Sheriff's Sale.

The only Straw A differ ionth has hades indice the origination of these justly celebrated Cutters adjusted on the Cylinder. A N. examination of these justly celebrated Cutters is alone deemied sufficient to recommend them to public favor. During the past year they have drawn the first preoflarm from the New York State Agri-cultural Esir, from the Mechanics Fait at Boston, from the Aussichusetts State Cattle, Fsir at Wor-cester, and at very Fair where they have exhibited. These Machines combine every improvement neces-sary to make them excellent machines for cutting Hay, Straw for Gornstalks. The knives being sup-ported by wings cast on the cylinder and rendered sufficiently strong to cat the largest, kind of corn rislks with ease and great disputch—sudas the knives are regulated by set serews, it gives them a great ad-vantage over all other cylinder outers.
