Shepherd's Vermifuge.

PARENTS, Physicians and Nurses, read the folsowing certificate of cure of fits by Shepherd's Vermifuge. We have in our possession thousands of certificates which, it is needless to publish here, as this shows the virtue of the medicine and its harm-lessness. Remember that Shepherd's Vermifuge lessness. Remember that Shepherd's Vermifuge never sickens children, and never fails to give them a good appetite—it combines many valuable properties independent of the worm destroying, &c. It is doing good wherever it is tised.

New Britis, Union Co., Pa., July 12, 1847.

My child four years old has been subject to fits from the age of four months, and pronounced by the hypsicians after their utmost exertions to be incurasible—and at one time dispaired of her life and said she would not live two hours, refusing to leave medicing the saving it would be fine use. purchased three or four bottles of Jaynes Vermifuge which I used according to direction without it producing any good effects. I next used Morrison's without any better success, besides various other skinds, but all to no purpose. Mr. E. Wilson, Agent of Shepherd's Yermifuge, induced me try Shepherd's I worm Dostroyer, which I am happy to say after ussing three bottles entirely cured her, a large quantity of worms having been expelled. She had been so long afflicted by having fits every day, that she had not been able to walk or talk until the last six months since using Shepherd's Yermifuge. She has commenced to talk and walk and I am satisfied that Shepherd's Yermifuge has produced all these happy Shepherd's Vermifuge has produced all these happy results, and therefore recommend it as an invaluable medicine. Price 25 cents per bottle.

DAVID MAUCK

The following certificates are from citizens resid-ing in Franklin county, Pat. and who are known to many of the readers of the Volunteer!

Rосквичи, Раз, April 29, 1847. ROCKSBUIG, Pan. April 29, 1827.

After having used, without success, a Vermifuge which was held in high estimation, I was induced to try Shepherd's. To my daughter, who is eight years old, I gave four doses, and which had the effect of

expelling a large number of worms. I can recomend it as a good articles JAMES SHOEMAKER.

Sr. Thomas, Pa., April 27, 1847.

I administered Shepherd's Vermifuge to a girl five years old—it operated without producing any sickness—expelled a large quantity of worms, and answered fully my expectations. I have sold it to many and have always heard a good report from it.

THE ADDRESS AND COUNTERS, THURSDAY, COUNTERS,

The strategy of the first program of the strategy of the strat

a leoled to pay their postage. We fiever answer such it letters.

We recalled ah instance that occurred when we were resided in Mobile. It was during the mores multicallis speculation, some gentlemen in Philadelphia wrote to us for information about the sale of some trees; a matter in which we had not the least concern; their postage being unpuid; the attention was paid to their letter, in consequenties of which they actually lost a contemplated opportunity; the he result proved, of making some seven to nine theusehil dollars. The bubble burst soon after, and they word minus that sem in consequence of their niggardly attempt to get information out of us without expense of themselves.
