Notice to Tax Payers.

Notice to Tax Payers.

The Commissioners of Cumberland county, feel much gratified in being able to announce to the citizens of the county, that by their prompt payment of the State and County tax, they have enabled the county treasurer to pay over to the Treasurer of the Commonwealth the State tax assessed upon this county, so as to receive an abstract at the citizens of Cumberland county that a majority have paid the Commonwealth and to pay the interest upon the amount thus paid, agreeably to the act of Assembly. But while they would congratulate the citizens of Cumberland county that a majority have paid the Commonwealth and to pay the interest upon the State Treasurer the means to meet the engagements of the Commonwealth and to pay the interest upon the State Treasurer the means to meet the engagements of the Commonwealth and to pay the interest upon the State debt at maturity; they would remind the few, who are yet in arrear, in the payment of their taxes, that there is a debt due by the county and bearing interest, which renders it very desirable that these yet in arrear should make payment to the county collectors as soon as practicable.

The commendable, promptness with which the majority have paid their State and County tax, has enabled the Treasurer to payer the State tax without the necessity of the Commissioners obtaining loan for that purpose, which has hitherto been required—and tiffe prompt payment of the balance of the State and County tax, yet due, will place in the thands of the Commissioners the means to pay the annual interest of the county debt, and also about twelve thousand deflars of the principal.
