DR. KINKELIN, German Physician, continues to be consulted confidentially at his Medical Home, 21 W. cor. THIRD and UNION Streets, between Spruce & Pine sts. Philadelphia, established since the year 1836, for the treatment and perfect removal of all Skin Diseases and all Secret Disorders, which to manage successfully, it is so important to obtain the services of an experienced practitioner.

Persons living in the country, and finding it inconvenient to make personal application to their physician, their case explicitly mentioned together with their symptoms (per letter, postpaid), have forwarded to them a copy of the medicine, which they will receive in due season. It is a great relief to have a medicine forwarded to them, and to have it administered by a physician of their own country, and to have the medicine so administered, is a great relief to the patient.

CAN BE CURED.  
THOMPSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA is the most certain and efficient remedy for the cure of all complaints of the throat and lungs, obstinate coughs, chronic sore throat, bronchitis, asthma, pain in the chest and breast, tightness from phlegm, hoarseness, &c., &c. A trial will convince all of its unequalled efficacy.  
Thompson's Compound Syrup of Tar and Wood Naphtha will cure Consumption! YET ANOTHER CURE!  
PHILADELPHIA, April 9, 1846.  
Last August a year I caught a violent cold, the consequence of getting wet in a shower of rain. A cough, supposing I should soon get rid of it. On the contrary, however, it daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretions of mucus in my lungs; I became greatly emaciated, and my friends considered my situation extremely critical, the more so as I lost my appetite, hectic fever, and night sweats rendered me as weak as a child. At night the sweat literally poured off me! This I was unable to stop until I procured a bottle of Thompson's Compound Syrup of Tar and Wood Naphtha. I procured one bottle, and experienced so much benefit that I resolved to continue it. I took in all nine bottles, and am now perfectly restored. It is now six months since I ceased using the medicine, and I continue to feel better, where and at what time I please to go for superfluous every remedy for consumption of the Lungs.  
J. J. CHAMBERLAIN, No. 8 Carberry at, Affirmed and subscribed this 9th day of April, 1846, before me,

Thompson's Compound Syrup of Tar and Wood Naphtha will cure Consumption! YET ANOTHER CURE!  
PHILADELPHIA, April 9, 1846.  
Last August a year I caught a violent cold, the consequence of getting wet in a shower of rain. A cough, supposing I should soon get rid of it. On the contrary, however, it daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretions of mucus in my lungs; I became greatly emaciated, and my friends considered my situation extremely critical, the more so as I lost my appetite, hectic fever, and night sweats rendered me as weak as a child. At night the sweat literally poured off me! This I was unable to stop until I procured a bottle of Thompson's Compound Syrup of Tar and Wood Naphtha. I procured one bottle, and experienced so much benefit that I resolved to continue it. I took in all nine bottles, and am now perfectly restored. It is now six months since I ceased using the medicine, and I continue to feel better, where and at what time I please to go for superfluous every remedy for consumption of the Lungs.
