And here we say, without the fear of contradiction, that we have not found a case of Scroula of ther disease for which we recommend the Panaother disease for which we recommend the lambda oea, which the medicine has not speedily arrested. We have at this time a multitude of patients under treatment, all of whom are doing well— Among them is one of CANCER, which was pe-nounced by physicians beyond the reach of Surgi-cal assistance, but from all appearances will be cuted in a few months.

READ! READ!! READ!!!

Brooks, jr. at the office of Messrs. Rowand & Walton, 376 Market st., Philadelphia, consider his case the most remarkable one we have ever witnessed or hearl of. His disease was SCROFULA, and terrible muthave been his twelve years conflict with the destroyer. His Palate, the entire roof of his Mouth, Noss, Upper Lip, and lower lid of the numer exe have been destroyed, his Face, nearly caten up, and part of the Jaw Bone carried away. And yet we can give no description of his case.
