CONFIRMATION OF THE NEWS

Tessleed, That the Democratic ticket of this county is worthy of our united and zealous support, that the nominees are good and true Democrats and are men of the first character in the community—With such candidates as Sterreit, Lefever, Lambertion, Moore, Mell, Ker, and Livinger, we can go into the contest with energy, and will teach the Federalists of this county, that the Democracy of Old Mother Cumberland are "unconquered and unconquerable." We pledge ourselves that North Middleton is good for one hundred Democratic majority.

Resolved, That all the new born zoal evinced by the Federalists for the monory of the late laminted Muhlenberg, is but another specimen of their rank hypocricy. We well remember when he was the Democratic candidate for Governor in 1844, how they persecuted him, and culogized Francis & Shunk the present Democratic nominee. They thought then by such a course of egiduet to detach a portion of Mr. Shunk's warm friends, and gain their support for Markle, as they now attempt to gain over Mr. Muhlenberg's friends for Irvin. Both efforts were, and will be equally futile. The friends of Mr. Shunk's supported Mr. Mohlenberg then, because he was a good Democrat and an able man, and worthy of the statu. The friends of the late Mr. Muhlenberg, after the bloom up by explosion of Probley Wagons—Yap-ture of \$300,000 by, the Mexicans—Death of Gen-Smith—Another action on the 12th—Capture of Cha-pultepee—Bombardment of the Capital—Invested by the American Troops—Death of Gen. At half past 4 o'clock this morning the Americans attacked the position of the Mill of kir Rey, close to the fortress of Chapultopee.
