*Dr. Harlich's Celebrated Strengthening Pills.*

When these Pills were introduced into this State, the Agent did not urge them on the notice of the public with any superlous praise confident that a fair and impartial trial, was all the recommendation they required, to prove their usefulness. They have now been tested by a number of persons laboring under that miserable complaint Dyspepsia, in this section of country. And in every instance, as far as we have heard, have proved beneficial. We wish to give sufficient time for a full and fair trial, when we will add such testimony of their efficacy as will do justice to so valuable and safe a medicine.—(Jefferson, Mo. Enquirer.

## FRIDLEY & ROBINSON.

**Tin, Coppersmith, & Stove Business.**

JACOB FRIDLEY & ELEAZER ROBINSON having entered into Co-Partnership, in the Tin, Copper, and Stove business, under the firm of FRIDLEY & ROBINSON, respectfully inform the public that they intend carrying on their business in all its branches, at the old stand of Jacob Fridley, North Hanover street Carlisle; where they will, at all times, be prepared to serve purchasers with any article in their line, on the most reasonable terms.

In addition to all other varieties of stoves, which they will constantly have on hand, they have purchased of Mr. J. G. Hathaway, the exclusive right to manufacture and sell

**Hathaway's Patent "Hot Air Cooking Stoves,"**

in the counties of Cumberland and Dauphin; and being entirely convinced of the great superiority of this over all other kinds of Cooking Stoves now in use, they will continue to set them up as heretofore practiced by Messrs. E. Robinson & Co., on trial with all persons who are willing to test their superior excellence.

For the information of those who are not acquainted with the advantages of the *Hot Air Cooking Stoves*, we subjoin the certificates of some of the many highly respectable gentlemen who have favored us with their written opinion of the merits of the article.

*Carlisle*, November 9, 1841.

*Messrs. E. Robinson & Co.*—GENTLEMEN:—The "Hathaway Patent Hot-Air Cooking Stove" has been used in my kitchen for about two months, during which time I have had ample opportunity to examine the principles upon which it is constructed. I have also made particular inquiry of the cooks who have used it: from these different sources of information I am led to a very favorable opinion in regard to it. I prefer it to the Rotary, which we have heretofore had in use. It is represented as baking remarkably well, and as being a saving of fuel. The circulation of the heat so extensively after it is generated, and before it escapes by the pipe, must lead to this result. There is a great convenience in the use of it, from the numerous and various implements employed about it in cooking, at the same time.

JOHN REED.

*Carlisle*, November 8, 1841.

*Messrs. E. Robinson & Co.*—GENTLEMEN:—I have had sufficient time to try "*Hathaway's Patent Hot Air Cooking Stove*," you put up in my kitchen, and am prepared to certify to its good qualities. I find that large quantities of water can be heated with it in a short time; that for cooking it boils, roasts meat, and bakes bread. The provision in this cooking stove for baking bread is the only arrangement I have ever seen in an article of the kind, at all calculated to accomplish that object. The simplicity of its arrangements are its great recommendation, the entire heat is applied to the purpose intended, and I verily believe a great saving of fuel is effected. Comparing the Hot Air Cooking Stove with the much celebrated Rotary, the latter is insignificant and a toy, incapable of any thing but boiling. I am of the opinion that no arrangement of iron can be made to supersede the "Hot Air Cooking Stove;" nor can I suggest any improvement. Your ob't. serv't,

A. McDOWELL.

*Harrisburg*, November 11, 1841.

*Messrs. E. Robinson & Co.*—GENTLEMEN:—According to your request, I have given one of "*Hathaway's Patent Hot Air Cooking Stoves*" a thorough trial, and in my opinion think it one of the best now in use. I have had a Rotary stove in use for several years, and am decidedly in favor of your stoves—they do not consume as much fuel as the Rotary, and are better adapted for baking, and equally as well for any kind of cooking.

Your's with respect,

VAL. HUMMEL, Jr.

I do certify that I am now using one of Hathaway's Patent Hot Air Cook Stoves, No. 3, and do recommend it as superior to any stove I have seen. The great saving of fuel and the variety that can be cooking at the same time, makes it an object to those who wish to facilitate the operations of the kitchen. J. CULBERTSON.

Chambersburg, September 6, 1841.

I have in use in my kitchen one of Hathaway's Patent Hot Air Cooking Stoves, and can recommend it as a very superior article. The one I have is No. 3, it has 5 boilers and an oven sufficiently large to bake 6 loaves of bread. The baking, roasting and boiling, can be done at the same time and with much less wood than required for any stove I have ever used. This size appears to be particularly calculated for Farmers, and for their benefit I invite them to call and see this stove in use, as I shall take pleasure in showing the stove to those who wish to see it. S. WUNDERLICH.

Carlisle, September 12, 1841.

Messrs. E. Robinson & Co.

Gentlemen:—I have fairly tested the "Hot Air Stoves" which you put up at my house and can recommend it as possessing principles of economy and convenience far surpassing any other stoves which I have ever seen. The boilers coming in immediate contact with the fire gives it great facilities for boiling, and the oven is heated on such a principle that bread is baked in as fine a manner as in a brick oven. I find it also a great saving of fuel and labor, and would advise all to adopt it.

M. McCLELLAN.

Carlisle, September 12, 1841.

Messrs. E. Robinson & Co.

Gentlemen:—I have during the few days I have had your Hathaway Hot Air Stove in use become convinced of its great superiority over all other stoves I have used or seen—I find by the trial that boiling, roasting, baking and broiling may all be done at the same time, in a most perfect manner and with less than one fourth the fuel I have ordinarily used for the same purposes. I have heretofore been of the opinion bread could not be well baked in a Cook Stove, but I am convinced upon trial that it can be done as well in your stove as in a brick oven. I believe that the general introduction of your stoves into use will be very beneficial to the public, therefore I shall take pleasure in recommending it to my friends.

**VALUABLE MEDICAL PREPARATIONS**

are calculated to produce more real good than can possibly result from the use of any others, for several reasons:—They are not recommended to cure all, and every disease, as is generally boasted of other preparations, (which the most ignorant must be aware cannot be, as different diseases require different medicines,) but each of Dr. Leidy's Medicines are recommended and adapted to different classes of diseases. They do not contain Mercury, or the minerals which are combined with most, if not all, other preparations in use. They are perfectly safe and pleasant to take, containing nothing offensive or deleterious, but being composed of Vegetable Extracts—may be employed by young and old, male and female, at all times, and under all circumstances, without restraint from occupation, temperate or moderate living. They are the preparations of a Regular Druggist, (Dr. Leidy,) also Physician, attested by the most distinguished Physicians of the United States, among whom are, Dr. P. S. Physic, Dr. N. Chapman, Dr. W. Gibson, Dr. S. Jackson, Dr. W. E. Horner; Dr. W. P. Dewees, Dr. R. C. James, Dr. J. Redman Coxe, Dr. R. Hare, &c., &c.; also, by the Rev. W. B. Delancy, Robert Adrain, LL. D., J. L. Biddle, Esq., and numerous others.—They have been employed in innumerable instances, with the most unexampled success, as thousands can testify, among whom are the principal officers in Washington City, Members of Congress, of the State Legislatures, many of the Clergy, &c. &c. (See certificates and recommendations, accompanying the directions with each Medicine.

*Dr. Leidy's Medicated Extract of Sarsaparilla.*—The strongest preparation of Sarsaparilla in existence. One Hundred Dollars will be forfeited if a preparation equal to it, One Bottle (half a pint) is equal to six pints of the strongest Syrup of Sarsaparilla that can be made. See recommendations, with directions.

Price $1·00 a bottle.

## Victory!

WHO DOES NOT KNOW OF Dr. LEIDY'S BLOOD PILLS? a component part of which is Sarsaparilla.

The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment *upon their virtues is almost unnecessary. Suffice it to say*, they possess all the Purgative and Purifying properties that can be combined in the form of Pills. Newspaper Puffing is unnecessary to their success.

Their efficacy, in one case, is a sure introduction and passport of them to a thousand. Five years employment of them through-out the United States, have made them as they deserve to be Victorious! Whilst the Proprietors and Manufacturers of others Pills, have been endeavoring to humbug the public in various ways to introduce their pills, publishing columns of matter and not telling them up by made, false, lying certificates, and attributing to their pills the powers of effecting every thing, barely excepting the restoration of the dead to life.

Dr. Leidy has allowed his Blood Pills to become known by their effects; thus establishing for them a character that can never be taken from them, and which is proof incontrovertible of their qualities.

Most other pills have gone out of use since their introduction, many have fallen into deserved disrepute, and some are now altogether unknown; still a few hangers-on endeavor to gull the ignorant by plausible (though false) reasoning of the extraordinary powers their pills possess; but the public are fully sensible of such imposition.

Dr. N. B. Leidy is a regular Physician Druggist, attested by Doctors Physick, Chapman, Jackson, Dewees, Horner, Gibson, Coxe, Hare, &c., and well knows the nature of the ingredients contained in his Blood Pills, and knows to their adaptation in all cases where a purgative is required; or for purifying the blood.

There is no risk or danger in employing them; they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the piles—they do not produce irregularity of the bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.

Ample directions, together with recommendations from Physicians and others, accompany each box of pills.

Price 25 cents a box.

## Dr. Leidy's Tetter & Itch Ointment,

AN infallible remedy for various affections of the Skin, removing Pimples, Pustules and Eruptions on the Skin, and particularly adapted to the cure of Tetter and the Itch.

This ointment has been used in numerous schools throughout the city and county, as well as Factories, employing numerous girls and boys and amongst whom Tetter and Itch, as well as other Affections of the Skin, prevailed, with the most unexampled Success. Names of School Teachers, as well as Superintendents and Proprietors of Factories, could be given, confirming the above, but for the delicacy they feel in having their names published in connection with such loathsome and disagreeable affections.

Price 25 cents a box.

## Dr. Leidy's Rheumatic Liniment,

## M. B. ROBERTS' VEGETABLE EMBROCATION.

The efficacy of this most valuable Embrocation is attested by thousands who have proved its healing qualities in the cure of the most troublesome diseases to which the horse is liable, such as old or fresh Wounds, Sprains, pains and weakness of the Limbs, Bruises, Swellings, stiffness of the Joints, &c. &c.

Among numerous certificates which might be produced, the following is thought sufficient; it is from I. Reesides, Esq. the great stage owner and mail contractor.

This is to certify that I have used M. B. Roberts' Embrocation for various kinds of Sores, Wounds, & Sprains on horses, and I find it to exceed any other that I have tried.
