robinson & Co., on trial with all persons who are willing to test their superior excellence.

Messrs. E. Robinson & Co., GENTLEMEN:—According to your request, I have given one of "Hathaway's Patent Hot Air Cooking Stoves" a thorough trial, and in my opinion think it one of the best now in use. I have had it Rotary stove in use for several years, and am decidedly in favor of your stoves—they do not consume as much fuel as the Rotary, and are better adapted for baking, and equally as well for any kind of cooking.
Your obdt. servt.
VAL. HUMMEL, Jr.

Messrs. E. Robinson & Co.
Gentlemen—I have fairly tested the "Hot Air Stoves" which you put up at my house, and can recommend it as possessing principles of economy and convenience far surpassing any other stoves which I have ever seen. The boilers coming in immediate contact with the fire gives it great facility for boiling, and the oven is heated on such a principle that bread is baked in as fine a manner as in a brick oven, I find it also a great saving of fuel and labor, and would advise it to adopt it.
M. McCLellan.
Carlisle, September 12, 1841.

Messrs. E. Robinson & Co.
Gentlemen—I have during the few days I have had your Hathaway Hot Air Stove in use become convinced of its great superiority over all other stoves I have used or seen—I find by the trial that boiling, roasting, baking and broiling may all be done at the same time, in a most perfect manner and with less than one fourth the fuel I have ordinarily used for the same purposes. I have heretofore been of the opinion bread could not be well baked in a Cook Stove, but I am convinced upon trial that it can be done as well in your stove as in a brick oven. I believe that the general introduction of your stoves into use will be very beneficial to the public; therefore I will make pleasure in recommending it to my friends.

PETERS' PILLS.

THESE unrivaled pills having now acquired a celebrity and a popularity unequalled in the annals of medicine, and also having obtained the entire confidence and being used in the private practice of almost the whole body of the medical faculty in the United States, Europe, Asia, South America, the West Indies, and a great part of Africa, it is unnecessary to advert to the evidence of their efficacy, but the following are the complaints which they are most effective in the cure of, and which are as follows:—Yellow and bilious fevers, fever and ague, dyspepsia, croup, liver complaint, sick headache, jaundice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heart burn, furred tongue, nausea, distensions of the stomach and bowels, incipient diarrhoea, flatulence, habitual costiveness, loss of appetite, bloated or swollen complexion, and in all cases of torpor of the bowels, where a cathartic of any species is needed. They are exceedingly mild in their operation, producing neither nausea, griping nor debility.

Extract of a letter from Dr. Pye, of Quebec, L. C.
"For bilious fevers, sick headaches, torpidity of the bowels, and enlargement of the spleen, Dr. Peters' Pills are an excellent medicine." *Extract of a letter from Dr. Gurney, of New Orleans, La.*
"I have received much assistance in my practice—especially in jaundice and yellow fever—from the use of Peters' Pills. I presume that, on an average, I prescribe a hundred boxes a month."

Extract of a letter from Dr. Reynolds, of Galveston, Texas.
"They are certainly an excellent general family medicine, and there is no quackery about them."

IMPORTANT TO THE AFFLICTED.
SHERMAN'S COUGH LOZENGES—are the best supersedes the use of all other remedies for Coughs, Croup, Asthma, Croup, Hooping Cough and Consumption.
They are not only the best but the cheapest medicine in use. Six cents worth a day is all that is required in any case, and all ordinary cases are cured by the use of two boxes of Sherman's Lozenges. We don't know of a hander made of taking medicine than in the shape of the lozenge. It is so small, so neat, so handy, and so pleasant, that the most fastidious taste cannot reject it. We are glad to perceive that all kinds of medicines are now prepared in this palatable way by Dr. Sherman, and may be obtained at the depot in this city. [Philadelphia Times.]
We know of no better cough medicine than Dr. Sherman's Cough Lozenges; they cure soon and are so pleasant that it is almost a pleasure to be sick, to be thus agreeably doctored. [N. Y. Sun.]
Sheriff Perkins, Mr. Burton, of Providence, Mr. Shaker, of Boston, Mr. Rivers, Mr. Combs, Mr. Wallace, Dr. Peters, Mrs. C. Smith, Mr. Richardson, and hundreds of others of this city, have called to express their surprise and commendation of the speedy relief and cures effected by these truly wonderful Cough Lozenges.
Dr. Sherman's Lozenges, Constable, Harris, Beigham and Co. Wholesale and Retail Agents, in their practice with invariable success. The medical faculty will approve of them, as the best cough medicine in use.

SHERMAN'S WORM LOZENGES.
Are the greatest discovery ever made for dispelling the various kinds of worms, that so frequently and distressingly annoy both children and adults. They are not only the most agreeable and so pleasant to the taste that children will take them as readily as a common peppermint Lozenge.
Rev. Dr. Luell has used them for two years, and has effected a complete cure. Daily complaints are made by perasms who have been galled out of their dollars by humbug advertisements, but who have found a cure in Sherman's Lozenges. Remember, you are not required to buy several dollars worth of these Lozenges to test their virtues. A few shillings worth will cure you.

Shall Sickness or Health Prevail?
It is evident that the former will if there is not more care of attention paid to ourselves. What are the primary causes of the very great variety of diseases which we daily behold. Afflicted person, were you not first attacked with bile on the stomach, attended with sickness, costiveness, a derangement of the stomach and digestive organs, (probably caused by indulging too freely in rich food, a sedentary life, irregular meals, exposure, late hours, intemperance, &c.)—These mostly are the cause of affliction at the present day. When these symptoms occur, if you desire health to prevail, procure immediately Dr. Harkley's Compound Sarsaparilla, or German Aperient Pills, as they are a sure medicine to remove the distressing attacks. The properties of this medicine are to cleanse the stomach and bowels, remove bile and bilious matters, purify the blood, which when obstructed, subjects the body to pain and disease. This is effected by a few doses of the German Aperient Pills. After this is accomplished, the Strengthening Tonic Pills are used to give strength and vigour to the system, &c. In a course of this treatment, the patient will be restored to perfect health when all symptoms of dyspepsia, liver complaint, sick headache, pain in the side, limbs, and other bodily infirmities, will be completely eradicated.
