The work was let very low. conduct as this, for it is notorious that for the last four years our public improvements have been manged with a skill unsurpassed, and with the strietest economy. To this fact inference and the limited character of the necessary expenditores, has trong time than one oxcited surprise and delight. The traff is, one of the proudest plunce in the state of the necessary expenditores, has trong the necessary expenditores has the limited character of the necessary expenditores has trong the necessary expenditores has the state of the necessary expenditores has the state of the necessary expenditores has the state of the necessary expenditores has the net of the necessary expenditores has the state of the necessary expenditores has the state of the necessary expenditores has the expenditor of the state sic - is the successful administration of the State

sic-is the successful administration of the State government in all its parts. Fodoralism, "which hates the excellence it cannot reach," sees and feels this to be so, and therefore resorts to ignorant and stupid fabrication. On this subject we defy all the means that culumny or falsehood can invent. our strength, and feel proud of it. Wo know

ANOTHER REBUKE.

When Colonel DONIFRAN with his brave volunteers ecently returned to Missouri, they received a most in the bill taxing Tea and Coffee, which John Tyler cordial and enthusiastic welcome from the citizens vetoed, and for which James Irvin voted, as refered of St Louis. Senator Benton addressed them in an eloquent and interesting speech, in which he review to by page 1108, was in the following words: "SECTION 10. And be it further enacted, That on all articles not hereinafter enumerated or provided for there shall be levied, collected, and paid, a duty of 20 per cent. ad valorem." That among the ion in arms, made a reply, from which we give the
