AMERICAN VOLUNTEER. Q.—Who made the bargain with him! A.—George Handy. Q.—How much of this money did he lay ou;! BY GEO. SANDERSON. A .- On one occasion he told me he made seventeen r twenty thousand dollars: I understood from him the balance he had faid out—in what way I know nothe did not pay out that. Q.-Do you know, in any way, how that money vas disposed of? A.-None, only what I infer from the letters. Du-FOR PRESIDENT in 1844, ing the 4th of May I was not at Hairisburg. Q.-Had you any communication JAMES BUCHANAN.

Q.-Had you any communication or conversati with the Executive or members of the Legislature Subject to the decision of a National Convention

## CARLISLE: THURSDAY, APRIL \$8, 1842.

Our neighbor MINDLETON shows signs of con-

wition, and there is evidently a strong disposition man-

steated to "claw off" from the embrace we gave him

last week. He doals, it is true, a few sickly, effemin-

ate blows at our humble self, and at some "beardless

boys" that flit in glimmering shadows athwart his

morbid imagination;-but we expected as much, and

on the whole, however, we consider this week's Her-

ald a little more decent than the two preceding num-

bers,-and shall be glad if, through our instrumental-

ity, a change for the better is carried on progressively.

We may, if necessity requires it, pay the editor anoth-

er complimentary notice ere long, just hy way of fa-

cilitating the reformation · he has commenced in the

general tone and style of his paper. We are not fond

of these personal controversies; but they appear to be

necessary at times, in order to purify the pestiferous

at-nosphere of a Federal Antimasonic printing-office.

was maile to pass the fiery ordeal of hell-engendered

caluinny-and witnesses were suborned by the dozen

from our goodly Borough.

he help of the Almighty, has been totally defeated Its end has come, and a grave stone may be spoken for it without a danger of loss. Why then should our nembers of Congress pour their heavy fire upon a disnasted-a blazing, and sinking ship. \*On the morning of March 4, 1841, the Whig frigate

Do NOT WASTE POWDER .- The Whig party,

The Temperance cause has taken a fresh start in this Borough. During the last week meetings were with ner sails swelling gracefully from royal to ring substituted in its place, by legal and <u>neaceable proceed-</u> tail; rode in majesty on her ocean way. Her hull was newly painted—her rigging nicely fitted—her decks of the State.' with her sails swelling gracefully from royal to ring -hold-in-the-Court-House-for-several evenings-in-succession, upon which occasions the crowds in attendance were entertained with speeches and songs by were crowded with men-and her quarter deck was soveral gentlemen from Harrisburg. Great number full of officers. The Democracy stood upon the decks signed the total abstinence pledge, and a Washingto-nian society was formed, which already bids fair to of their weather-beaten cruizer to look at her, and all seemed to unite in the opinion that she would perform outstrip all the other societies of the town in numerical a four years voyage in safety; but suddenly a tempest strength. We trust the good work may progress and prosper, until drunkeuness shall be entirely banished 1

A,-NO-KO, NEVER.

-spar after spar came toppling down with the lookouts and the topmen-seaman after scaman pitched o verboard, and floated to the Democratic cruizer, whose commander had watched for the squall, and had taken in sail, Louder and louder howled the wind. The rudder was wrenched from its fastening, and the ship | York Hereld of Monday last says :-- "We understand dashed on at the mercy of the contending elements,-The first Lieutenant had taken command, and the trumpet was in his hand. A cry of fire now spread through the ship; and then, while the wreck was the outstanding difficulties with that country. blazing, the crew mutinied. The purser's strong box seems that the negociation took place in London hewas robbed-his books were burned to wipe out all tween Lord Aherdeen and Mr. Everett-and that the debts-dreadful curses rang upon the night wind, and British foreign Minister took the first step, being inechoed along the deep. And hark !, what noise is duced to do so, probably in consequence of the disasthat ? It is a gun from the rival frigate-again its trous news from India. We further learn that the It is the cruizer under storm stay-suls beating to wind practical settlement-it was intended more as a 'make ward; and now behold, she pours a broadside into the

days of Gov. Mifflin down to the present time, no Ex-Why don't you save your powder?-Alexandria Inder evotive has been so villainously-so malignantly as-suled. When a candidate the first time, his character

IRON STEAMER .- A report made by the Naval ommittee, gives the following description of the iron teamer which is proposed to be built by Robert J Stovens, of New York. The bill authorizing its con s.ruction has passed the Senate, and the committee of the whole in the House, and will no doubt become law :

"The stramer is to be shet and shell proof; the en gine and propelling apparatus are to be so placed as that the latter shall be submerged, and the whole enhe was triumphantly elected to the post-he still occu-pies by a large majority of his fellow citizens. Since emy. Her-guns to be large and to be adapted to that the with more difficulties to surmount than all both shot and shell, and her burden not less than 1. his predicessors put together - David R. Porter has etered the ship of State with consummate produce and a tereform and has he bis talents and energy, so adverted to. She will scarcely present a vulnerable point to the fire of the enemy, while those constructed on the old method have a large surface exposed. The

But his enemies did not cease their attacks upon hull being low, will cause it difficult to hit her; where him with his election. From the day of his first in-as the folly sides of a seventy-four will make her a fair mark. Being able to approach within point blank him with his election. From the way of the high in auguration down to the present moment, they have pursued him with hyena-like ferocity—and scarcely a single act has he done, official-or otherwise, that has not been followed by the vilest misrepresentations and e dumny. Stern and inflexible in the discharge of his duties - houses and unright in his conduct—his ence. duites-honest and upright in his conduct-lis enc-nies find it impossible to swerve him from his straight-torward, independent course-hence their attacks upon his character-hence their efforts to injure his fair stand-ing with the people. The latest effort at slander of the Federalists, is the attempt to create the impression that the Governor vas concerned in the Handy and Brodhead transacduties-houest and unright in his conduct-his enc-

was concerned in the Handy and Brodhead transac-tion. This was harped upon during the last compaign, exploded, nuch more, and the charge was iterated and reiterated over and

Although the testimony elicited before the committee fully and entirely exonerates him from any defied the whole of them, until a gun was procured scarcely a Federal or Antimasonic newspaper in the State that does not continue to propagate the diabeli-

cal slander! Well has it been said that "detraction }loves a shining mark." But these shafts of calumny Richmond Whig, the leading federal paper in Virginia, fall harmless at the fact of the Excentive. Concious of the rectitude of his own conduct, whether public or private, and strong in the affections of the people, Gov- "universal whitz party", feel proud that through their ernor Porter can bid defiance to all these impotent assoults upon his character-and his traducers wil yet in the chards of such a man? find out, if they are not already convinced, that, like

The following testimony of George Handy, taken cases, a man destitute of intellect and integrity, u before the Committee of Investigation, entirely exoner- name is the synonime of NIHIL-and on wh ates the Governor from any participation in the matter: bank receive any money ? -

bank receive any money? A.—As regards that, I have no doubt but that the inv hands, but the whole of it (120,000) did pass into my hands, but the whole of it did not. Every cent that did pass into my hands was appropriated and paid that did pass into my hands was appropriated and paid that did pass into my hands was appropriated and paid thing can be called a man, unsupported by either of over to the agents employed—Daniel M. Brodhead and the great parties of the country—held in excertion by George W. South, of Philadelphia. I swear and de-clire that not one penny of, it was ever retained and empropriated to my own private use. appropriated to my own private use. Q.—How much did you pay to Mr. Brodhead and vented, and fooled by flatterers, ministered to by lick-Mr. South?

aun) abont one hundred and twenty thousand dollars, vetoes, with the assumed authority of a Russian Anto-I. wish to be distinctly understood; the mapner in <u>crat spreading his ukase</u> over his dominions, and bids which that money was this:--when money was wanted I went to Mr. Lardner, he handed me the mount I asked for, and in no instance that I recellect did he ask me for a voucher at the time, or at subse-guent periods. He paid the money and I signed the wouchers, with the understanding that he got the other members of the committee to sign them and it was poroxao FISHBELZS.--The Alexandria Gazette of members of the committee to sign them; and it was only within the last six months that I did not know

time the same sam. Mr. Broilhead never told me the shad, as we have before remarked, have been plantiful name of any man he gave that money to. I have sub- and uncommonly large."

never asked Mr. Brodhead what he had done with it, Perry county will take care to be represented in the store the county has profited by the mode of a but gave him what he asked for. My impressions contemplated State Convention of the 20th of July, second in Mr. Webster's "new set of books."

adjoining county, on the morning of the 30th ult. were sleeping, and with an axe cut and mangled them distinguished gentleman (Lord Ashburton,), might tortracted to the spot by the fire, he killed him with the axe, cut off his head, and threw his body into the burning building. A number of persons soon collectand he was shot, which so disabled him that he was hound and lodged in Newport Gaol, for trial.

A SKETCH OF CHARACTER .- The gives the following biographical sketch of "Honest dollars, John Tyler." If the picture is true, should not the gress, and received the President's signature. It proefforts the destinies of our country have been placed vides for the extension of the time for which the loan authorized in 1841 is to be taken, and for an addition

the viper in the fable, they have been "gnawing at a City-Pettylogger, whom nature never intended to ele-file." se verv Q.—Did you, as member of the committee from the ank receive any money? eral government exhibits the singular anomaly of borit throws away the proceeds arising from the sale of the public lands. Were it possible for the reign of

ster, in one of his electioneering harangues during the Ar. South? Ar. South? A.—My impression is that the amount paid to Mr. Bredhead was (not having kept any written memoran-a was nightmare, and doctors the body politic with his a was nightmare, and doctors the body politic with his thing in free America presides over the Republic fike a was nightmare, and doctors the body politic with his twish to be distinctly understood; the manner in crat spreading his ukase over his dominions, and bids Presidential canvass of 1840. The Whig party succeeded-a "new set of books" were opened, and Mr. Webster is recognized as the controlling partner of the firm of Tyler & Co. Let us quote two brief extracts from official documents, to show the difference between the present and the past: the following scattence:

POTOMAC FISHBEITS .--- The Alexandria Gazette of the 20th inst. says .-.... Some of the fishermen at the • only within the last six months that I did not know the 20th inst. says ----Kome of the fishermen at the fut that all the youchers were signed by all the communications of the Potomachave, already, cut out, and finished operations for the greaters, without taking memory and make never been so sure that all the \$129,000 ever came into my hands; but all that came into my hands -I do not know what amount -I paid your, also earlier than usual. There has not been a sta Mr. South, distinctly. My lotters will show that wery abundant supply of herring caught, especially at Mr. South at one time received \$10,000 and at another the landings on the Virginia, side of the river. The second statement of the supervision of the supervis the last year. present and two succeeding months are \$9,374,000, and the estimated means are but \$6,000,000.

The American people can mark the contrast he sequently heard Mr. Brodhead say he never gave it to indourcomonly large. Ha Excellency or members of the Legislature. 1 The Bloomfield Democrat says, the Democracy of never asked Mr. Brodhead what he had done with it. Perry county will take care to be represented in the tween these two official statements, and judge how

peech, he remarked that he believed there existed "an king any comment." Hear him ! equal chance that this nation will be engaged in war;

From the last week's Herald.

"Encouraging.- () One of the oldest and most re-spectable citizens of this place called at our office last minate our defliculties. If he had come with the olive week, and requested us to say—that he has been a paying subscriber for the Herald, for uppoards of forly branch of peace, he, for one, was ready to meet him in years; that he was never better pleased with the paper than he has been for the past few weeks; and that we the spirit of conciliation. But he desired that all the difficulties might now be settled: with him it was ALL must positively so state the fact in "our next paper." or NONE. The Caroline affair, the North Eastern But that FACT happens to be a FALSENGON! For, there is not an individual in "this place," or any other, Boundary, the Creole case, the North Western Boundary, the Right of Search, must all be settled now .that was a subscriber to the Herald upwanps of forty years ago-and the "oldest and most respectable citi-zen," or Mr. Middleton wust be in Ennow or he He repeated again "all or none" must be settled."

ANOTHER DEFALCATION .--- John Hemphill, Treasmust have taken the Herald before Capt. Alexander must have taken the Herald before Capt. Alexander, the original proprietor, gave it existence! It has since had meny owners, and it *tallied fakely* - under all of them, and it will not be forty years old till some time next summer, for it was given existence in July 1802, as a file in my possession will prove. Save your monestry. Mr. Middleton! But tell your readers next week, that arer of the Buard of Guardians of the Poor of Philaddlphia, is named in the papers of that city as a defaulter to the amount of twenty or thirty thousand
