**DR. GULLEN'S** Indian Vegetable Panacea. PERSONS afflicted with Scrofula, King's Evil, Cancer, Erysipelas, Old sores, Ulcers, Tetter, Mercularian Disease, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine. READ! READ! READ!!! We the undersigned, having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Walton, 378 Market St., Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was SCROFULA, and terrible matter had been in his twelve years conflict with the destroyer. He is the Palate, the entire roof of his Mouth, Nose, Upper Lip, and lower lid of the Eye, now all have been destroyed, his Face, nearly eaten up, and part of the Jaw Bone carried away. And yet we can give no description of his case. Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 4th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed with intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mercularian cases, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the Panacea Alone, has wrought this wonderful change. The above named gentlemen, (constituting but a small portion of those who have visited Mr. Brooks at our office in Philadelphia, and would certify to the same acts if necessary) are well known, and their high standing in society precludes the idea of their lending their names to carry on an imposition. And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the Panacea, which the medicine has not speedily arrested.

We have at this time a multitude of patients under treatment, all of whom are doing well. Among them is one of a CANCER, which was produced by physicians beyond the reach of Surgical assistance, but from all appearances will be cured in a few months. **CONSUMPTION CAN BE CURED** Thompson's Compound Syrup Tar and Wood Naphtha. Consumptives! Beware of Deception and all Spurious Tar Mixtures got up as imitations of Thompson's Compound Syrup of Tar and Wood Naphtha, which is daily effecting such remarkable cures in Pulmonary Consumption. TRIUMPHANT success of Thompson's Compound Syrup Tar and Wood Naphtha. Still another remarkable cure! Read the following from a well known citizen of Cumberland county. DICKINSON TOWNSHIP, Nov. 20, 1846. About six years since, in consequence of the sedentary nature of my business, I was attacked with severe pains in the breast, palpitation of the heart and shortness of breath, which were soon followed by a failure of appetite, extreme weakness at night, and partial paralysis of the system frequently attended with spitting of blood. For about two years I was also occasionally thrown into convulsions, which left me in a miserable state of feebleness and suffering to affect my mind from time to time my sufferings were more or less severe; until at length they increased to such a degree, and the violence of the symptoms, that I was obliged, that for a whole year I was unable to attend to any business. During this time I consulted some able physicians and attended to their prescriptions; but all their skill was unavailing to procure me relief, and at length they regarded my recovery as entirely hopeless. In this condition I was informed of the salutary effects of Thompson's Compound Syrup of Tar and Wood Naphtha, in a case somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly advised to try this medicine, I was at length prevailed upon to do so, and I have now to testify, that by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as usual. HENRY MYERS. This invaluable medicine is prepared at N. E. corner of 5th and Spruce streets, Phila. For sale in Carlisle, by R. Angey, principal agent. Price 50 cents or 6 bottles for \$2.50, February 4, 1847.
