where it could be procured without too much ex-pense and delay.

My wife wae attacked about six months since with what the physicians called the first stage of consumption—a complaint very prevalent in this consumption—a complaint very prevalent in this section of country. Having seen the Balsam advertised in Augusta, (200 MILES FROM HERE,)
I took the pains to send there for a bottle of it,
which she took, and which helped her so much that I sent for two bottles more, which she has also taken, and she now says she has not felt so well for six-years as she does at this time.—All those who have inquired of me and ascertained what effect the Balsam had, are anxious to have some for sale in this vicinity, which is the caus of my writing to you.

Please inform me by raturn of mail whether you conclude to send some, and if so, to whom, in order that it may be known where it can be had. I am, with respect, yours, etc.

worse, until February, when all hope of my recovery

of a Galloping Consumption. At this moment, when
my life was apparently drawing near its close, I heard
of Dr. Wistar's Balsam of Wild Cherry, and of Dr. Wistar's Baisan of wild Uncerry, and by the use of only three bottles of this medicine, all my pains were removed—my cough and spitting of blood and corruption entirely stopped, and in a few wheeks my health was so far restored as to enable me to work at my trade, which is a carpenter, and up to this time thave enjoyed good health.
