DAGUERROTYPES.
Only \$1.50.
MR. J. W. BEAR, respectfully informs the Ladies and Gentlemen of Carlisle and vicinity that he has taken rooms for a few weeks, on North Hanover street, next door to Arnold's store, where, with the best and most apparatus extant, and materials of the finest quality, he is fully prepared to execute Daguerrotype Likenesses of all sizes in a style not to be surpassed by any other Artist in this county, giving to the miniature a bold relief from that deadness usually seen in Daguerrotypes, and fully developing the eye (the imperfection of which has so long been an objection to this class of miniatures) and giving to the whole picture a more pleasing appearance usually seen in Daguerrotype miniatures.
Likenesses of children as young as two years, taken in exquisite style; and where the parent who would not pay the paltry sum of \$1.50 for a correct likeness of his child, might as well be content with a picture of a Family group taken in splendid style and at moderate prices.
Single pictures, medium size, colored true to life, and warranted not to fade, for \$1.50, including a fine Morocco case. As his stay will be limited to two or three weeks, those wishing to procure miniatures or Daguerrotype Likenesses would do well to call soon.
Miniatures made, without regard to the state of the weather, between the hours of 8 o'clock, A. M. and 5 P. M. Instructions given in the art for a reasonable remuneration.
Eagle Livery Stable.
THE subscriber respectfully announces to his friends and the public generally, that he has opened the above named Livery Stable in the alley in the rear of the Market House, where he can and will accommodate all those who may give him a call, with good HORSES, BUGGIES, CARRIAGES, &c. The public may depend on getting good and safe horses, as I will in no case give out a horse unless I can recommend him as safe and gentle. Prices moderate. He hopes by careful attention to merit and receive a share of public patronage.

Economy, Utility and Light!
Pine Oil & Solar Lamp.
M. B. DYOTT & KENT, Lamp Manufacturers, No. 64 South Street, one door below Chesnut, Philadelphia, have recently invented a complete assortment of DYOTT'S Patent IMPROVED SOLAR LAMP, which are superior in construction, more simple in arrangement and more improvement and advantages possessed by no other lamps. The cost of burning them does not exceed one-half of that of any other light and produces light more brilliant than gas. The lamps are so constructed that they can be burned dry, when the wick is short. The wick, which is consumed, being supplied with oil by a feeder underneath it. This arrangement keeps the oil always pure in the lamp, and renders other cleaning altogether unnecessary, and the recent improvements made by the patentee adds beauty to their appearance, and renders their management so easy, that a child can take care of them. They are perfectly safe, and free from unpleasant odor.
In addition to the above, we have a large and handsome assortment of DYOTT'S NEWLY IMPROVED SOLAR LAMP, a great variety of lamps; Hanging Lamps, suitable for Churches, Schools, Halls, Factories, Lodge Rooms, Hotels and Billiard Saloons, and Lamps with shades, designed for reading and for every other purpose where light is required. A handsome variety of CRYSTAL BRAS, BOUQUET HOLDERS, and every article pertaining to the lamp business. Having every facility for manufacturing, we are prepared to sell, wholesale or retail, as cheap as any other dealers, and the articles are warranted equal in appearance, and superior in construction, to any that can be produced elsewhere.
N. B. Lamps, &c. regit. silver; bronzed and repaired in the best manner. Oil lamp of every description altered to burn Pine Oil.
