Sunday last have been received.
The New Orleans Delta has received Mexican The New Olth of May to the 5th of June; since: Gen Taxton himself informs upapers from the 30th of May to the 5th of June; that he earned, wyeld himself to party inclusive, and gives the following brief synopsis

their contents. Gen. Arista has been arrested and confined. Gen. Almote was still in prison. On the 1st of June all the natives of the United States were ordered to leave the city of Mexico for the States of Jalisco of Morella, or they would be dealt with according to the law of nations. Generals Gutlerez, Goans, Martinez and Palo-ino are entrusted with the command of the lines

mino are citives.

Jo defence of the city.

Bodies of the National Guards are said to he on their way, and constantly arriving from the adjoining States, and it is believed that from seventeen totwenty thousand troops will be concentrated for

Surprise of a large Mexican force by Gen. Cadwalader -Gen. Pillow attacked, but the Guerilles defeated

with loss.

The Ledger has received, by special express, an extra from the New Orleans Picayune office, dated June 29. The Picayune extra is as follows;
The schooter Iona, Capt. Stevens, arrived this morning from Vora Cruz, and a few hours afterwards the steamship New Orleans came in. The latter left Vera Cruz on the 26th instant, and brings us etters of the 25th and papers of the 24th.

Our dates from the army of Gen. Scott, at Puebla.

the property of the property of the property appears to be a stronger resistance is to be an add to our advance than his lately been onticipated. An immense force has been concentrated, and the Mexicans have seventy pieces of cannon—some accounts

CAPTAIN BRAGO .- A Washington correspondent of

the Raleigh (N. C.) Register, speaks in the booking terms of Captain Brage:

"Captain Brage is truly the here of Buona Vista.
I have conversed with Colonels Morrison, Marshall, Fields and Davis, who were in the arduous strife of blood for a whole day, and all of them concur in saying that Brage was the Ajax of the fight. Even the teamsters gathered around his buttery to witness its masterly management, and the deadly effect of his skill; and I have been amused to hour several of these teamsters describe the no doubt exagerated heaps of men and broad lanes that were cut down leeps of men and broad lanes that were cut down is of the enemy. At these critical moments he ordered his men to load without taking time to swab out their gens, and the discharges then resembled quick flashes of lightning. We should be proud of him as a von of North Carolina, and I hope the Government will promote him still higher. To you, who know his kith and kin," it is inseless to say, that he is a mone deat massenming wentleman. Officers in active ser-

grand the dischargea then resembled quote flashers of fightning. We almost be proud of him as a read of fightning. We almost be proud of him as a read of first Carolina, and I hope the Government will promote him still higher. To you, who know him which and kin," it is uncless to say, that he is a modet, massuing gentleman. Officer is nearly shall no longer be componited by their expression or discussion in efficiency and the state of the stat

GEN. TAYLOR AND THE PRESIDENCY. The New Or-General says he is very reluctant to he a candidate not take him up. They are afraid they will get all, but if he is, it will only be the candidate of all thrashed, if they do. tlies as the spontaneous choice of the people of all parties—that he would not have the office unless was not trainineled by party politics or abligations. The letter, says the Delta, is written to a prominent peral of that city.

as given to the gallant Col. May, on Wednesday the same nail in the same store belonging to the dig last, at Barnum's Hotel, Baltimore, by some thirty or forty of his personal friends

The city of New York actually pays more thing betwirt a glass and a barrel! sweeping her streets annually than Connectiof does for the support of her State governmentmount being \$200,000.

GEN. TAYLOR'S LETTER.

Below we publish a letter from General Tay-The Mexicans Resolved to Defend their Capital—Genorel states, without equivocation, that in no case 20,000 Troops Concentrated at the city of Mexico can he permit himself to be the candidate of either a American Cultzens. Ordered to Julisco—Arrest of Gen. Aristicans talking of marching out to oppose the Advance of Gen. Scott—Santa Anna's law been told over and over again, by Federal editors, that the brave old General was an avoyed to oppose the Advance of Gen. Scott—Santa Anna's tors, that the brave old General was an avoyed tors, that the brave old General was an avoyed By the Ledger's Express, New Orleans papers "Whig," a "Henry Clay Whig, and nothing else,"

> by the very men who were then pretending to suport him for the Presidency. The extracts which follow we clip from leading Federal papers, and is proof that our prediction was true,

The Washington "Whig," a Federal paper, whose

online are entreased with the command of the lines of defence of the city.

Bodies of the Nystianal Cuards are said to he on the silence of the Stational Cuards are said to he on the way, and constantly arriving from the adjoining States, and it is believed that from seventee to the way, and on the silence of the present with a counts of great feats performed by the Guerillas.

The majors are filled with accounts of great feats performed by the Guerillas.

The Mexican have certain information that General parts and the properties of the state of the protection of the city.

The spacers are filled with accounts of great feats performed by the Guerillas.

The Mexican have certain information that General state and 2,000 men, and money to the anomator of \$200,000 and nothing thoric. They therefore think doubtful whether the will insert to the capital footbulls whether the will insert to the capital footbulls whether the will insert to the capital footbull and talk loudly in that city of marching out to twee thim. There are bind toold in our, there was not of the footbull to wenter the work of the capital footbull to the control of because they would offer it us Whigs, we cannot perceive that they have any recourse but to accompany him to the retirement he covets, at the close of the war, with their profoundest regrets and unabated affection. There are others who descry nothing to re-

the schooler foun, Capt. Stewards are set of the Mark Steward Stewards and set of the Mark Stewards the steamship New Orleans are on the 26th instant, and brings us tetter of the 25th and papers of the 24th.

Our dates from the army of Gen. Scott, at Puchfa are to the 14th instant. The immediate advance of our army upon the city of Mexico has been postpoord until the arrival of reinforcements.

A rumor reached Vera Cruz on the might of the 24th instant, that General Cadwalador's command this finish, and being as an one of the 24th instant, that General Cadwalador's command that finish, and being as an one of the series of the 14th instant, that General Cadwalador's command and fallen in with a guerilla party a few miles the paper, so the definition of the Northern anti-clavery selection of the democratic paper, and by a movement imprecised by the garrilleres, succeeded in suprising them and killing a man. Our correspondent thinks there is some truth in the report.

By another letter, dated the 24th instant, we learn that the train which well up ander the command of General Pillow was attacked at Calera, said to be him miles beyond Puente Nacional. The guerillers were dispersed with the loss of thirty men. We are switched to have some eight or ten wounded, but non-failed.

The above accounts we have not had time to integrate as fully as we shall do for our next juper. Our betters from Mr. Exchadil coanse down to, the thing are to be a stronger resistance is to be anade to uppears to be a stronger resistance is to be anade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to uppears to be a stronger resistance is to be unade to the stronger resistance is to be unade to uppears to be a strong

GENERAL TAYLOR'S LETTER-THE PRESIDENCY.

The following letter from General Taylor Cubic appears in the Cincinnati "Morning Signal" of the Bill instant ) will, in view of General Taylor the Raleigh (N. C.) Register, speaks in the following prominent position before the country, be read with

knowledged to be good, are considered to be rather ans Dalta of the 25th ult. says, that a gontleman in fresh. The prospect is, that Webster, Corwin, that city had received a letter from Gen-Taylor, in Giddings, Soverance, Davis, Garrison and others which we have been some or the grant of the state of the source of the grant of the source of the grant of the gr which, referring to the attempts of certain papers to make him a party candidate for the Presidency, the ligners a party candidate for the Presidency, the

STILLING COINCIDENCE .- The Spingfield Gazette, says that a man was sent to the House of Correction in that town, by Judge Wolls, on Thursday for stealing a watch from the store of Jonathan Bangs. The same mun was sent to the State pris-Cot. May. A very handsome private entertainment on 16 years ago, for stealing the same watch from

same man. MODERATE DRINKING .- Somebody says, is some

CINCINNATI. -There are 70 church buildings finished in Cincinnati and more in progress.

THE ADVANCE OF RUIN.

We give a few more melanchely proofs of the dis-nations effects of the Tariff of 1846: Lon. to the editor, of the Cincinnati Signal. The Genore states, without equivocation, that in no case can be permit himself to be the candidate of either party. What a rebuke is this to Federalism! We have been told over and over again, by Federal editors, that the Brave old General was an avoyed "Whig," a "Henry Clay Whig, and nothing elss," as our neighbor of the Herald remarked a few weeks since. Gen. Taxton himself informs us, however, that he cained "yield himself to party schemes," thus giving the lie direct to the assertion that he was un no pen and avowed Whig."

If our readers will refer back to a former number of our yaper, it will be seen, we then predicted that Gen. Taylor would be then our condition to an allow of the state of the town of Schuykill county at that time, depending mainly on hunting for subsistence. In 1846, nearly one and a half millions of tons were forwarded from the same region, and the demand as upply still increasing However, when who were then predicted that Gen. Taylor would be then worked for many months.

White the condition of the Carliff of 1842, was the prevailing and standing theme of Federal politicians in different conditions of the total for Portestiffe Emportum of the condition of the Schuykill conditions of the Schuykill condition of the Schuykill co
