

COUGH LOZENGES

THE GREAT OBJECT GAINED.

PETERS' MEDICATED LOZENGES FOR SUGAR DROPS. Medicine made pleasant to the taste, and effective in subduing coughs. One of the greatest discoveries of the century is the 19th century is the combination of medicine in a concentrated form with sugar, making a compound certainly pleasant to the taste. By this means, the revolting sensation produced by swallowing nauseous medicines, which operates powerfully to aggravate disease, is entirely avoided, and the medicine is left to contend with the disease alone.

PETERS' MEDICATED LOZENGES are the result of long and patient experiments, made by some of the most distinguished Physicians in the Union, with a view to the formation of a safe, cheap, pleasant and certain remedy for complaints most prevalent in this country; and they have the satisfaction of assuring the public that their success has far outstripped their most sanguine expectations.

To Parents it is recommended to keep these medicines at all times on hand. Your children will eat them as readily as Peppermint candy.

Caution. Children actually cry for Peters' Lozenges, and care should be observed to follow the directions, lest, being so pleasant, they should eat too much.

PETERS' CORDIAL LOZENGES.—Are a specific for the relief of the nervous or sick headache, lowness of spirits or melancholy, languor and debility, either from previous disease or too free living, tremors, spasms of the stomach, irritability of the nerves, hysterical affections, drowsiness, cholera morbus, sense of fatigue and palpitation of the heart. From their efficacy in the relief of the headache, they are called by many the Headache Lozenges.

Price, 25 cents per box.

PETERS' COUGH LOZENGES.—Are now rapidly superseding all other preparations for the relief of Coughs, Colic, Asthma, Whooping Cough, Catarrh, tightness of the Chest, Bronchitis, and similar pulmonary affections. It is now well established that a large proportion of cases of Consumption, by which so many valuable lives are annually sacrificed, owe their origin to the neglected colds and coughs, which might easily have been removed at an early period. No medicine will be found so efficacious in curing such cases as these Lozenges. They infallibly allay the cough, by removing the irritation which keeps it up, while at the same time they promote expectation, and relieve congestion. Price, 25 cents per box.

WORM LOZENGES.

These lozenges are prepared by the most scientific and careful preparation for the destruction of worms ever offered to the public. There are several medicines advertised as specific in such cases, but they have proved so uncertain and worthless, as to have lost all confidence with the public. Some of them, indeed, are so violent in their operation, as to frequently lead to fatal results. The public, therefore, is cautioned against them. These, therefore, they will be found to be perfectly safe, will at the same time never fail, where worms are present, to destroy them.

SYMPTOMS OF WORMS.—These are flushed cheeks, vertigo, paleness of the lips with head-ache, grinding the teeth during sleep, disturbed dreams, sleep broken off by fright and screaming, convulsions, restlessness, thirst, bad taste in the mouth, offensive breath, cough, difficult breathing, itching of the nostrils, pain in the stomach, nausea, squamishness, voracious appetite, leanness, tenesmus, slight chills or shiverings, drowsiness, fatigue, swollen stomach or flatus, rising and choking in the throat, &c.

TO THE READER.—History of the Origin of the Progress of Peters' Medicated Lozenges. About a year since, the Proprietors, from a conviction of the utter worthlessness and deleterious nature of a large proportion of the medicines offered to the public as specific in the cure of coughs, colds, worms, headache, Fever and Ague, &c. conceived the plan of getting up medicines in a palatable and objectionable form, which would meet the approbation of the faculty, and do away with the increasing evils consequent upon the use of such pernicious nostrums. For this purpose, he compounded several kinds of medicated lozenges, specifying the uses for which each was intended, and the indications which they had been found to fulfil. These, together with the exact composition of each kind, were sent to the hands of six distinguished physicians, with the request that each would thoroughly test them in their practice, and report to me their several opinions of their merits, with such remarks in regard to their composition as their experience might suggest.

After a trial of several months, their opinions were handed in, and in general, I found that their conclusions corresponded very closely with my own. Some trifling alterations, however, were made in the composition of some of the articles, at the suggestion of one or two of the gentlemen, since which time they have been employed with entire satisfaction, and with the most gratifying results. The public, it is believed, will appreciate the importance of having access to medicines, whose efficacy has been fully tested by the faculty, and whose virtues are not to be weighed by the speciousness of an ignorant and reckless proprietor, or by manufactured certificates.

These medicines are now prepared in a form suitable for the purpose, and will insure them from injury from time and climate, accompanied with suitable directions for use, in the English, German, French and Spanish languages.

PETERS' VEGETABLE SHILLING STRENGTHENING PASTOR.—This is not only the cheapest, but the most comfortable plaster in existence. Peters' Shilling Plaster is an easy and most effective remedy for pain in the breast, side or stomach, weakness or pain in the chest, loins or back, stiffness of the neck, affections of the limbs or joints, whether produced by rheumatism or other causes, habitual pain of the head or stomach, pleurisy, coughs, Hæmorrhoids, weakness of the spine, predisposition to break out in bites and pimples, listlessness of the frame, and for general debility.

Let any person afflicted as above try one of Peters' Shilling Plasters, and we will venture to say that he could not be prevailed on to discard it again, for ten, or most probably for a hundred dollars. Price, only 12 1/2 cts.
