VOL. 34.

CARLISLE, PA, THURSDAY, OCTOBER 6, 1847.

scource of her disease, in consequence of which I management so easy, that a child can take care of purchased three or four bottles of Jaynes-Vermitige them. They disease, them. They despend them to be a seen that the properties of the purchased three or four bottles of Jaynes-Vermitige them. They despend them to be a seen the public of the shove, we have a large and hand without any better success, besides various other patterns; Hanging Lamps, suitable for Churches, Champion. I am sorry that Mr. P. has so tanged for reading, and for every other purpose where light of ones, that my feelings were deeply wounded; but long afflicted by having fits every day, that she had been end not been able to walk or talk until the last six months since using Shepherd's Vermituge. She has come the patterns of the management with she care of the first and for this management with management with mind for the same tall and for this first and the care of the public in which is required. A handsome variety of CANDELA as he has certainly been led into error in regard to not been able to walk or talk until the last six months since using Shepherd's Vermituge. She has come the first and the patterns of the same tall and the care of the same tall and the care of the public in a patterns of the same tall and the care of the public in the last six months and the care of the same tall and the care of the public in the last six months and the same tall and the care of the same tall and the care of the public in the last six months.

Shepherd's Vermifuge.

DAREN'IS, Physicians and Nurses, read the following certificate of cure of fits by Shepherd's Vermifuge. We have in our possession thousands it is needless to publish here, as this shows the virtue of the medicine and its harmless agood appetite—it combines many valuable properties independent of the worm destroying, &c. It is doing good wherever it is used.

New British, Union Co., Pa., I ladit for the age of four months, and projounced by the physicians after their utmost exerctions to be incuration for her saying it would be of no use. I could not live two hours, refusing to leave medicing for her saying it would be of no use. I could not live two hours, refusing to leave medicing for her saying it would be of no use.
